

State: AK | True: primary | Predicted: primary | Correct: True

Local explanation for class primary

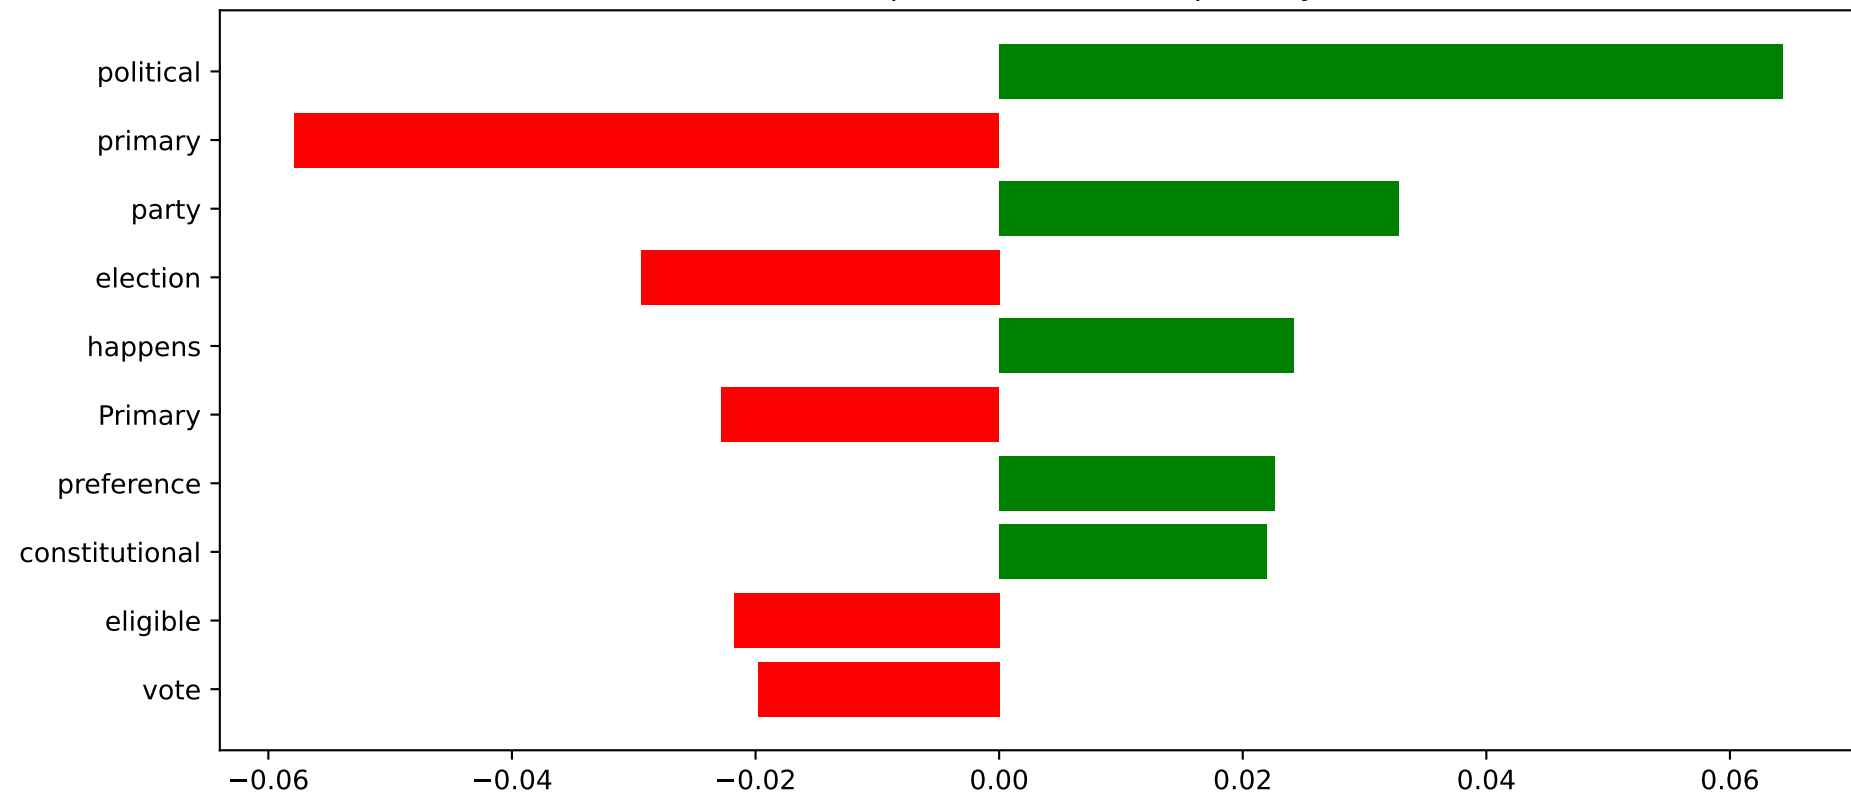

State: AK | True: secondary | Predicted: primary | Correct: False

Local explanation for class primary

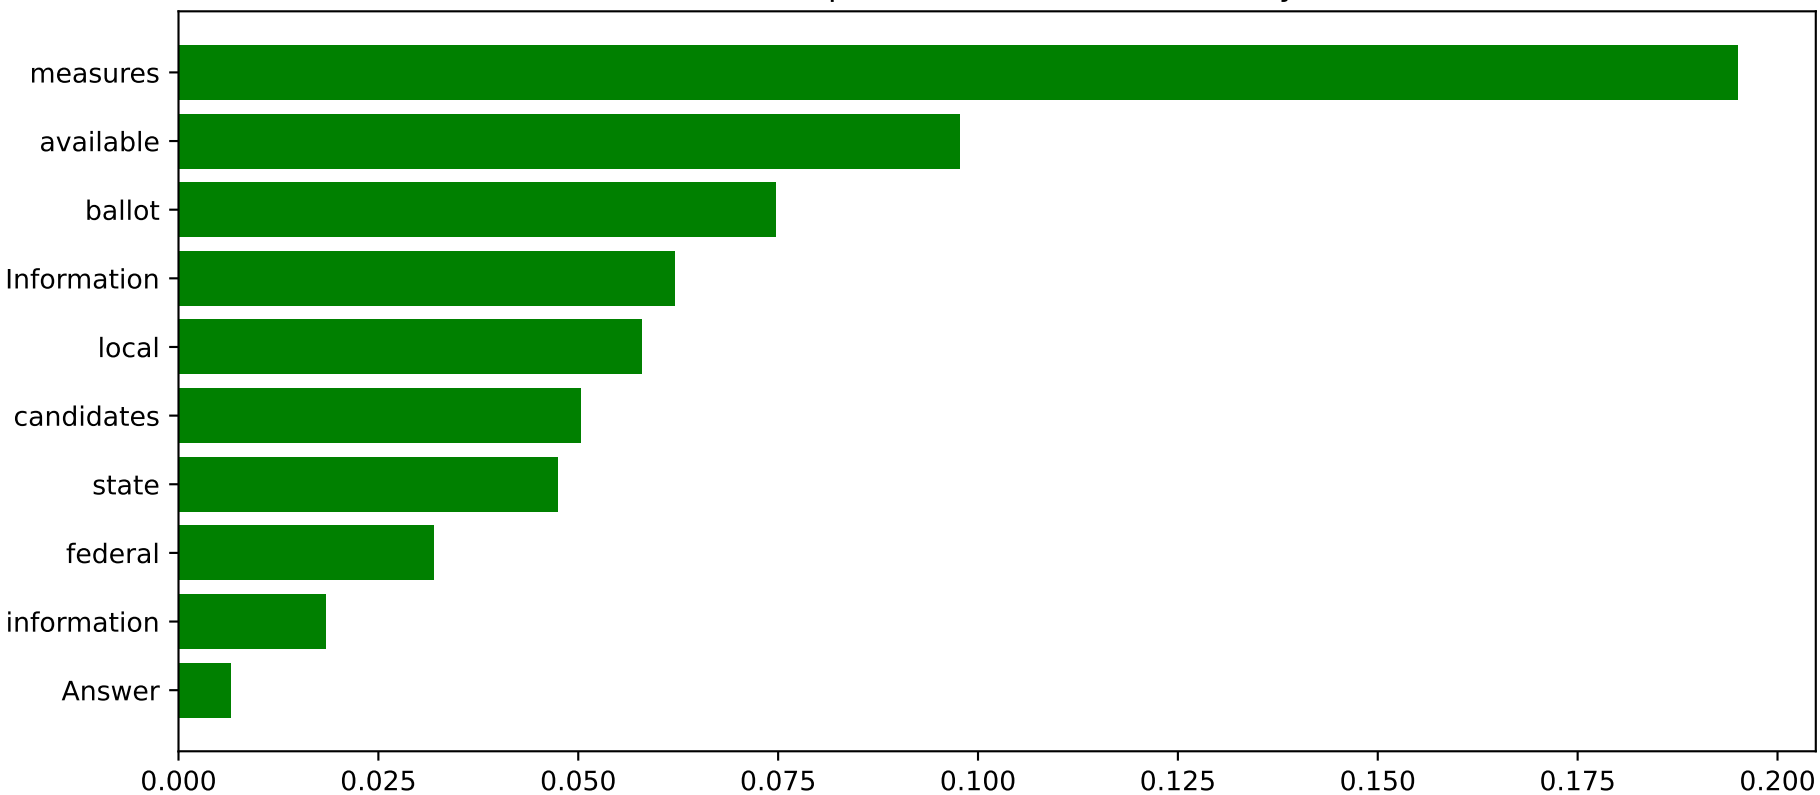

State: AL | True: primary | Predicted: primary | Correct: True

Local explanation for class primary

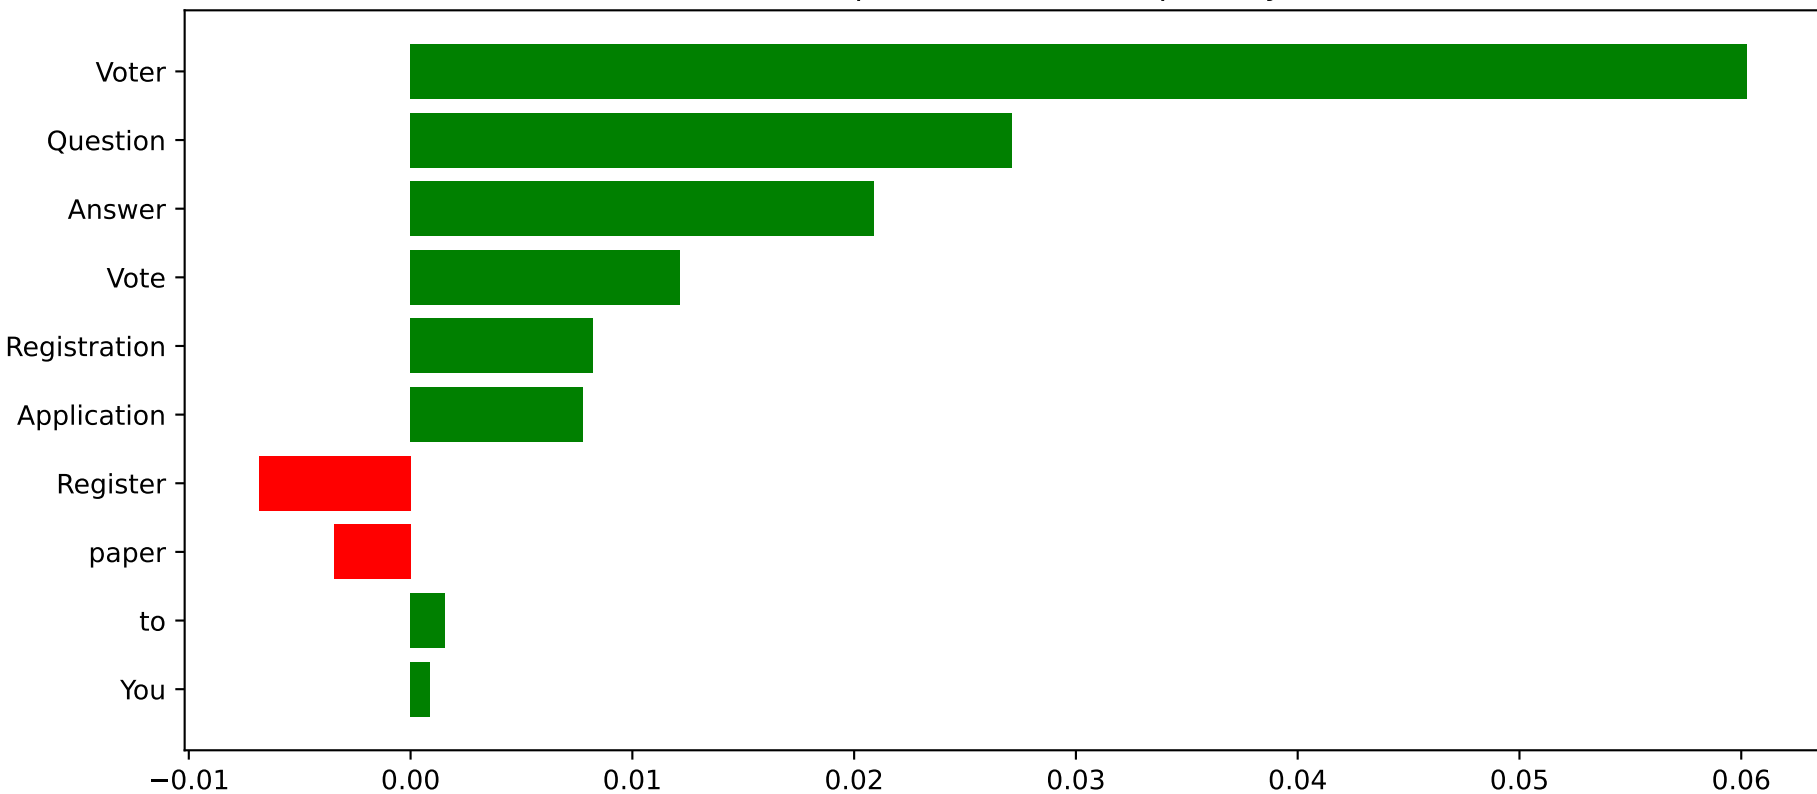

State: AL | True: secondary | Predicted: secondary | Correct: True

Local explanation for class secondary

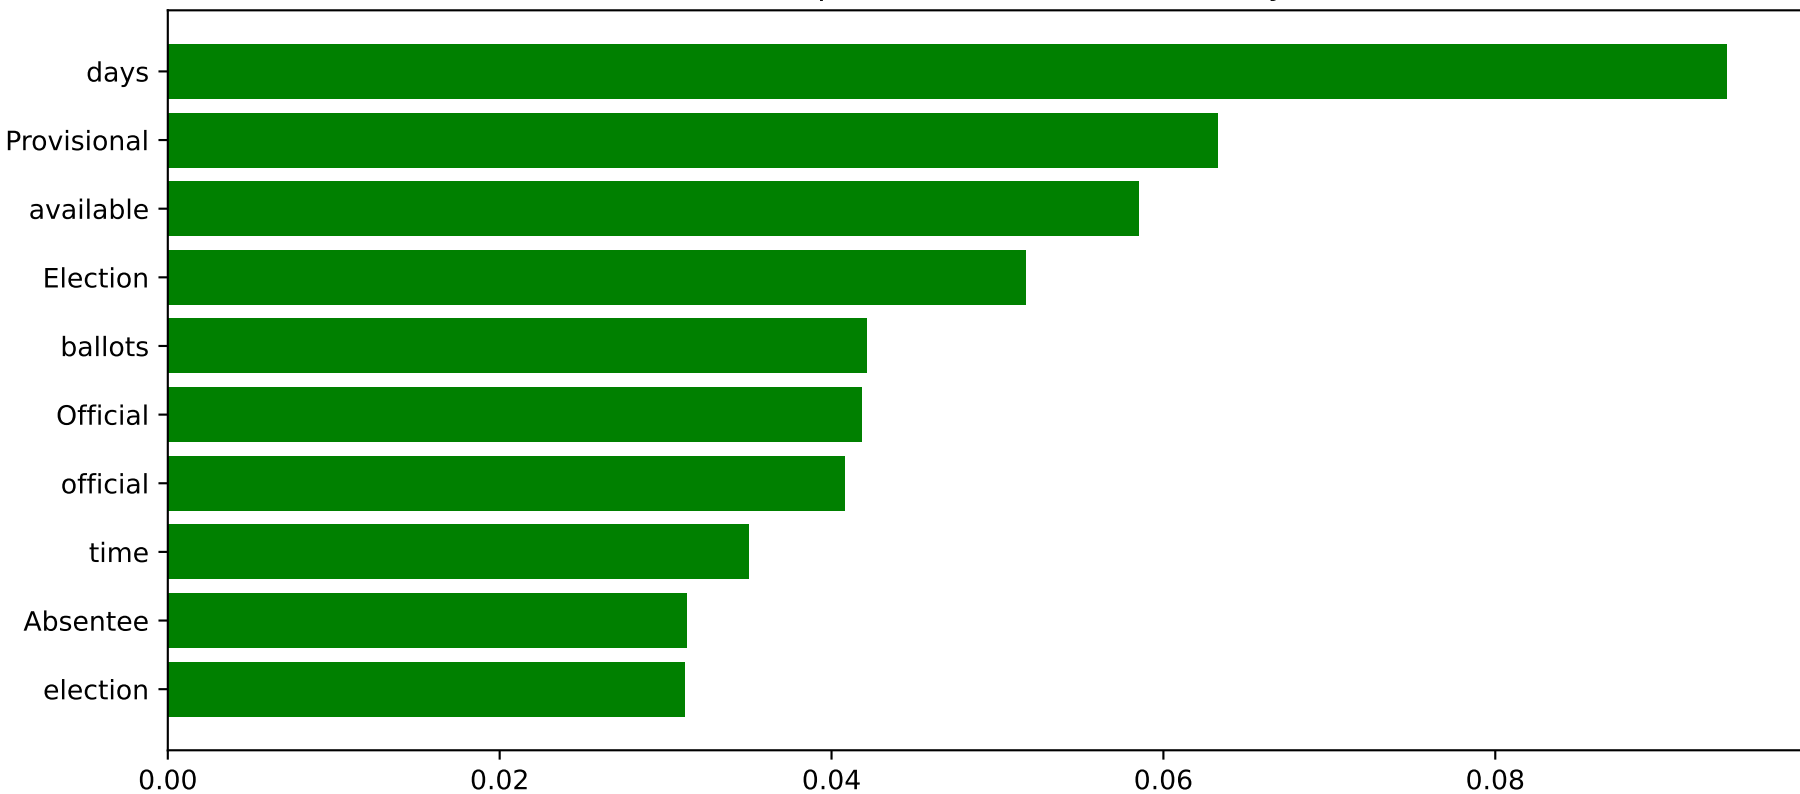

State: AR | True: primary | Predicted: primary | Correct: True

Local explanation for class primary

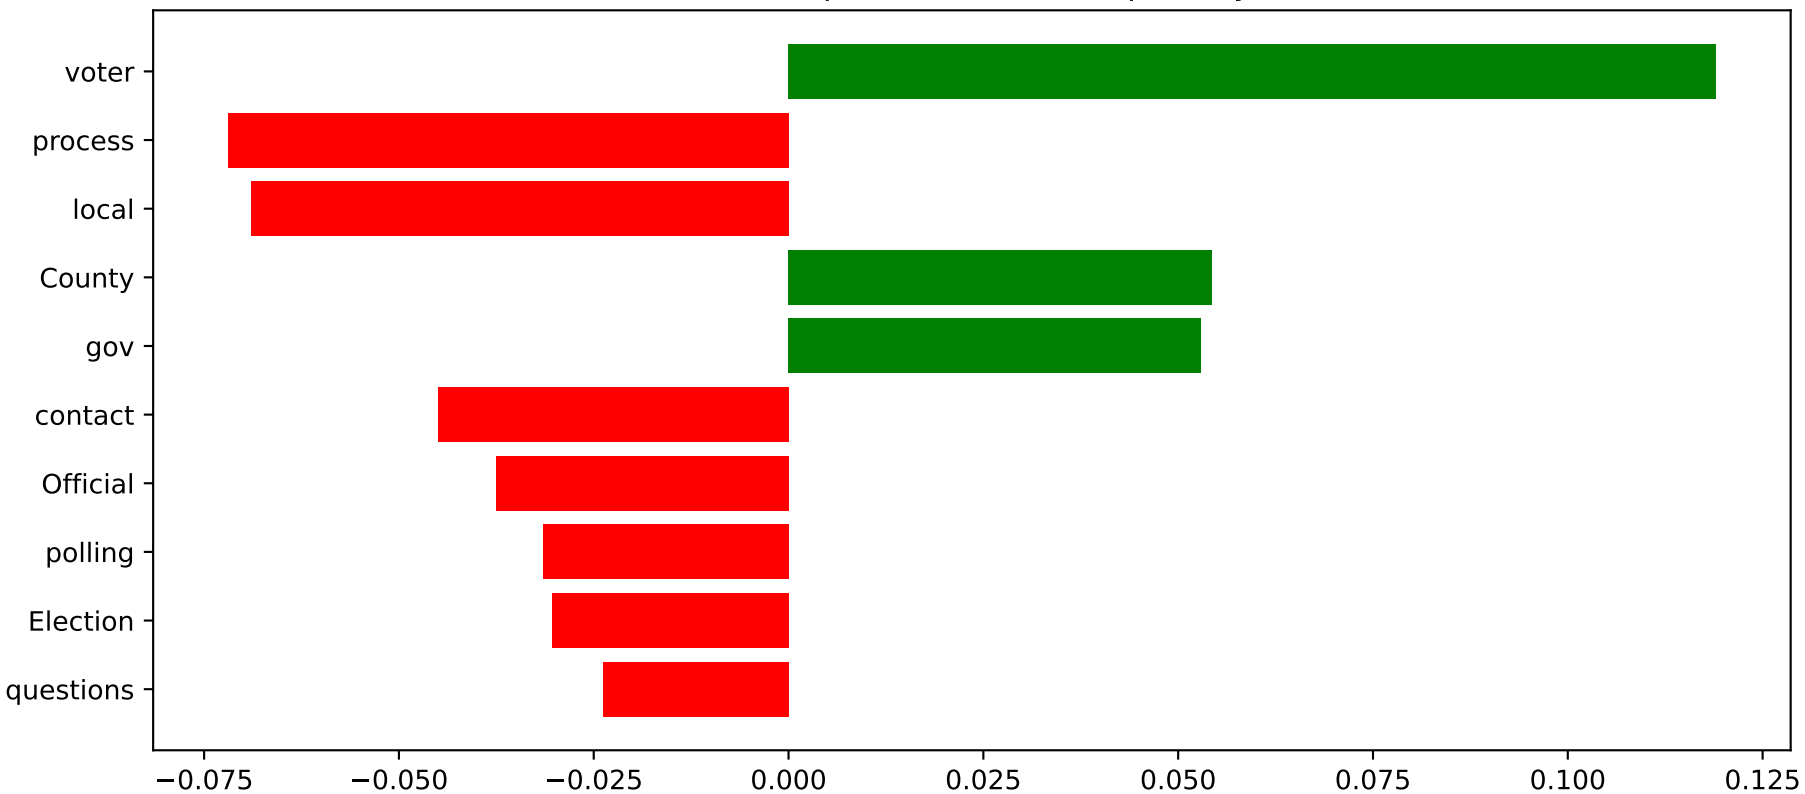

State: AR | True: secondary | Predicted: secondary | Correct: True

Local explanation for class secondary

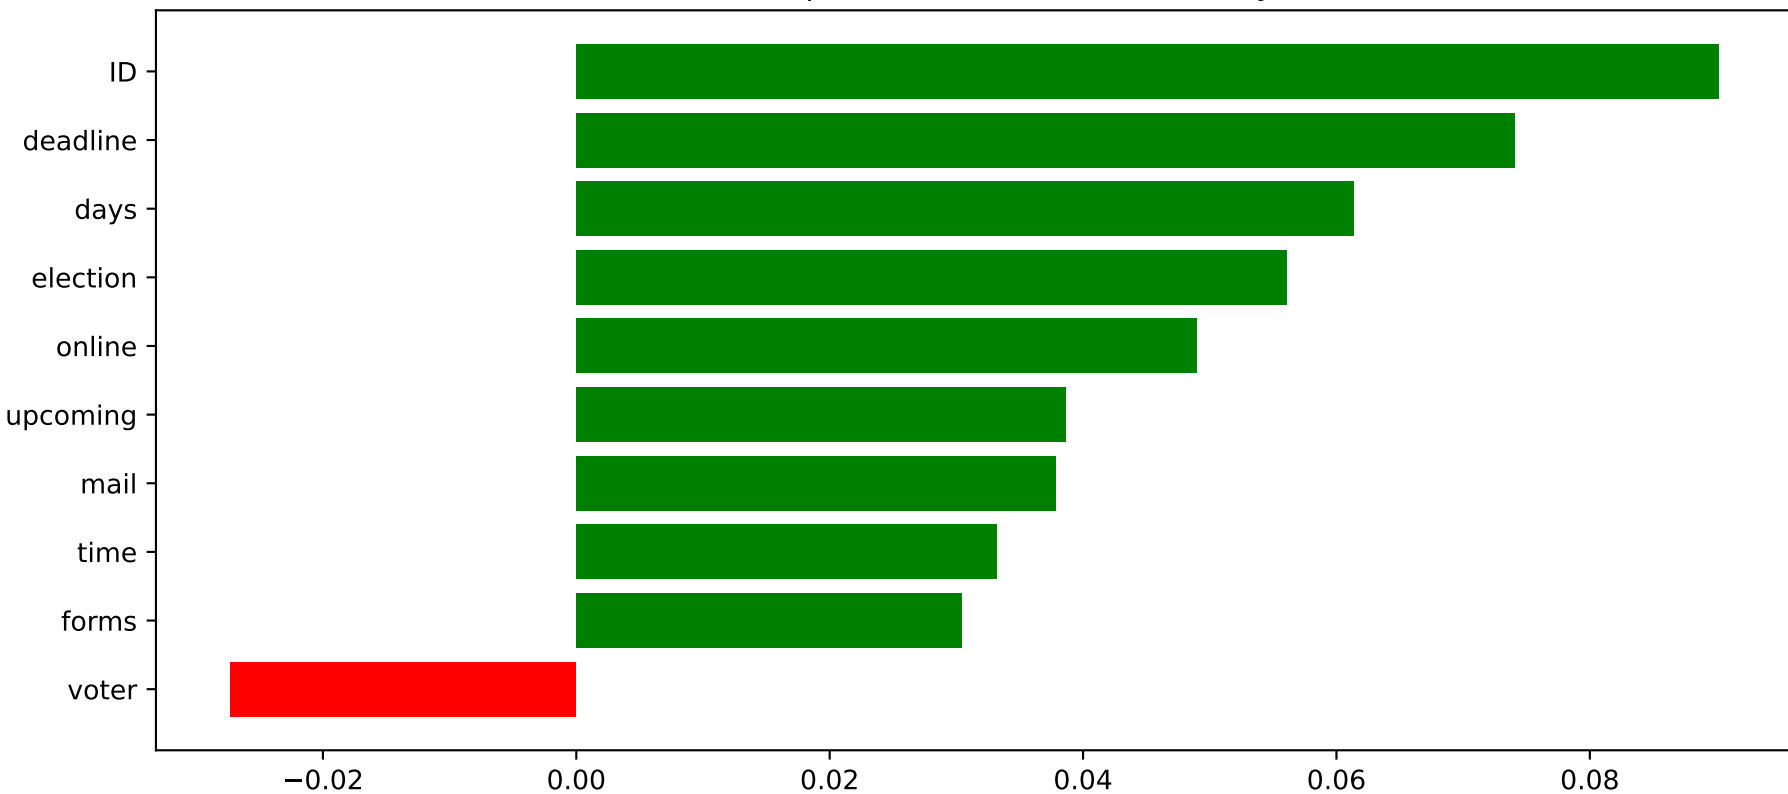

State: AZ | True: primary | Predicted: primary | Correct: True

Local explanation for class primary

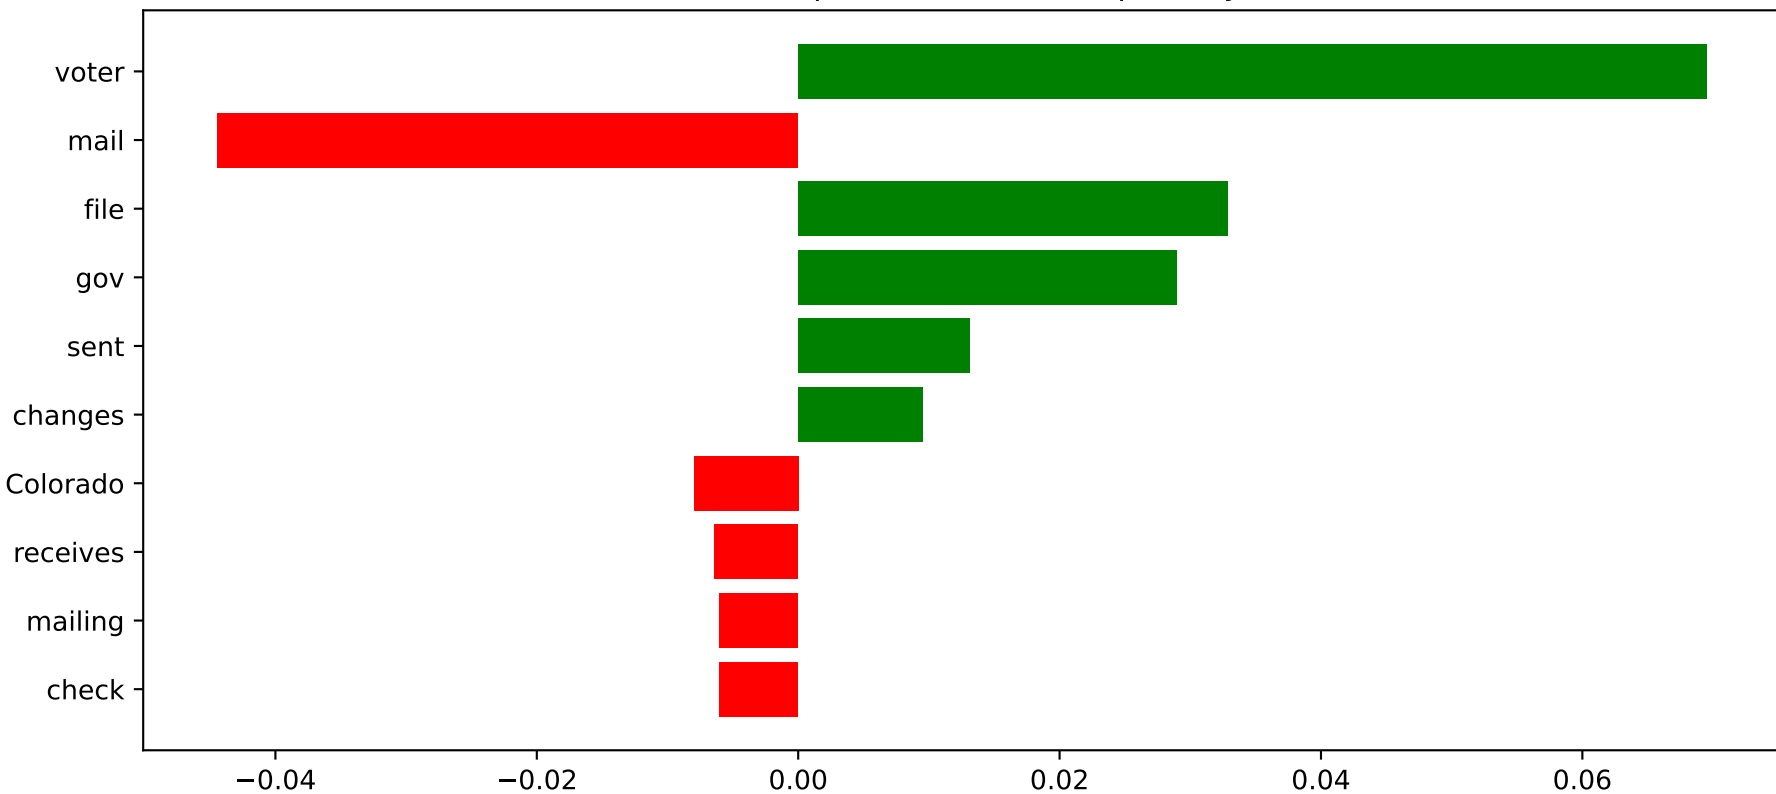

State: AZ | True: secondary | Predicted: secondary | Correct: True

Local explanation for class secondary

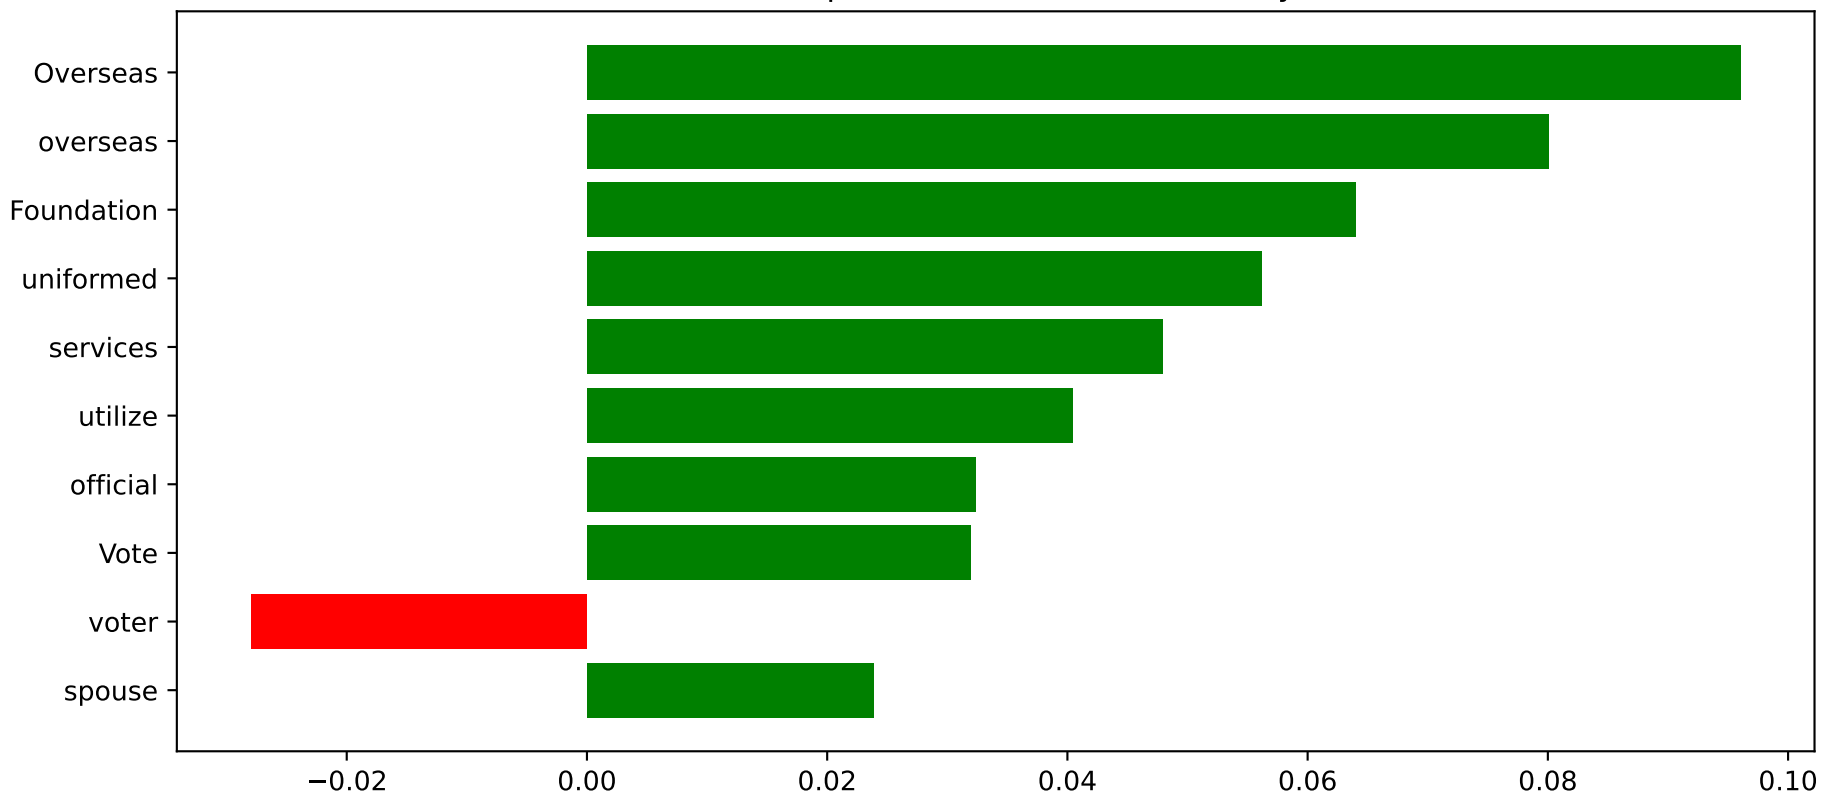

State: CO | True: primary | Predicted: primary | Correct: True

Local explanation for class primary

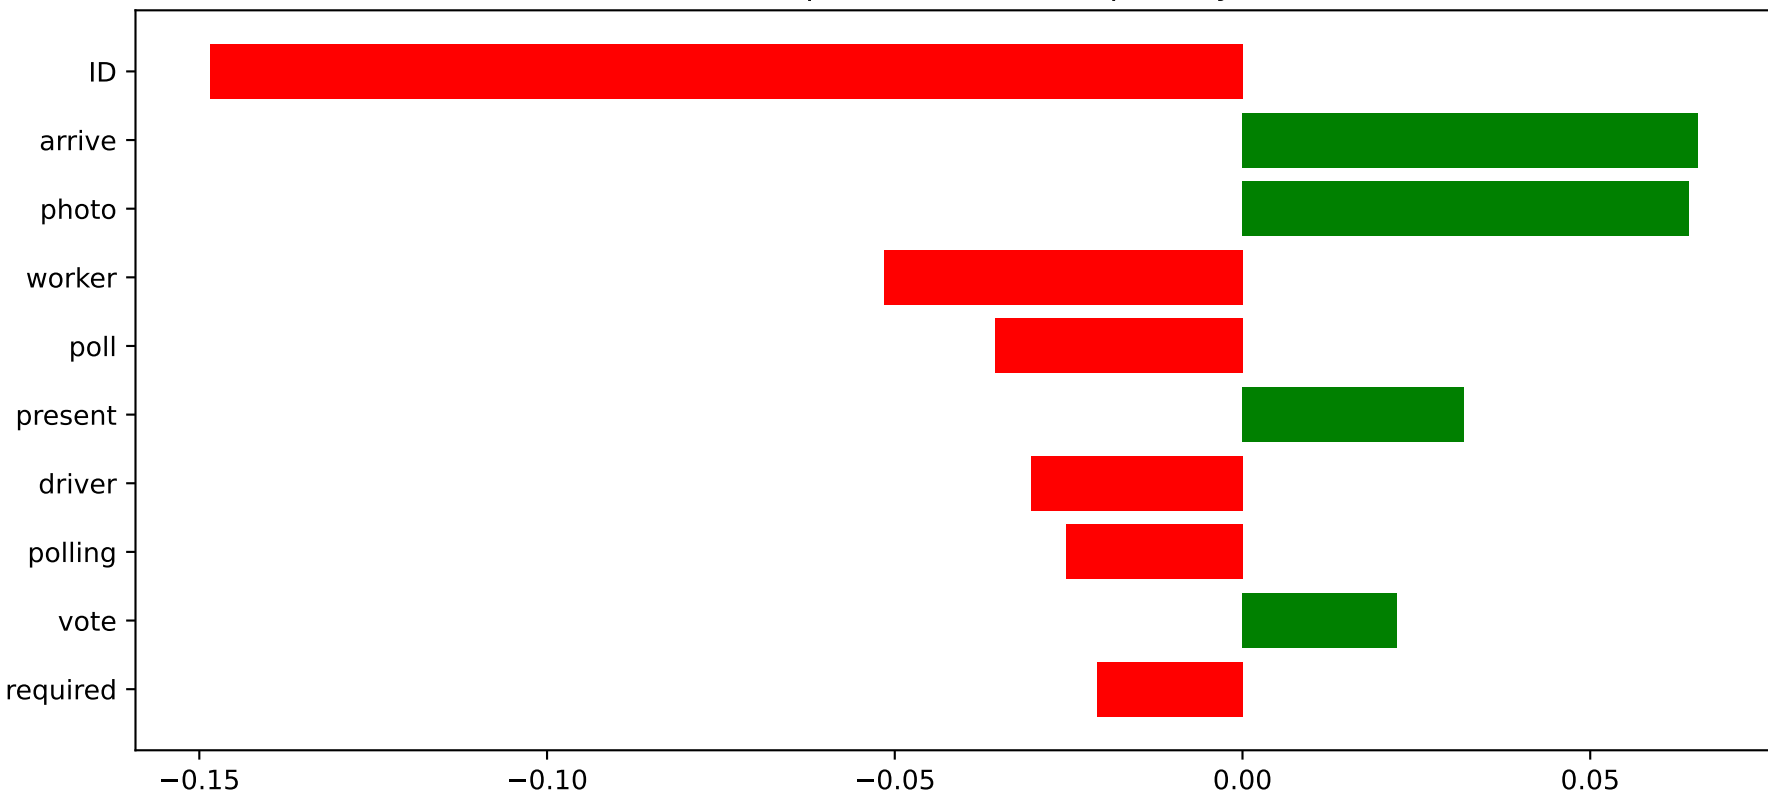

State: CO | True: secondary | Predicted: secondary | Correct: True

Local explanation for class secondary

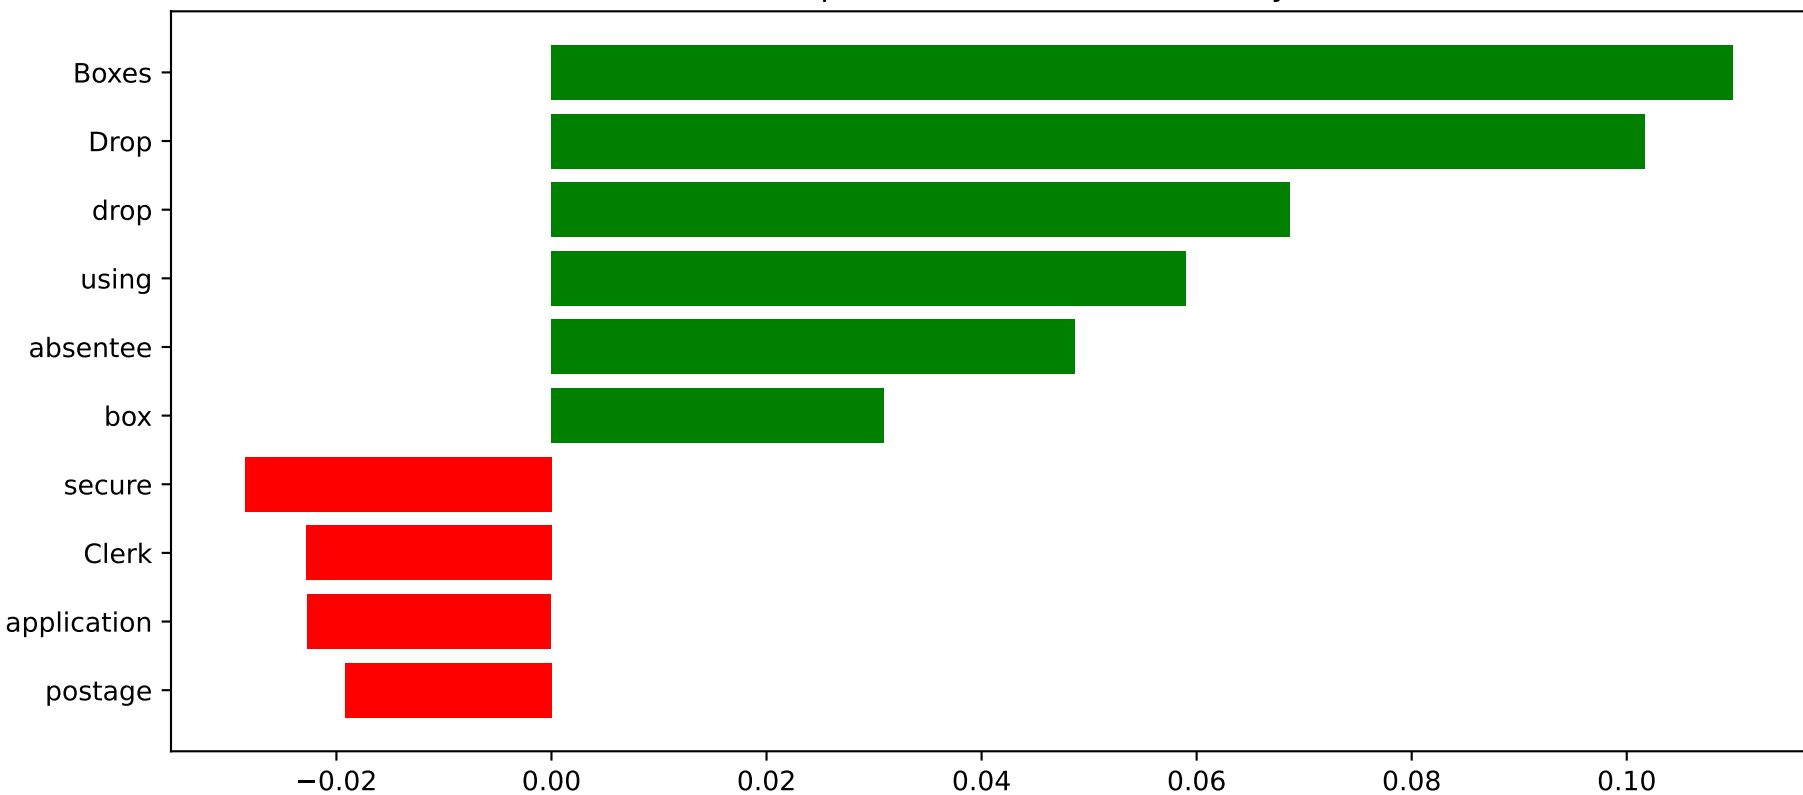

State: CT | True: primary | Predicted: primary | Correct: True

Local explanation for class primary

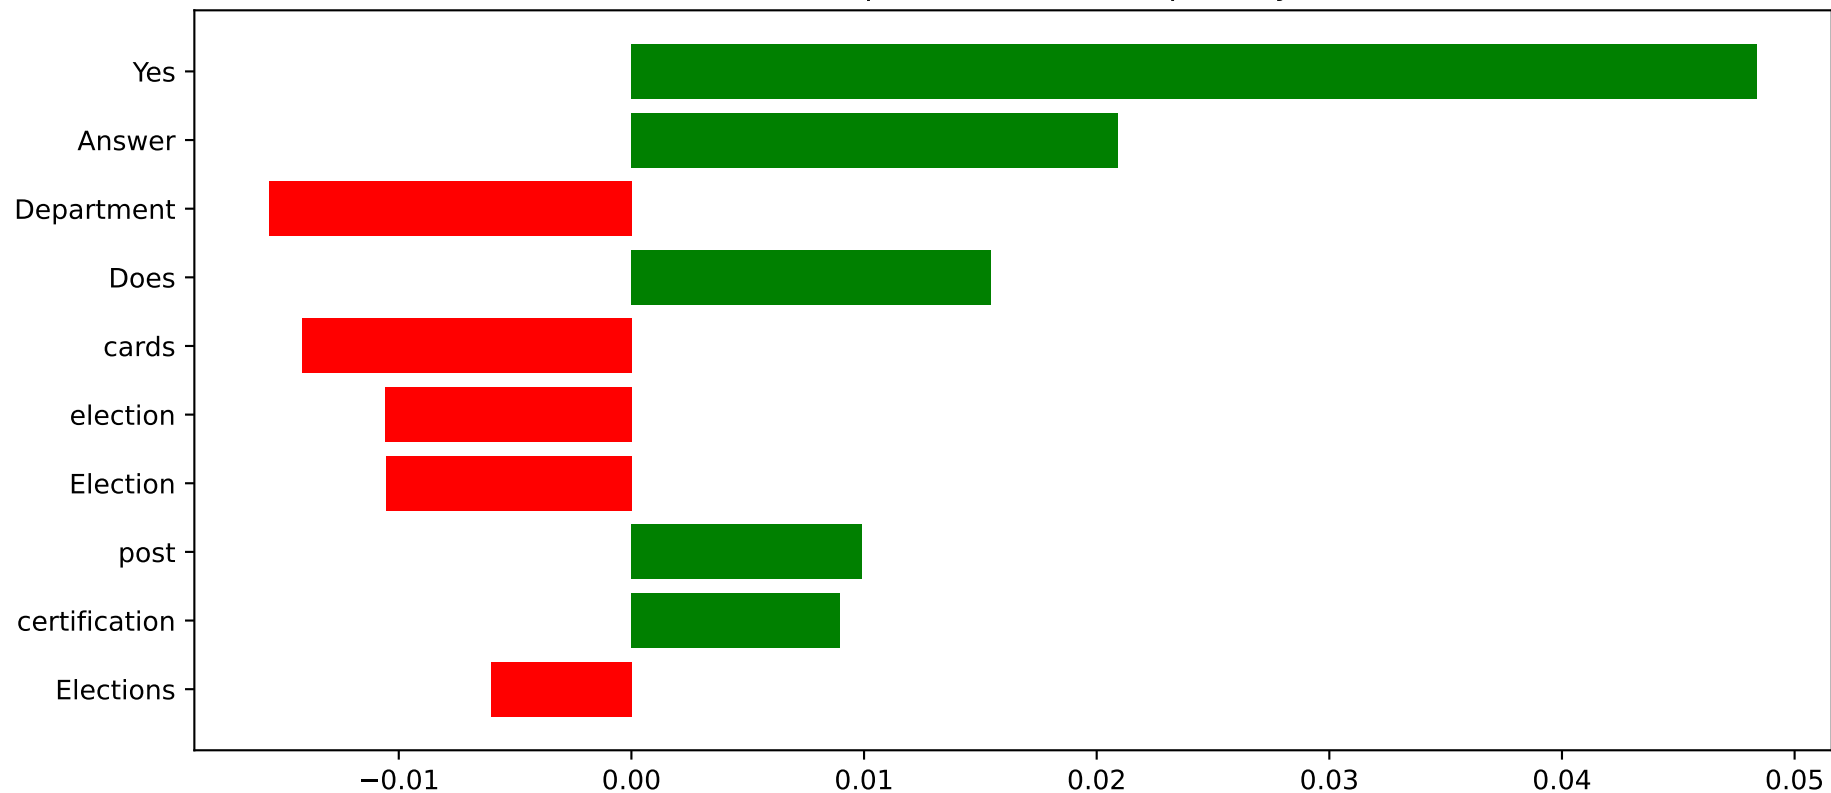

State: CT | True: secondary | Predicted: secondary | Correct: True

Local explanation for class secondary

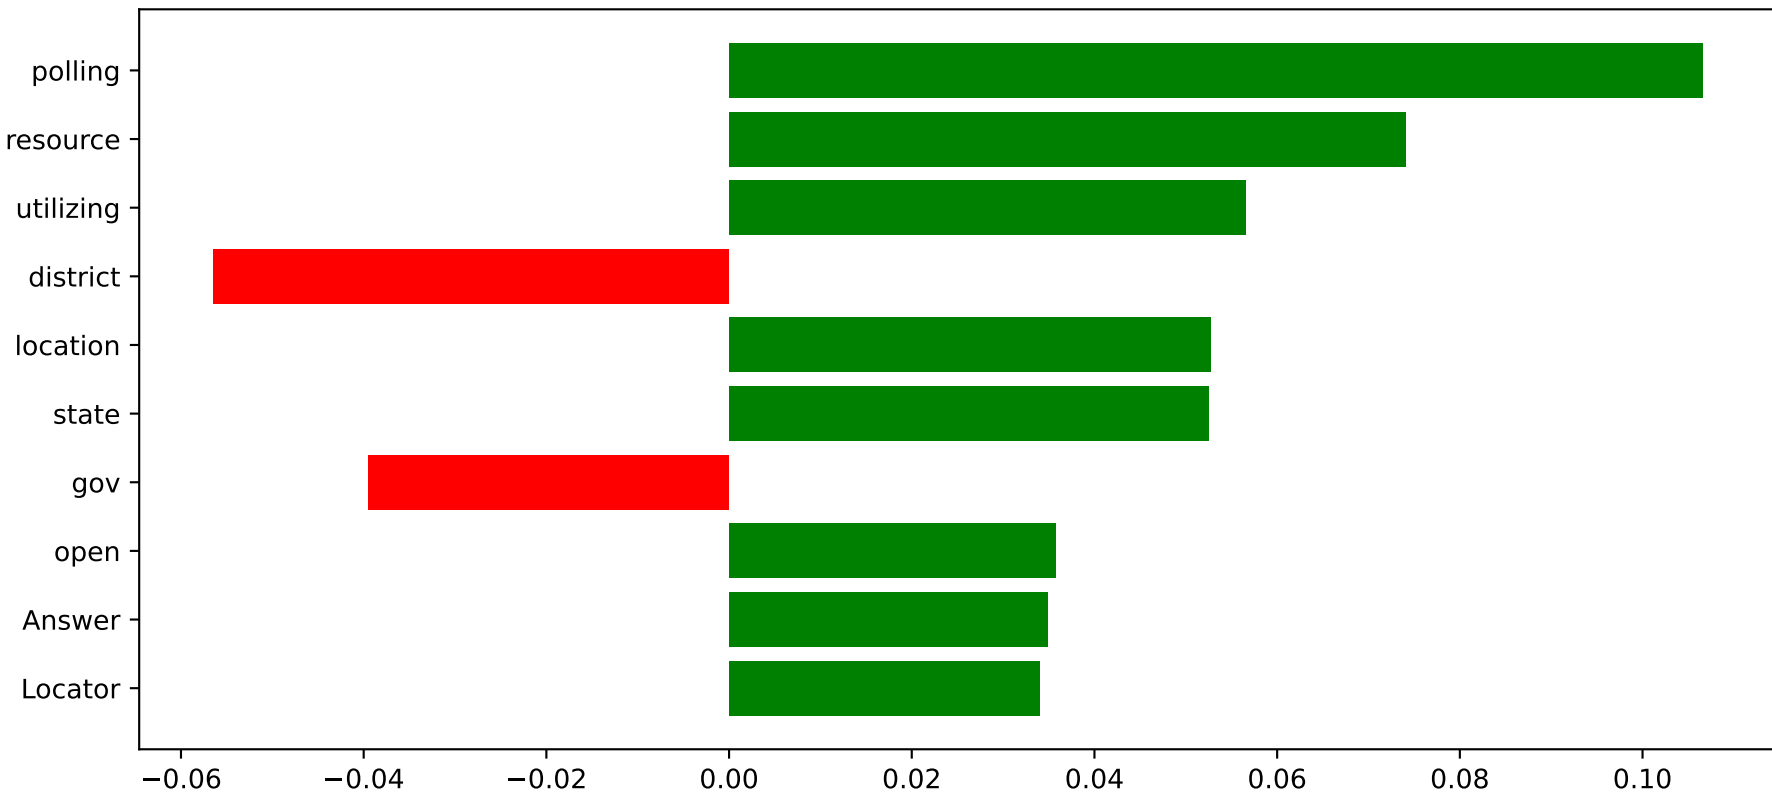

State: DL | True: primary | Predicted: primary | Correct: True

Local explanation for class primary

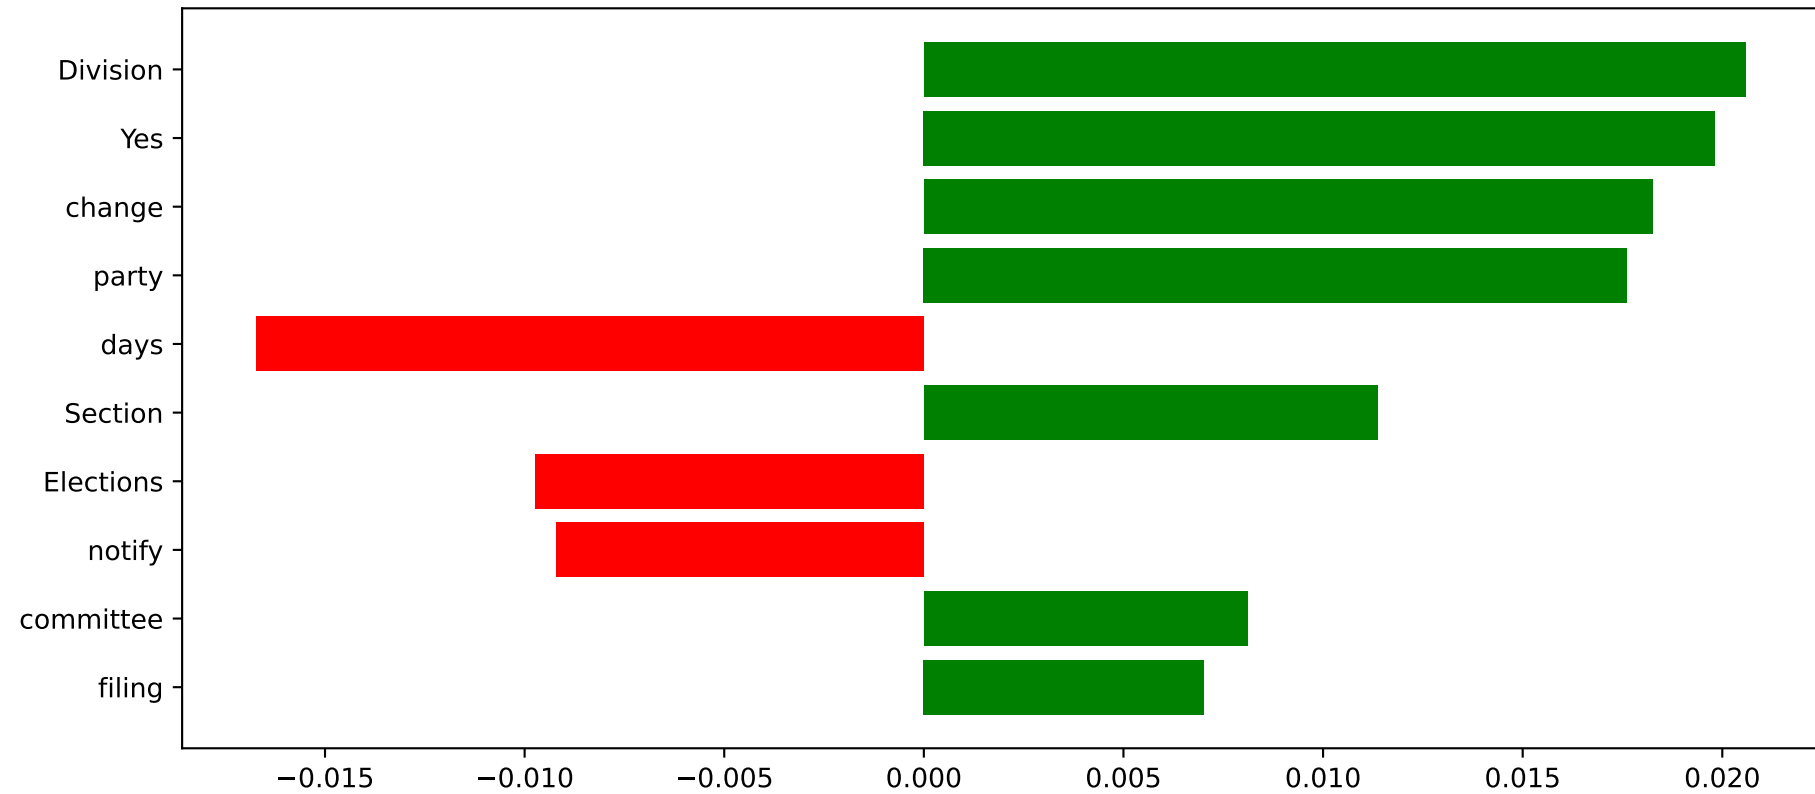

State: DL | True: secondary | Predicted: secondary | Correct: True

Local explanation for class secondary

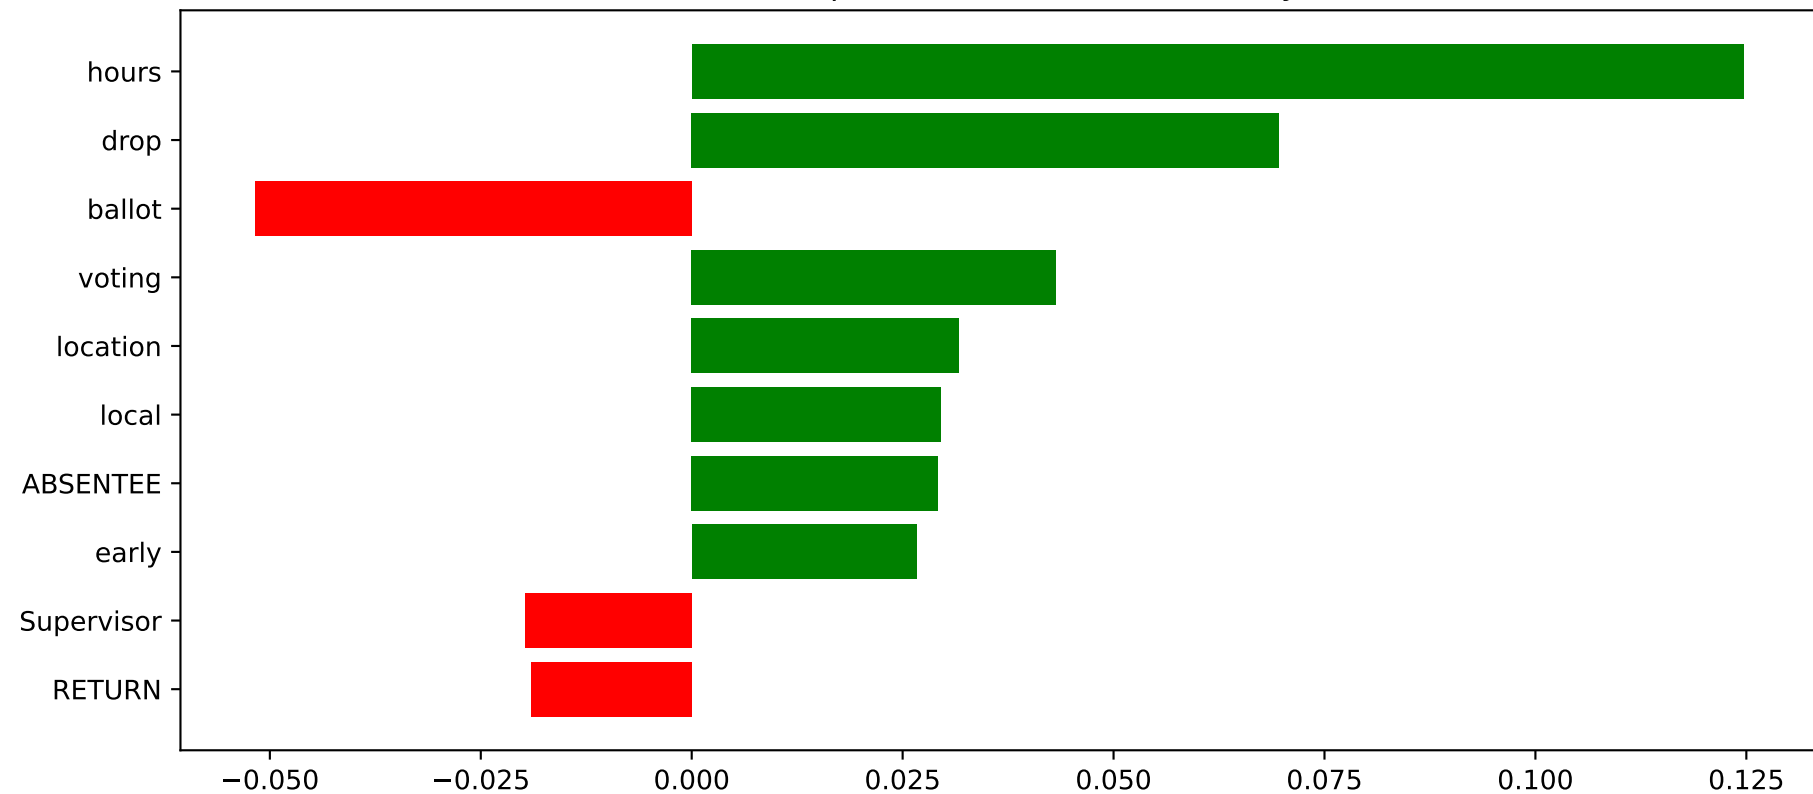

State: FL | True: primary | Predicted: primary | Correct: True

Local explanation for class primary

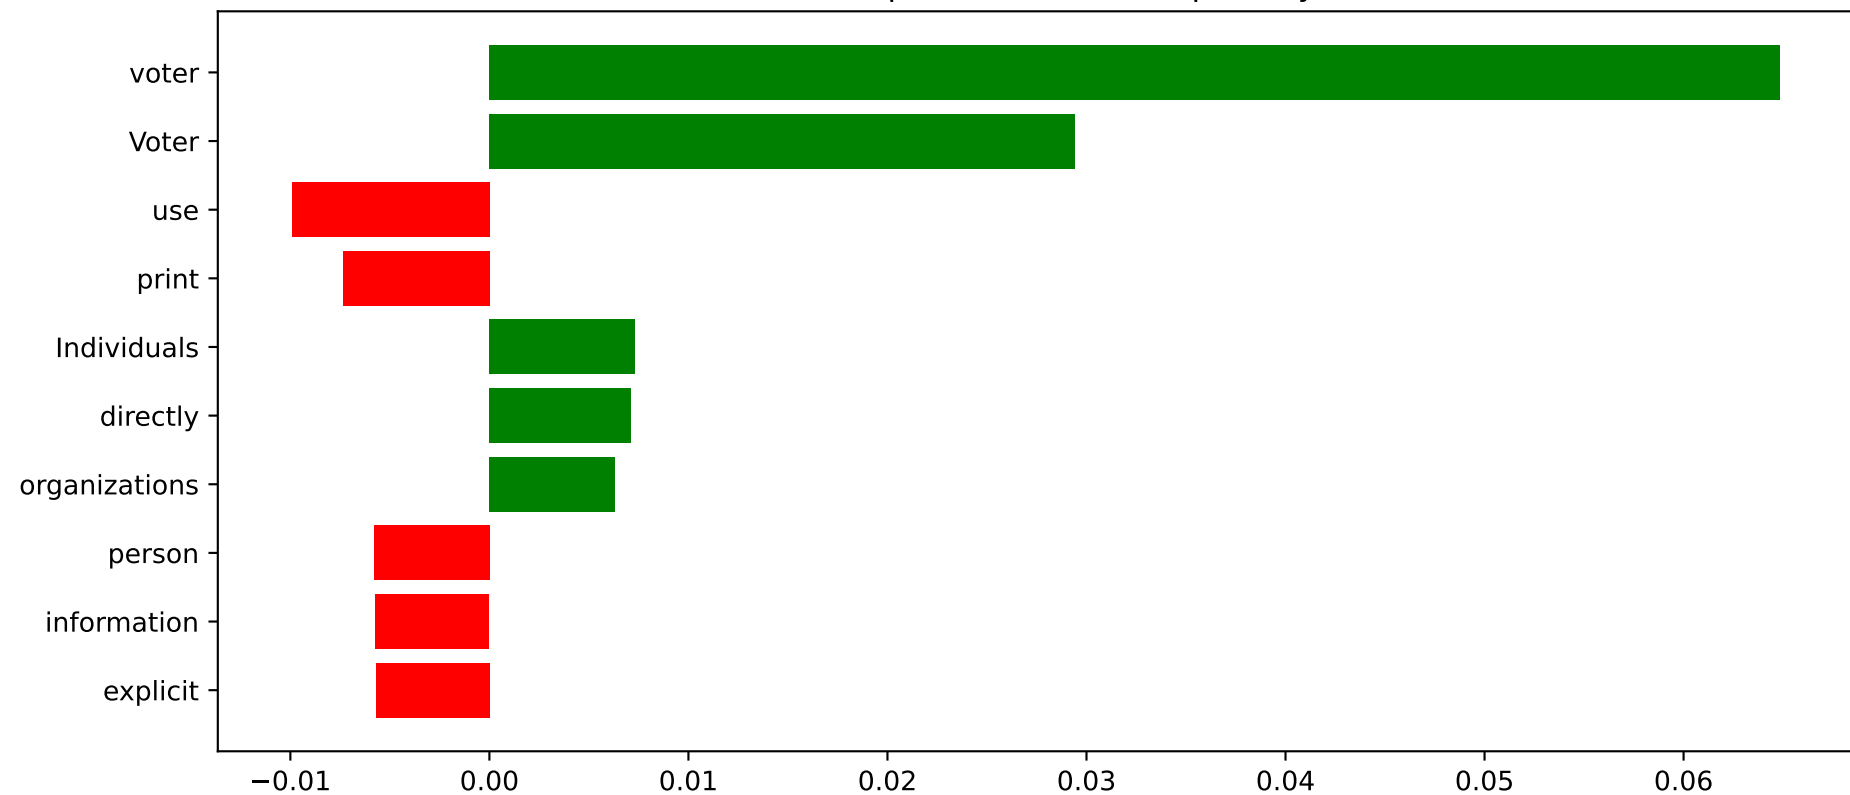

State: FL | True: secondary | Predicted: secondary | Correct: True

Local explanation for class secondary

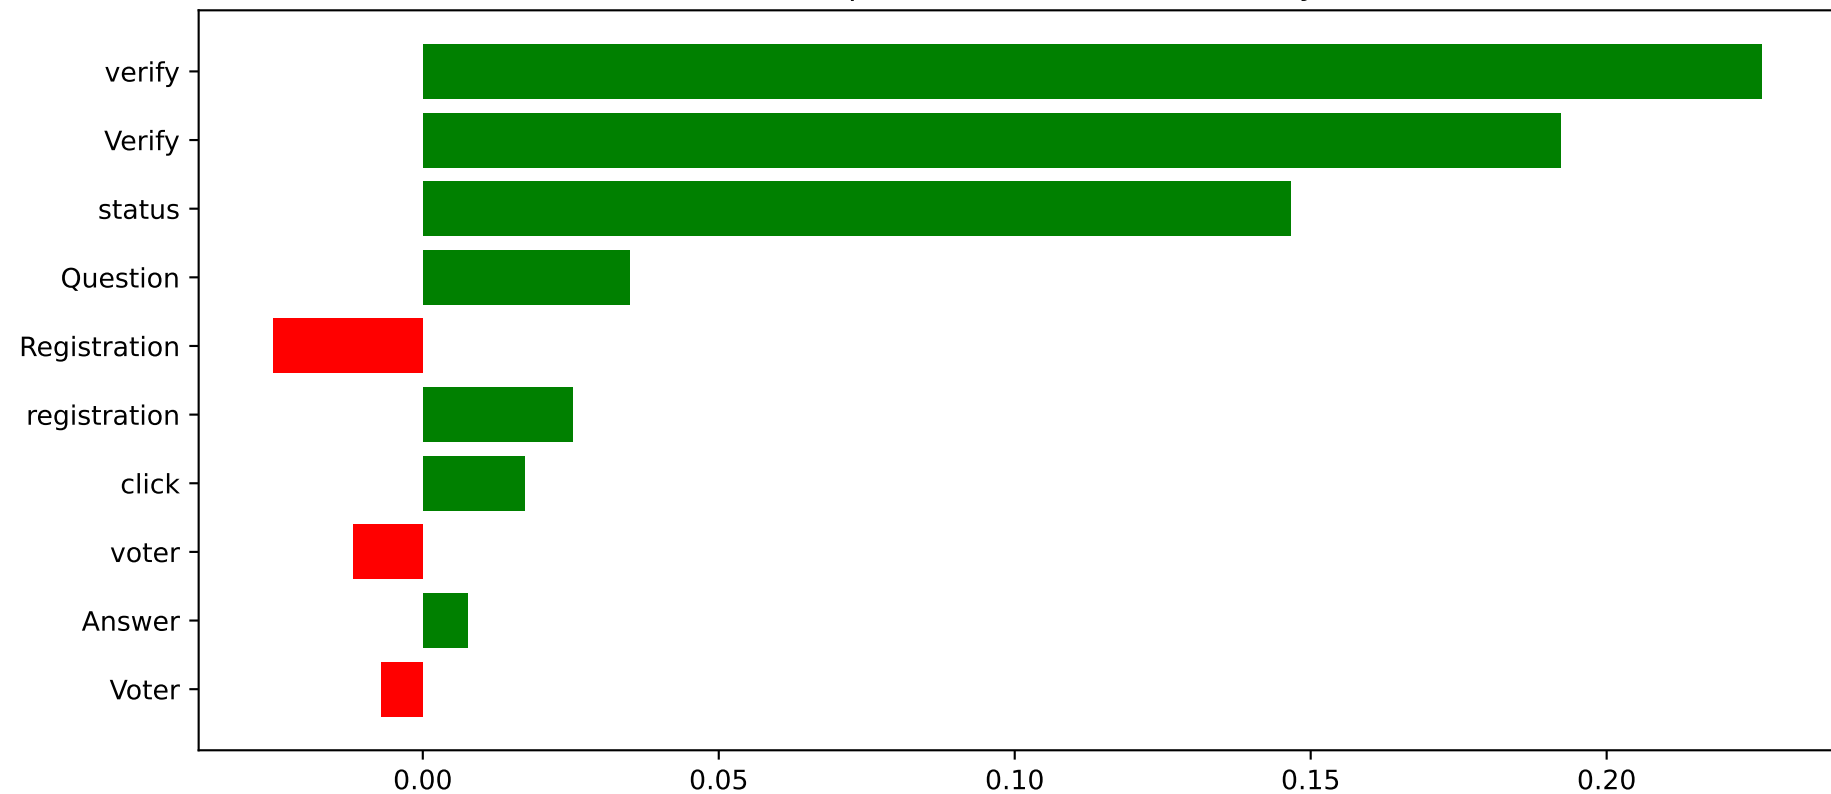

State: HI | True: primary | Predicted: primary | Correct: True

Local explanation for class primary

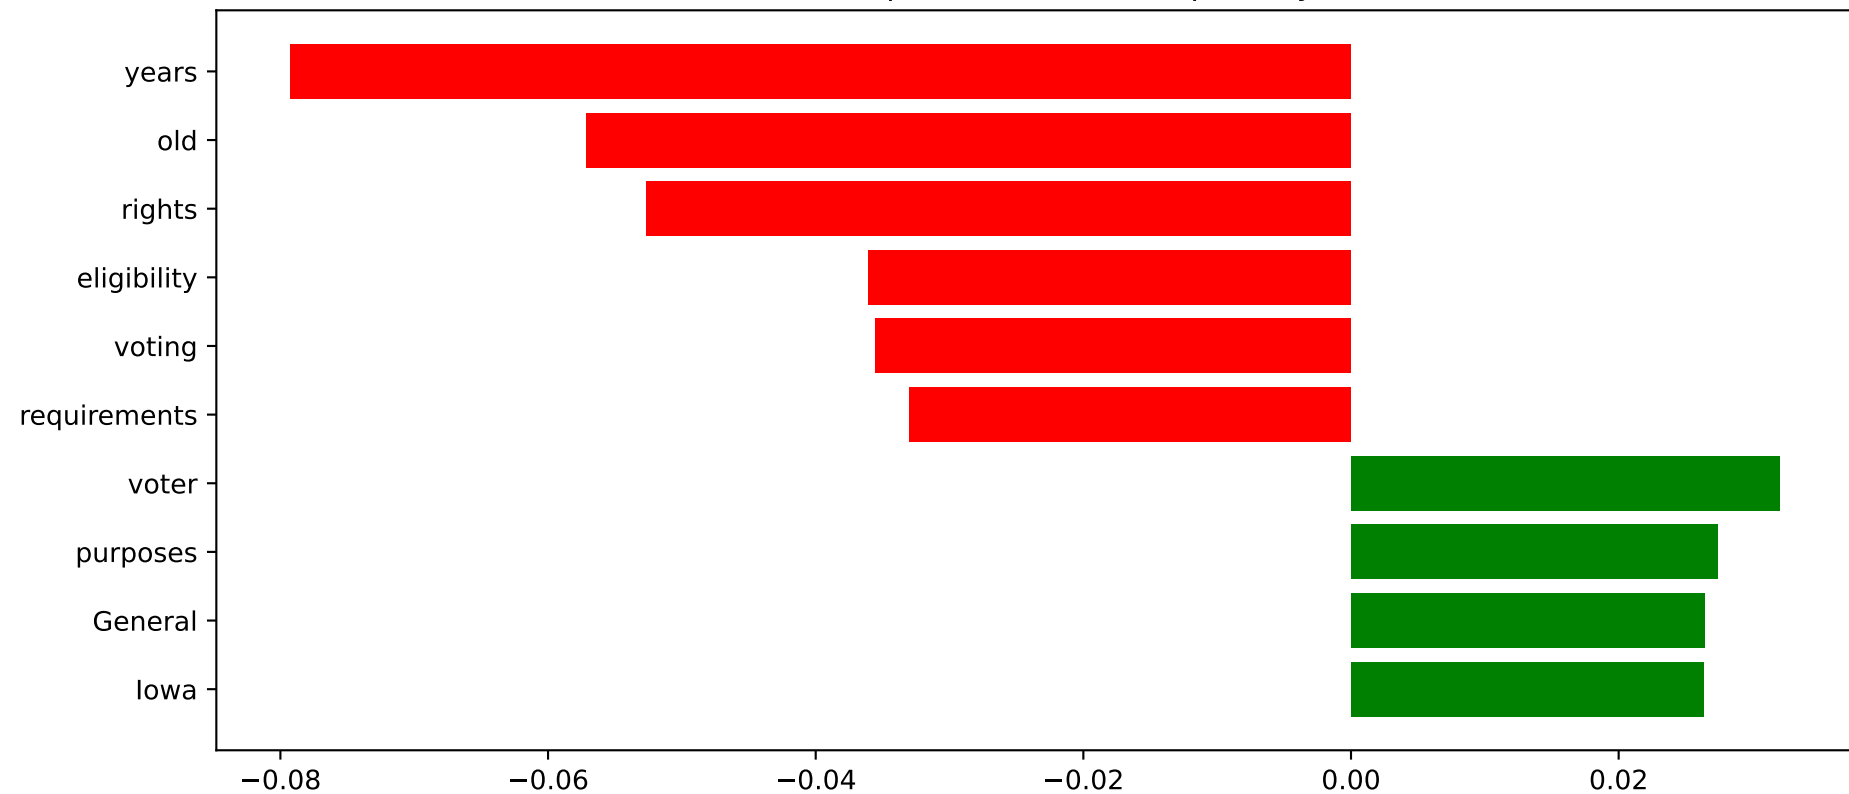

State: HI | True: secondary | Predicted: secondary | Correct: True

Local explanation for class secondary

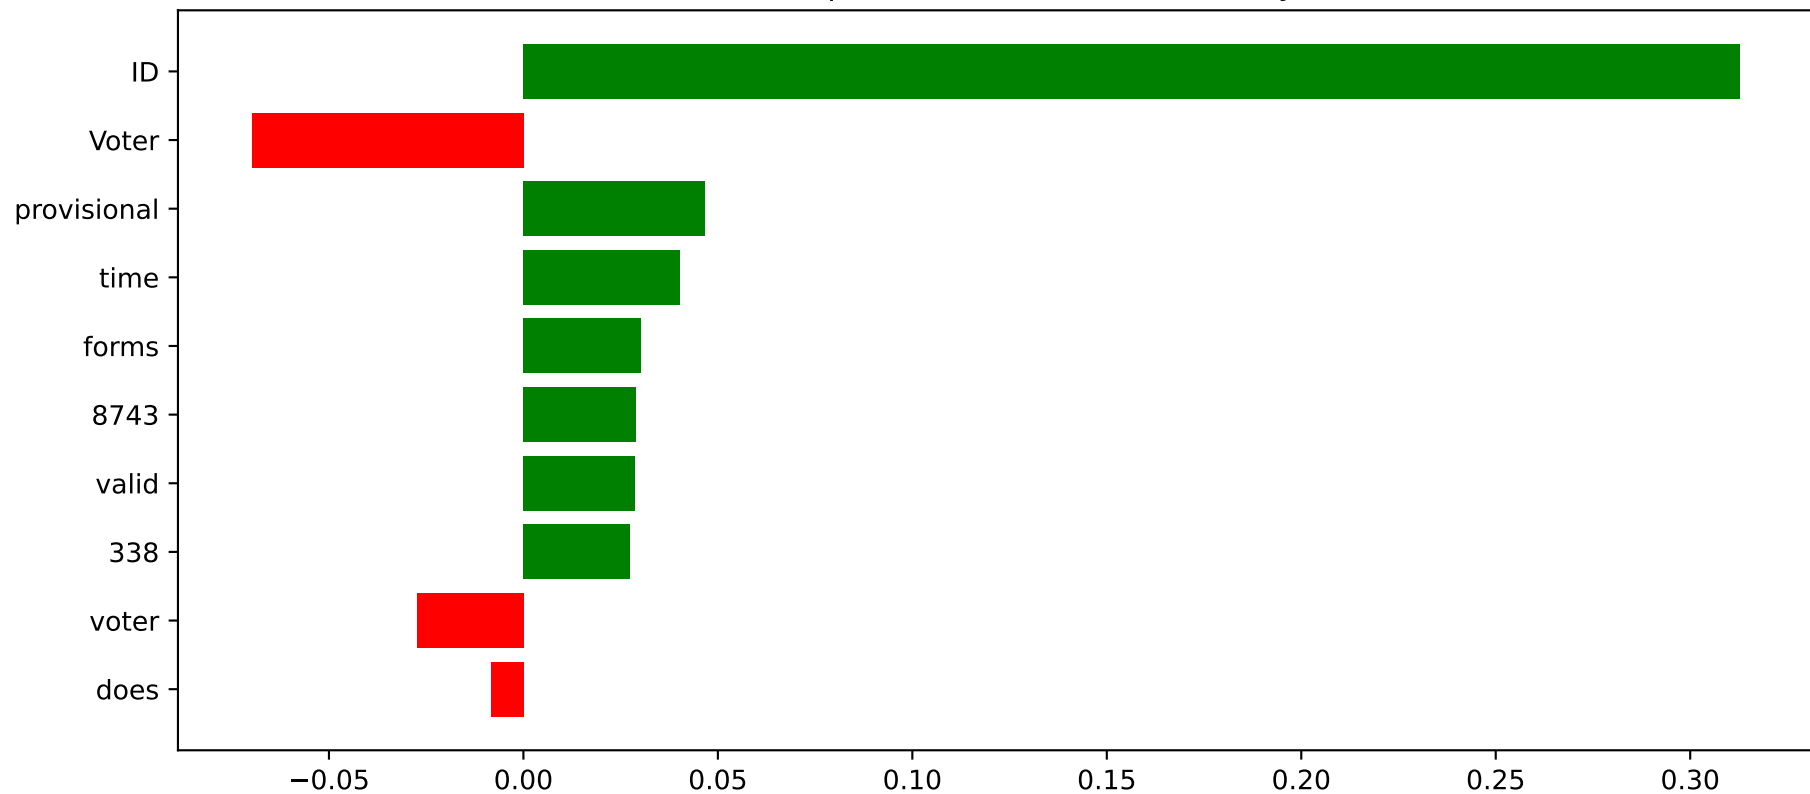

State: IA | True: primary | Predicted: primary | Correct: True

Local explanation for class primary

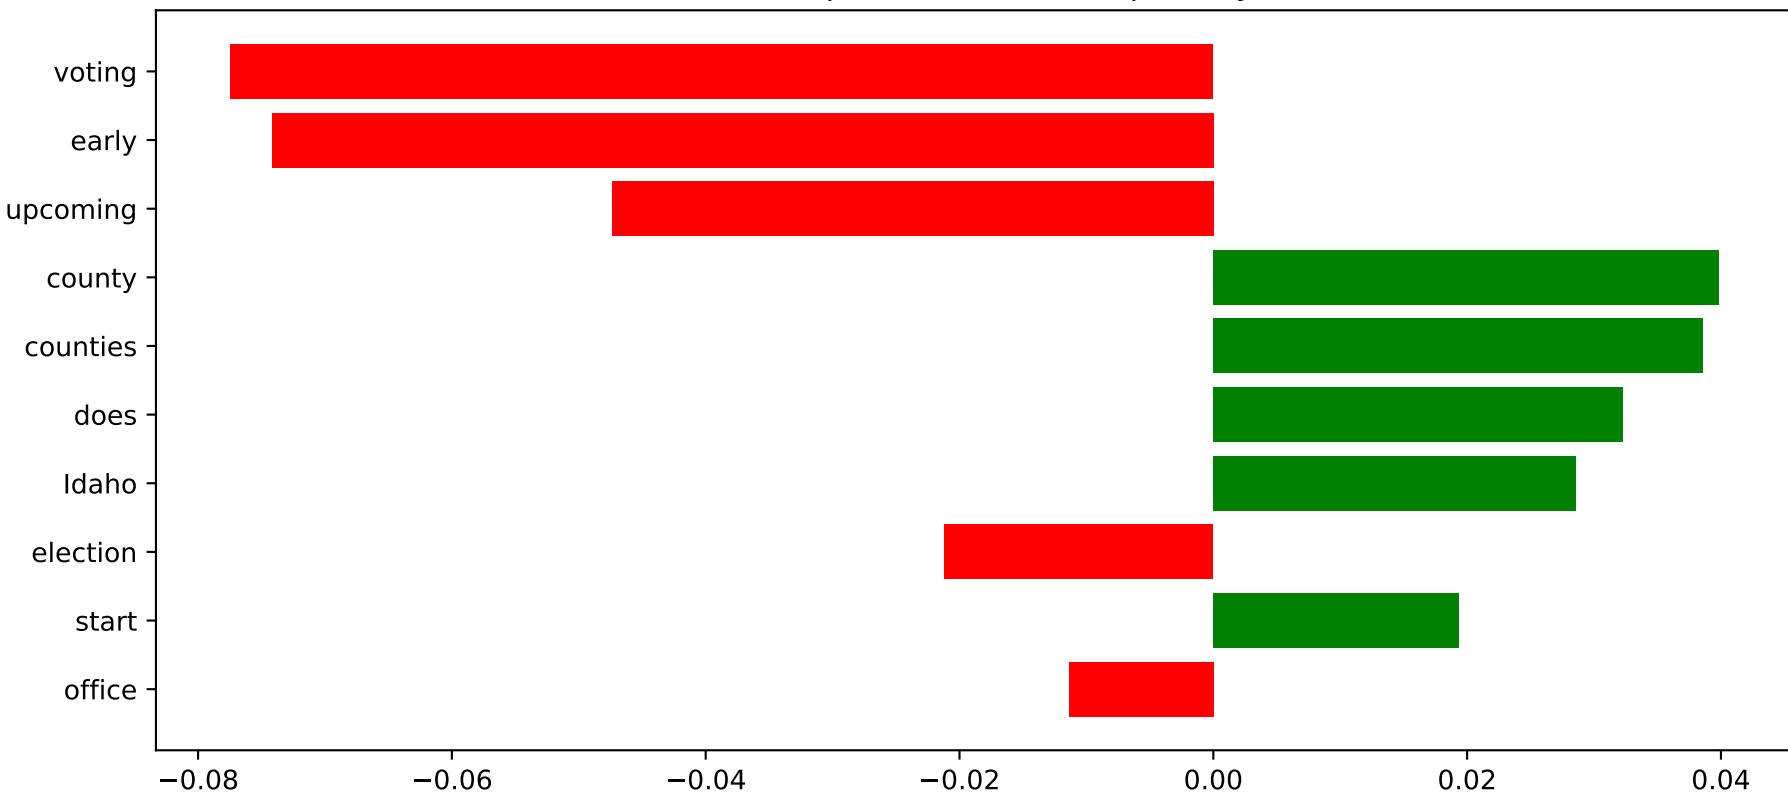

State: IA | True: secondary | Predicted: secondary | Correct: True

Local explanation for class secondary

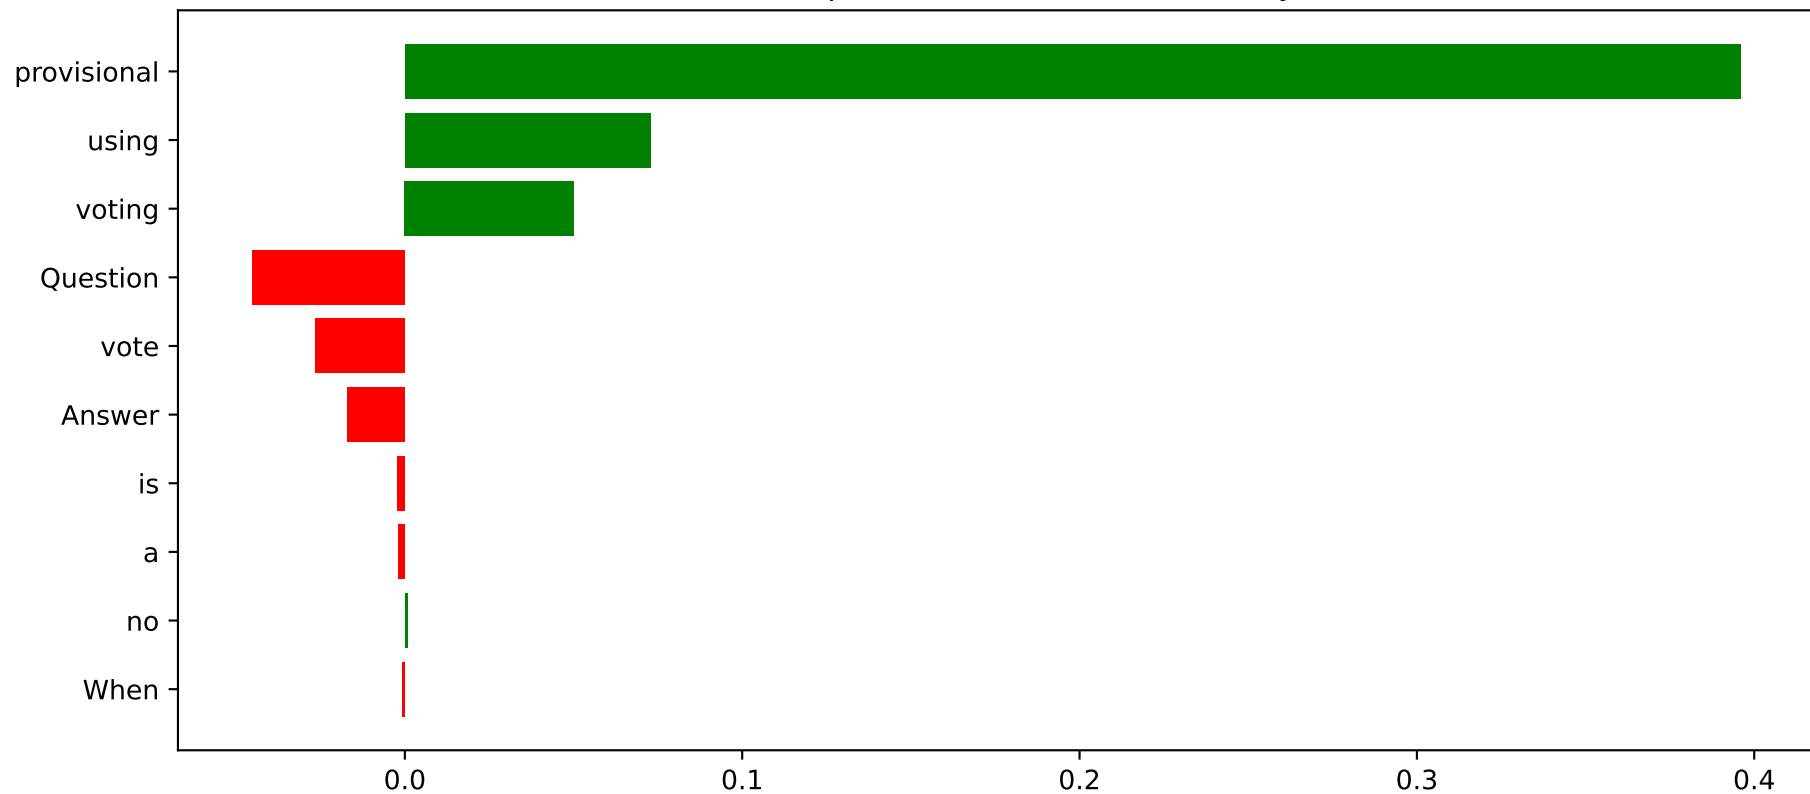

State: ID | True: primary | Predicted: primary | Correct: True

Local explanation for class primary

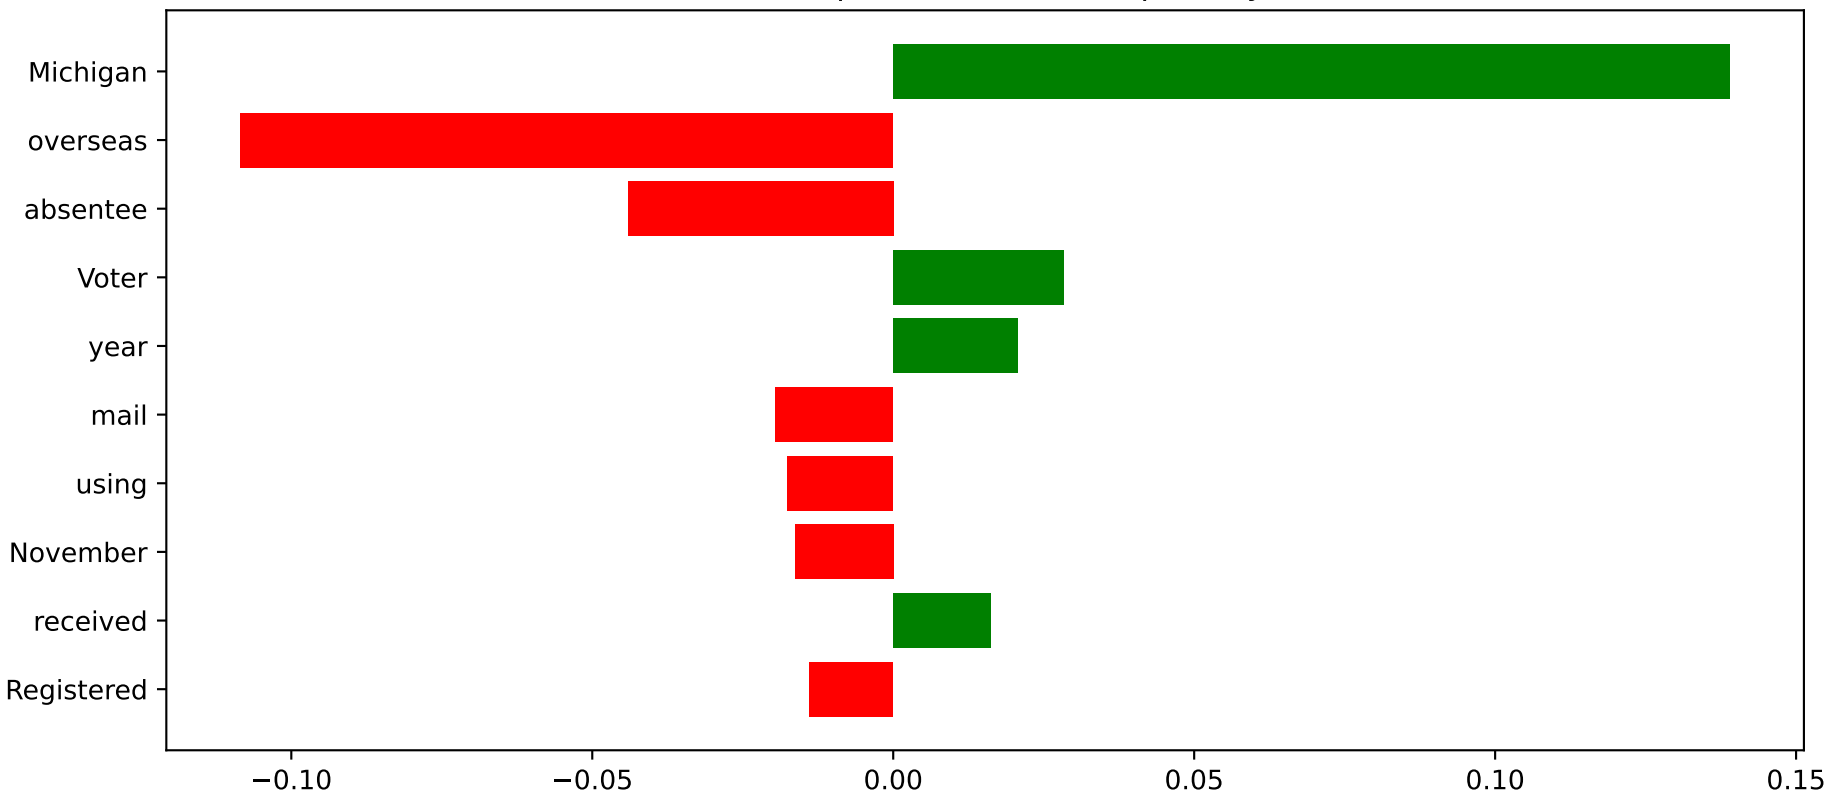

State: ID | True: secondary | Predicted: secondary | Correct: True

Local explanation for class secondary

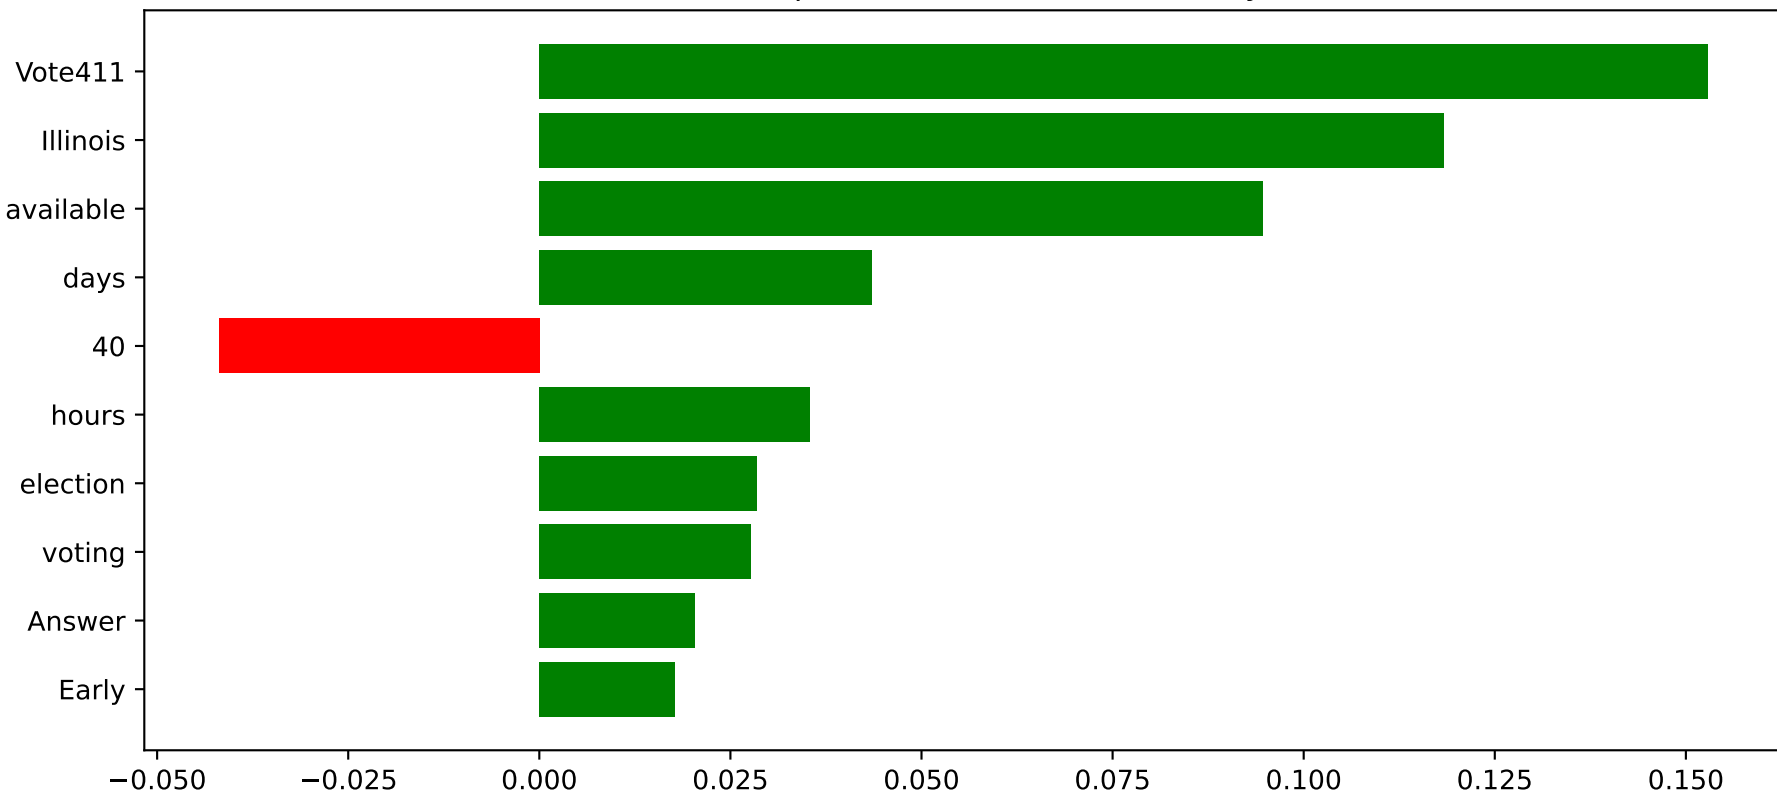

State: IL | True: primary | Predicted: primary | Correct: True

Local explanation for class primary

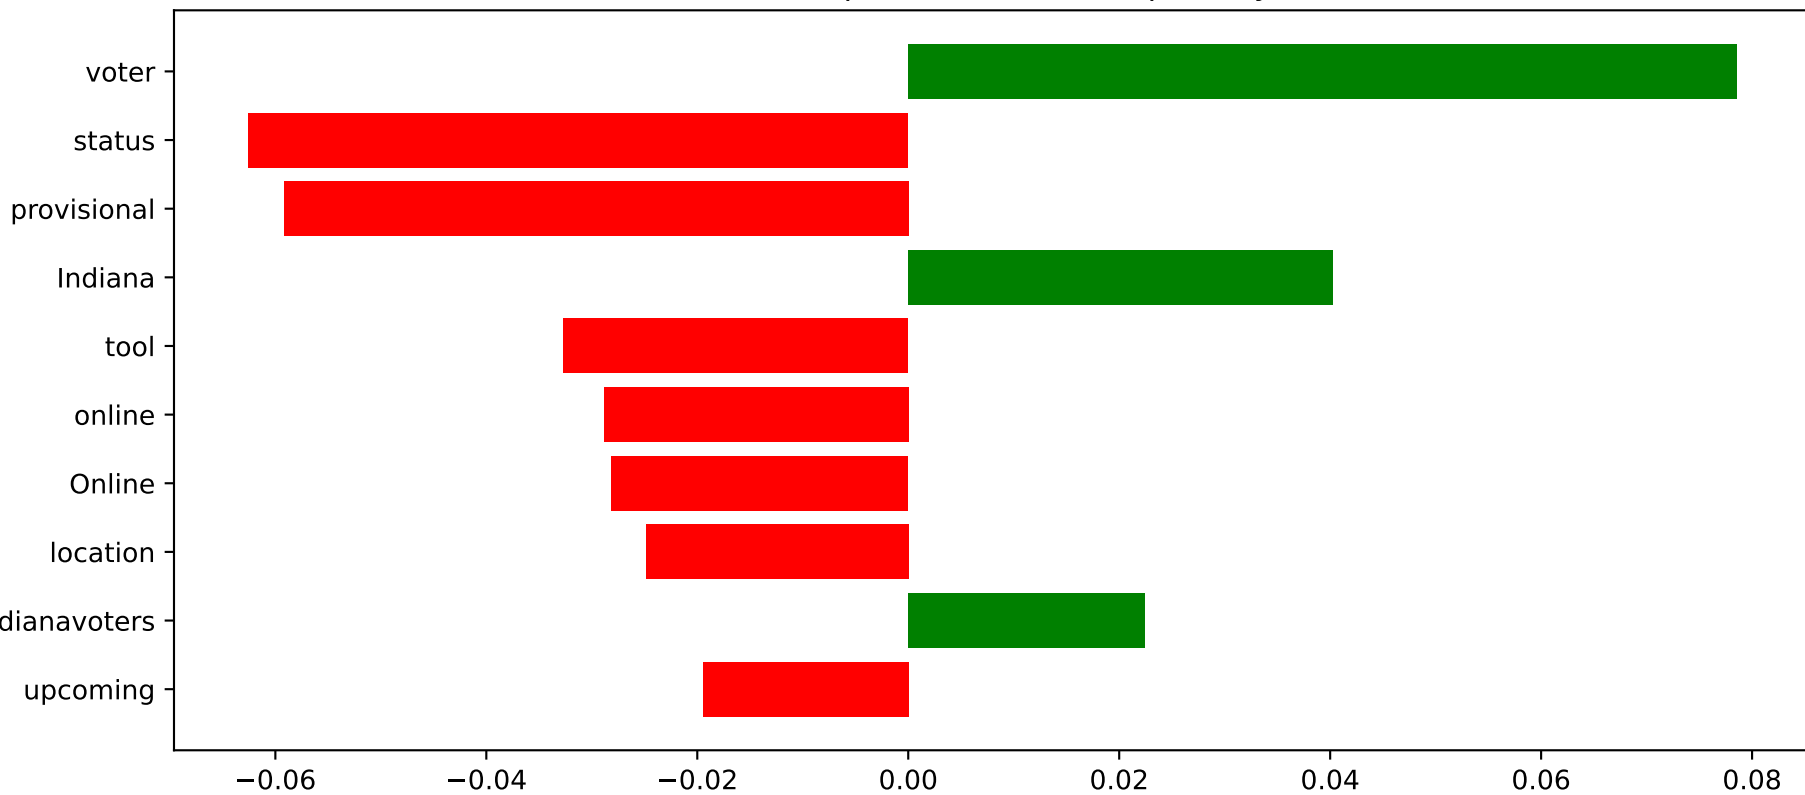

State: IL | True: secondary | Predicted: secondary | Correct: True

Local explanation for class secondary

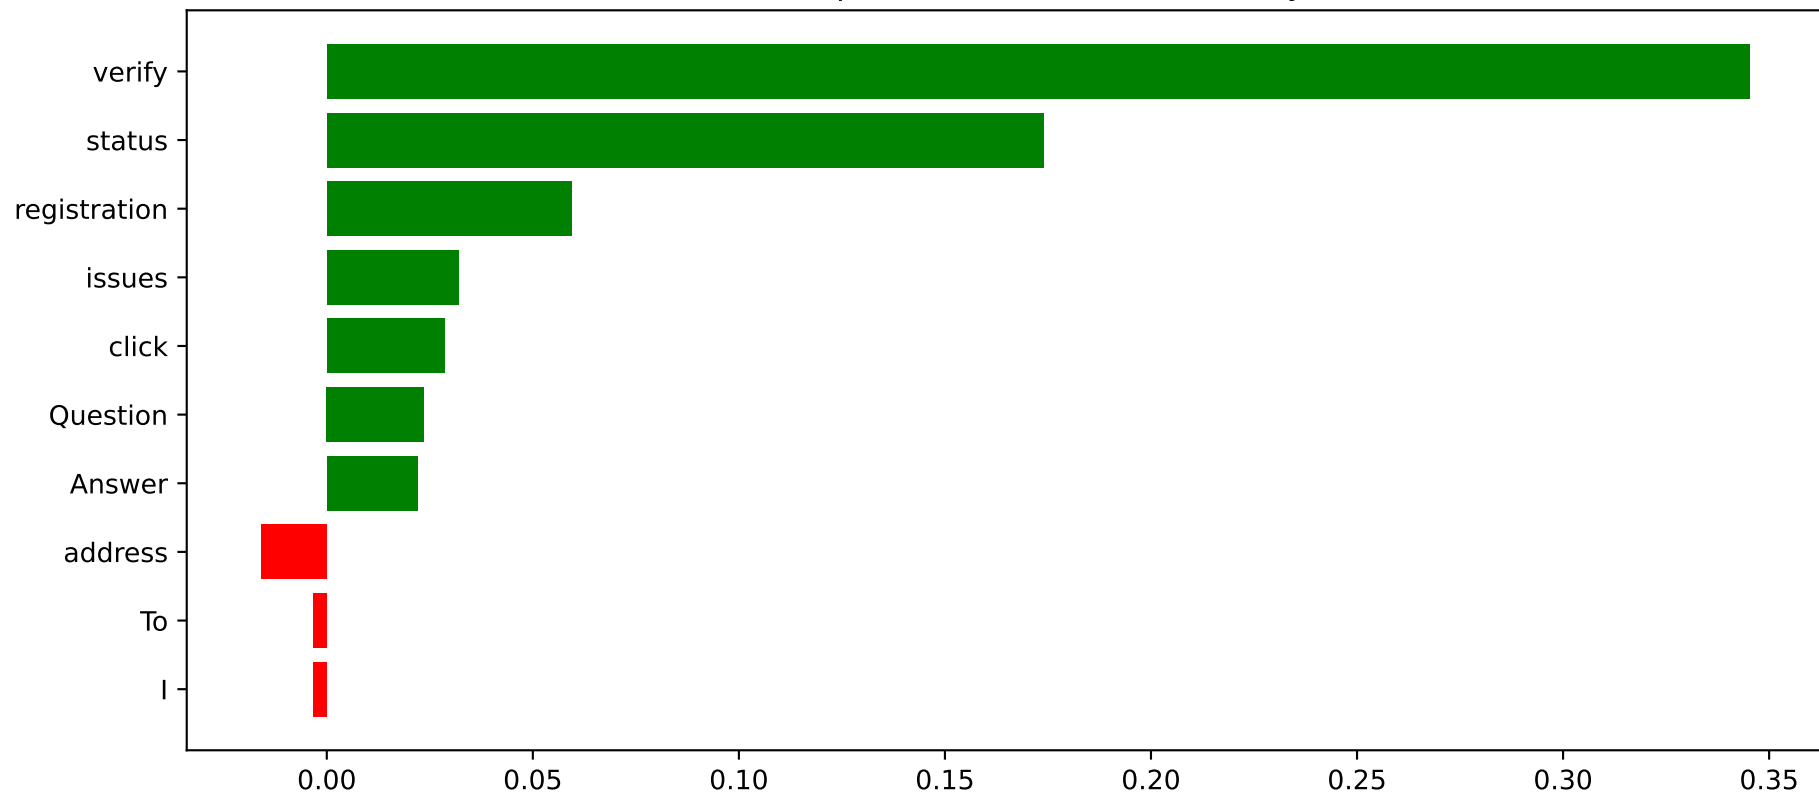

State: IN | True: primary | Predicted: primary | Correct: True

Local explanation for class primary

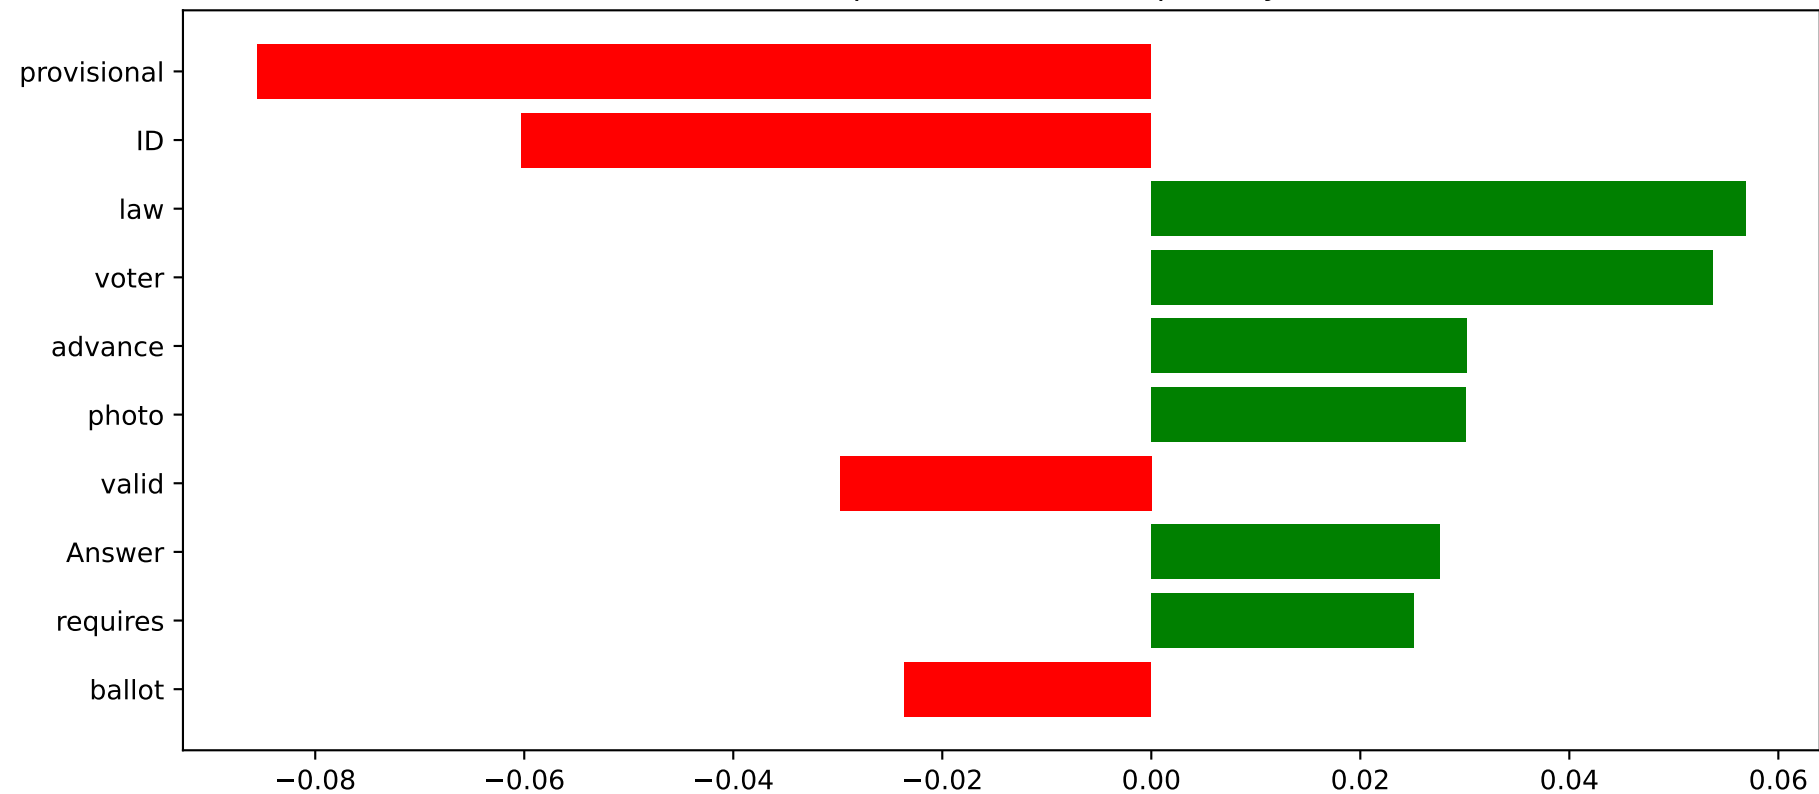

State: IN | True: secondary | Predicted: secondary | Correct: True

Local explanation for class secondary

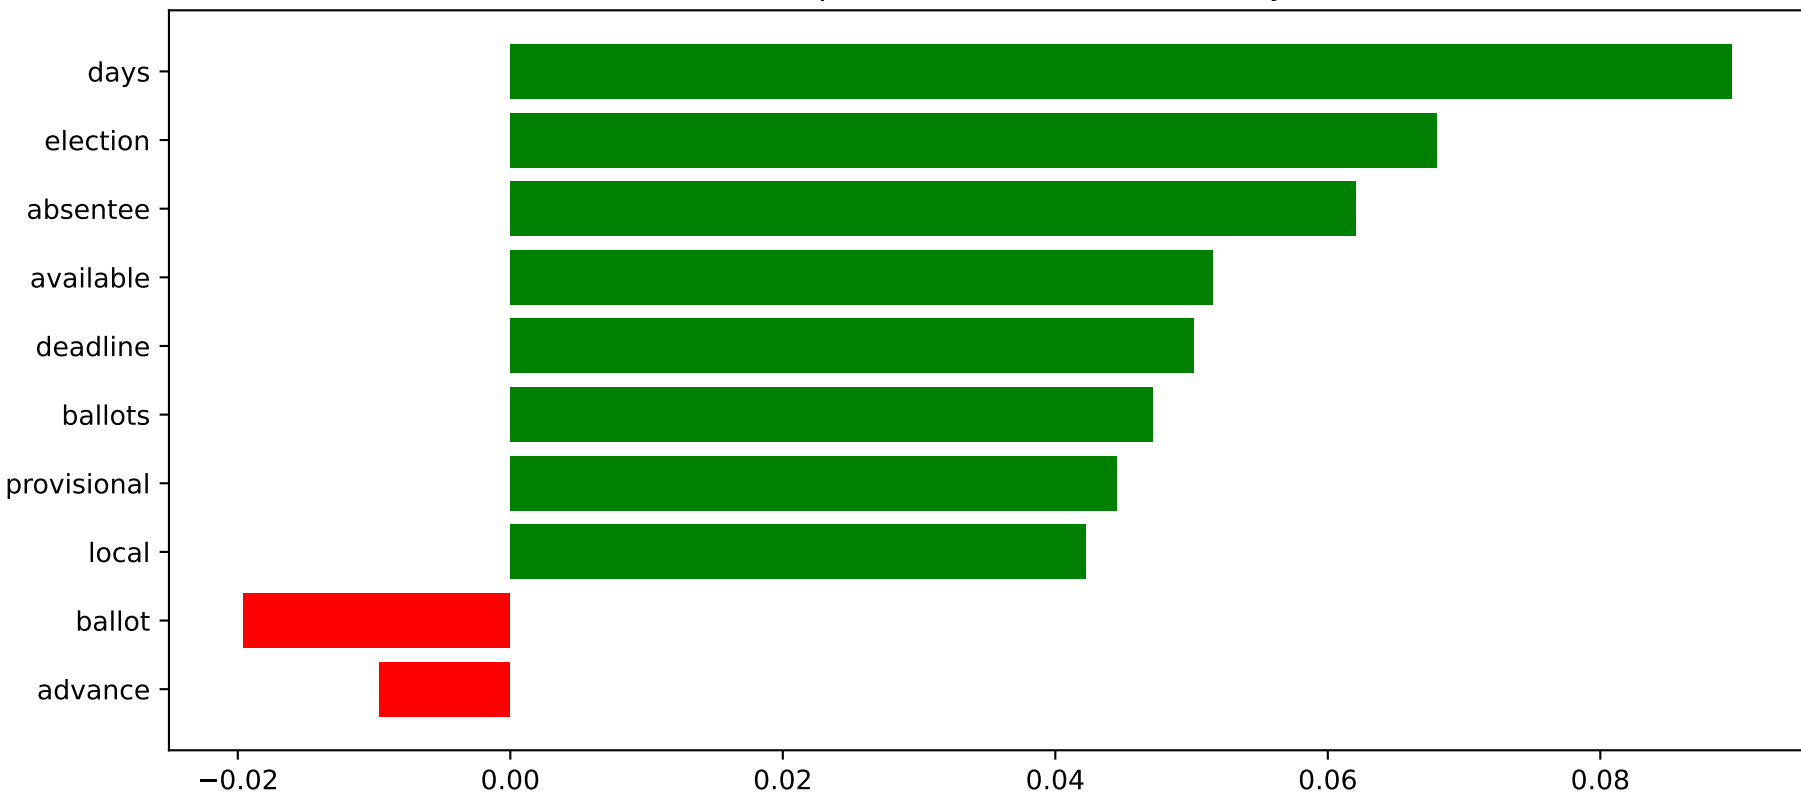

State: KS | True: primary | Predicted: primary | Correct: True

Local explanation for class primary

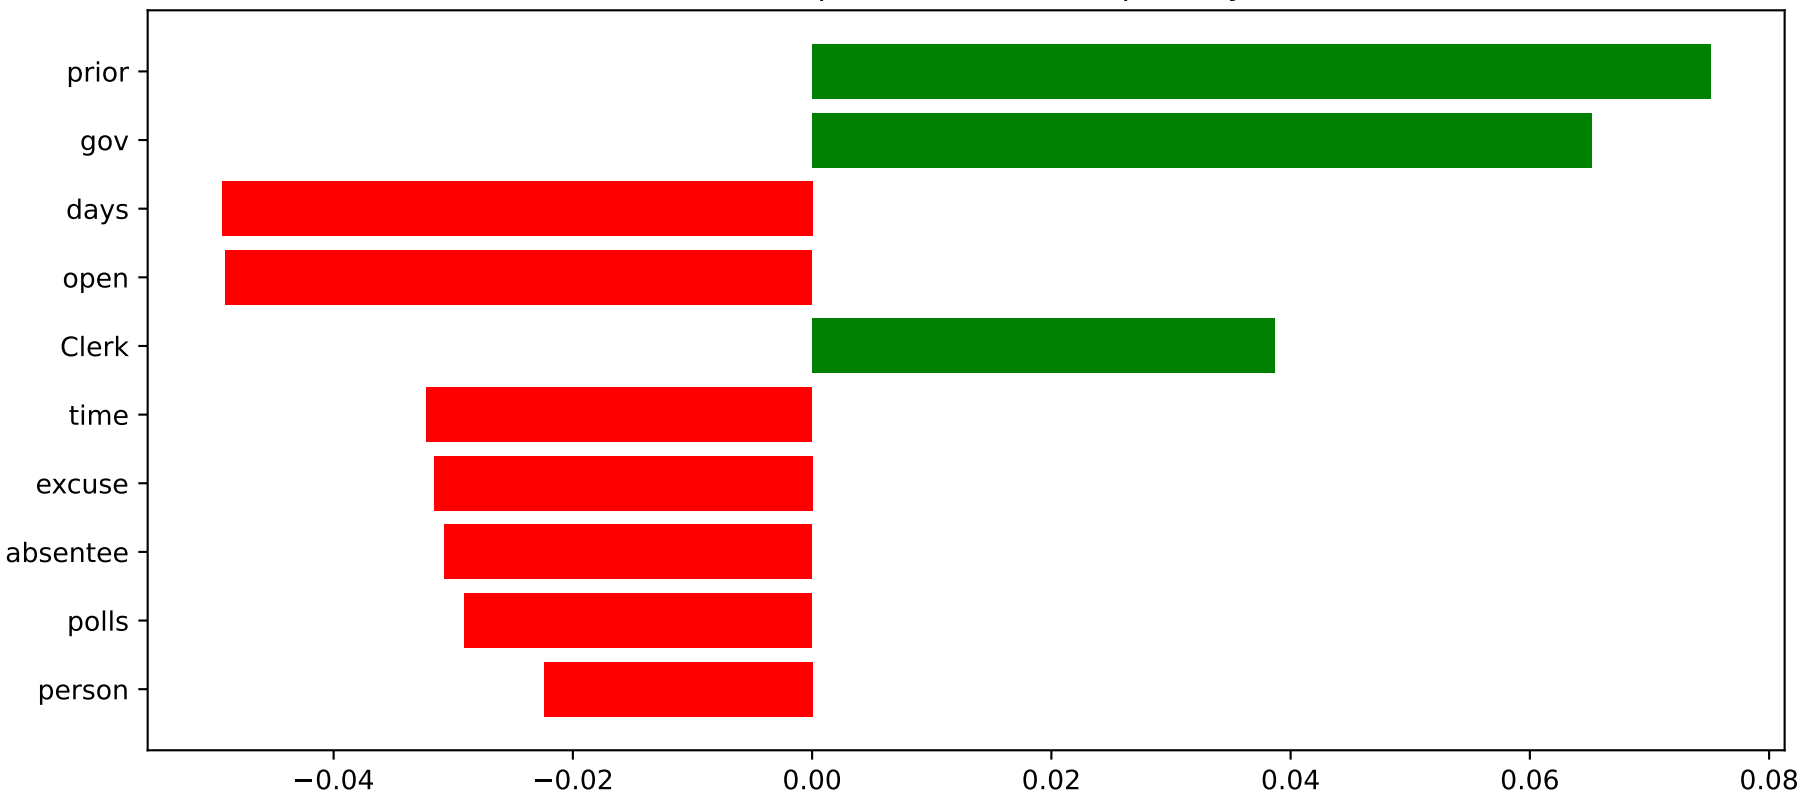

State: KS | True: secondary | Predicted: secondary | Correct: True

Local explanation for class secondary

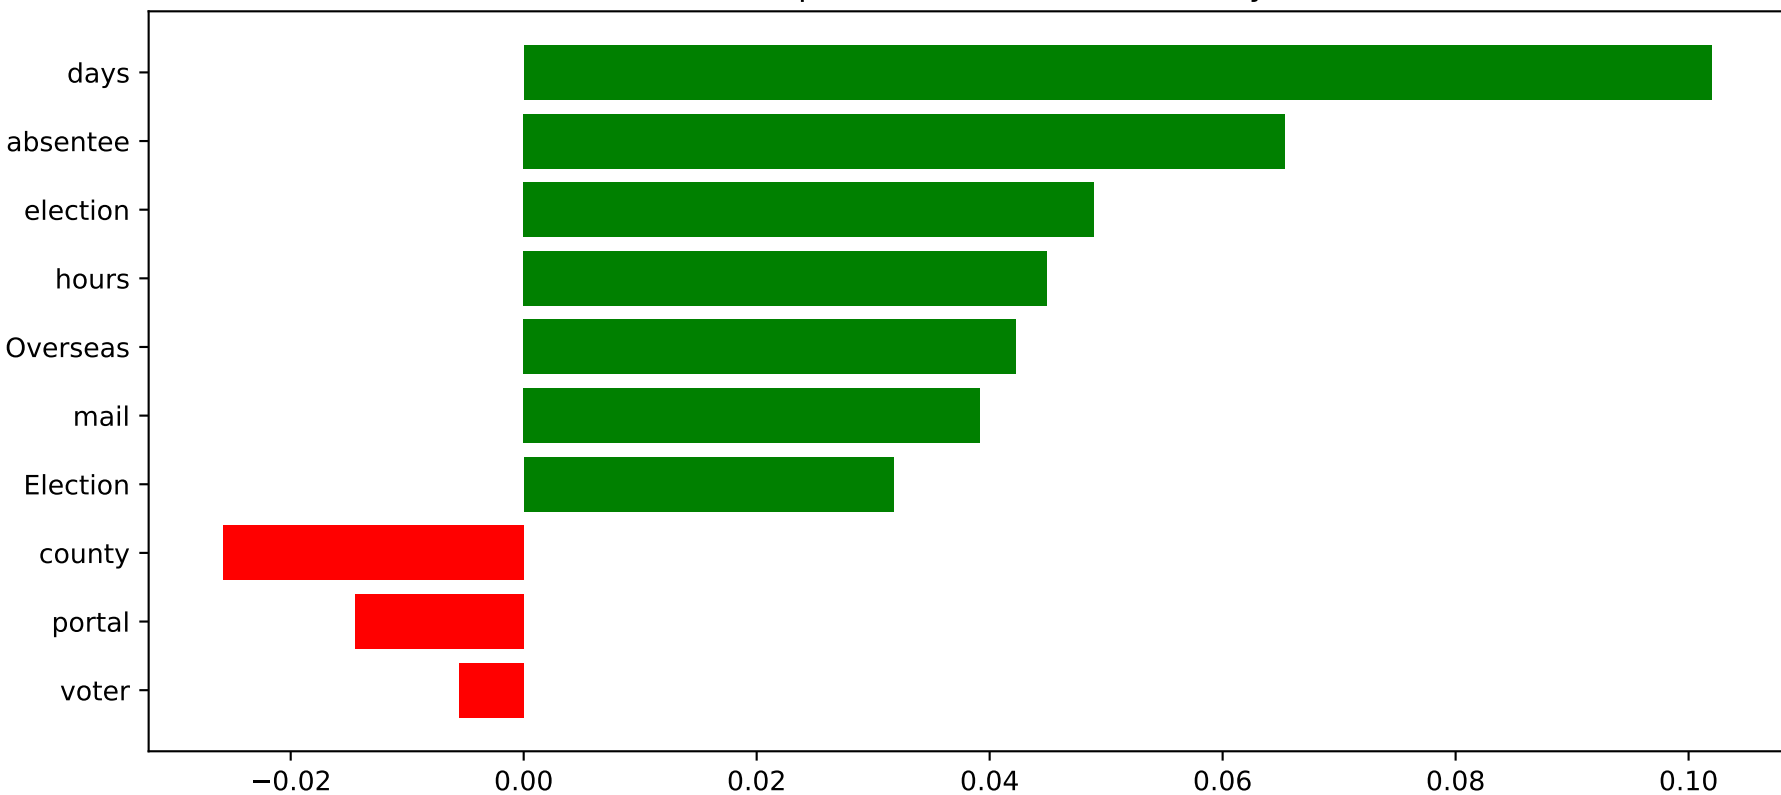

State: KY | True: primary | Predicted: primary | Correct: True

Local explanation for class primary

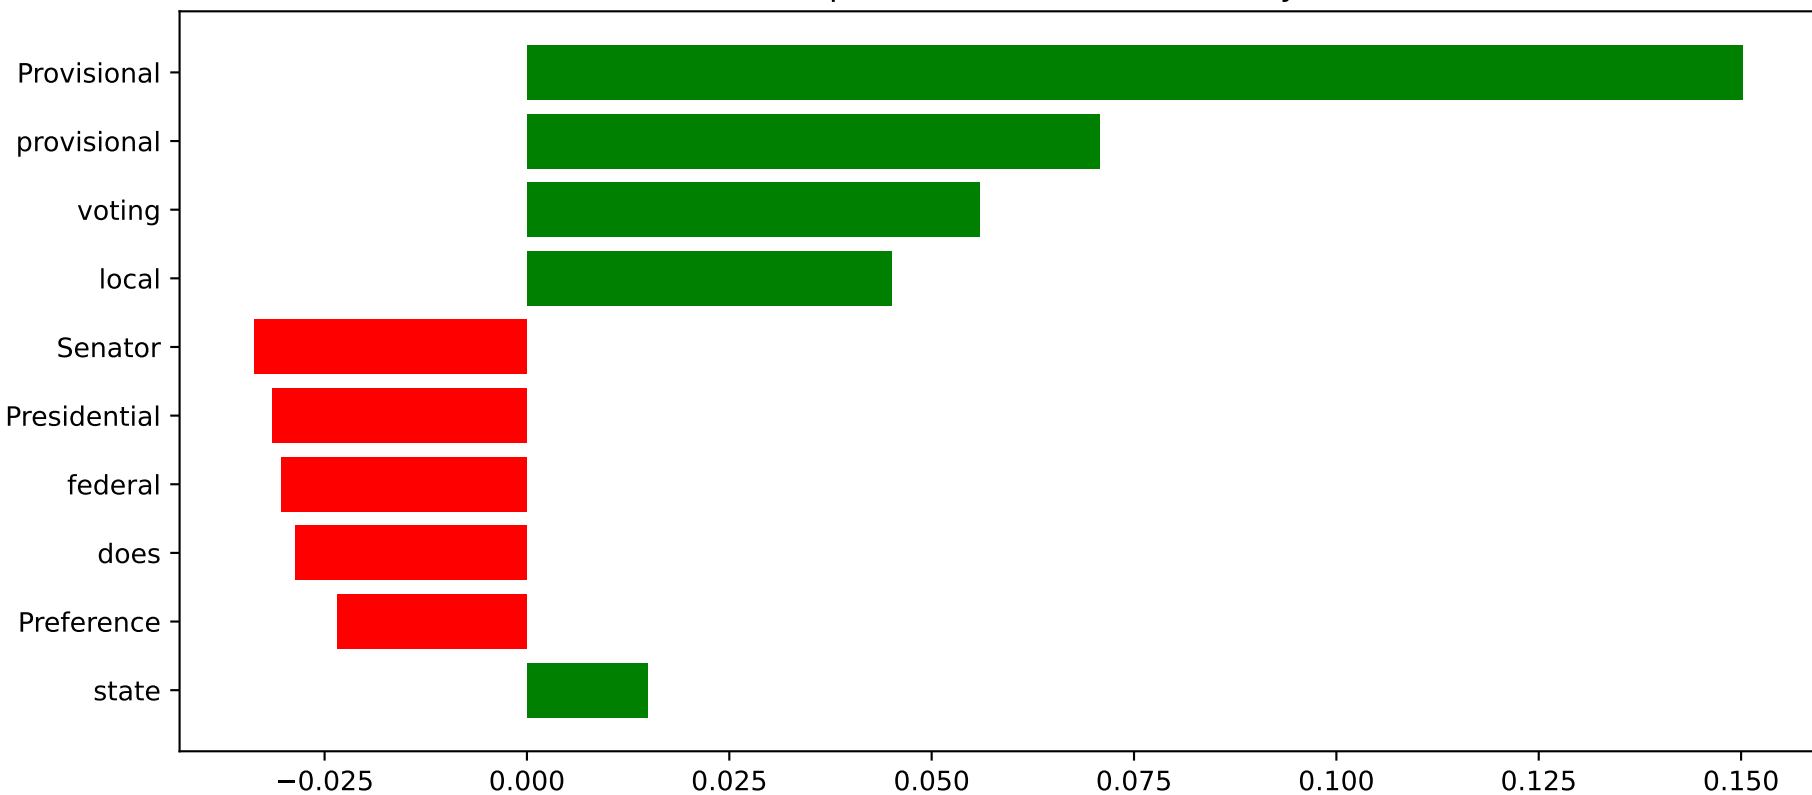

State: KY | True: secondary | Predicted: secondary | Correct: True

Local explanation for class secondary

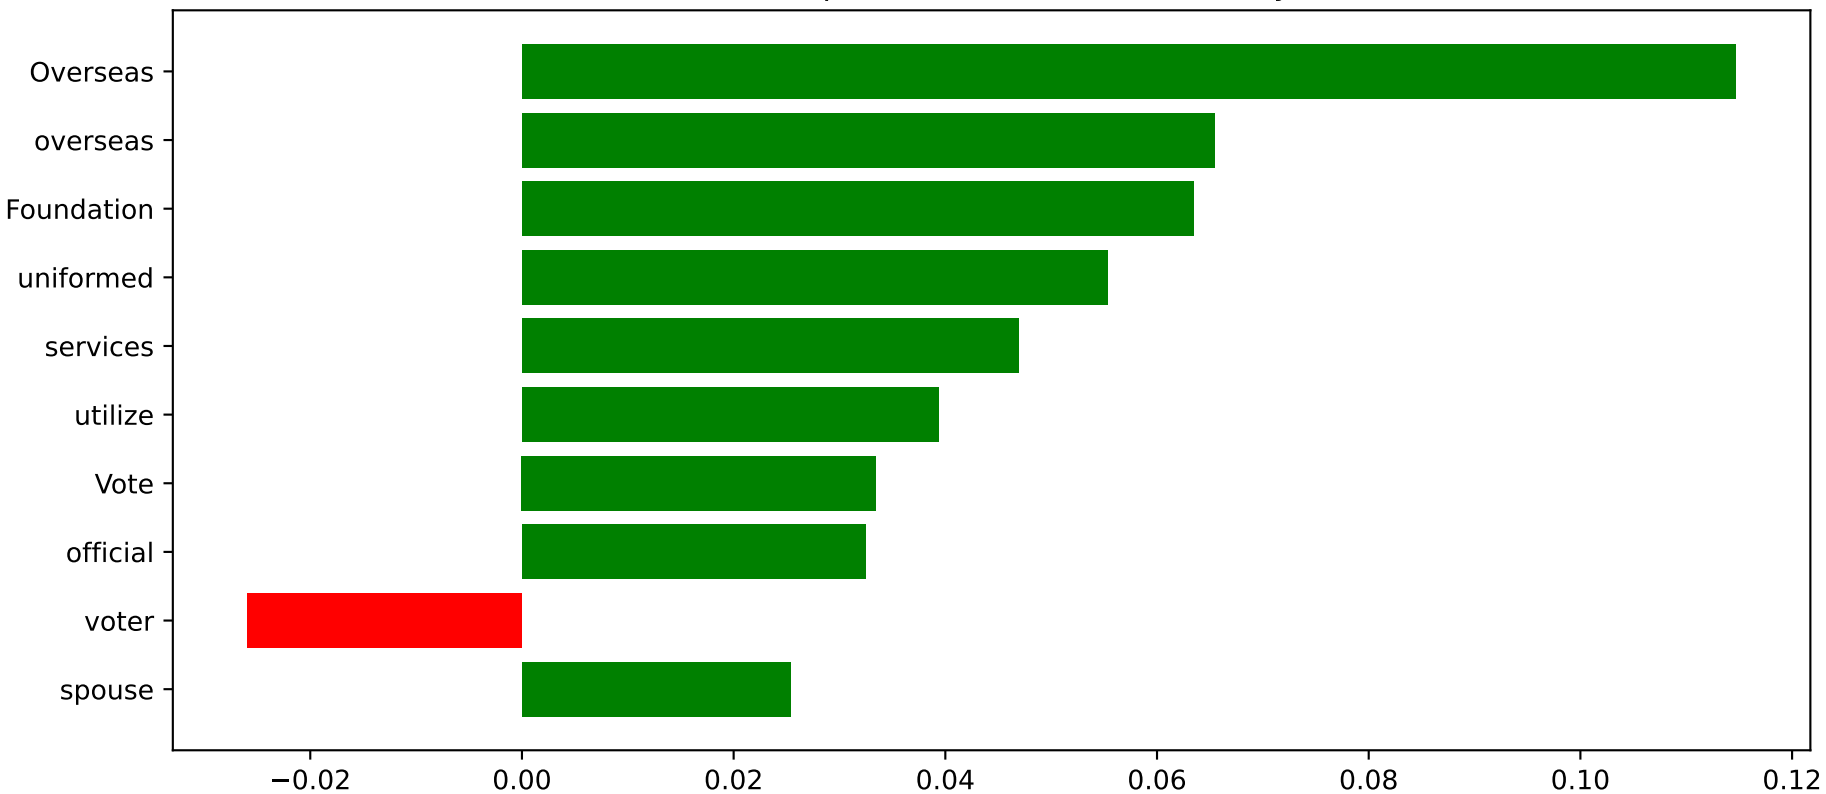

State: LA | True: primary | Predicted: secondary | Correct: False

Local explanation for class secondary

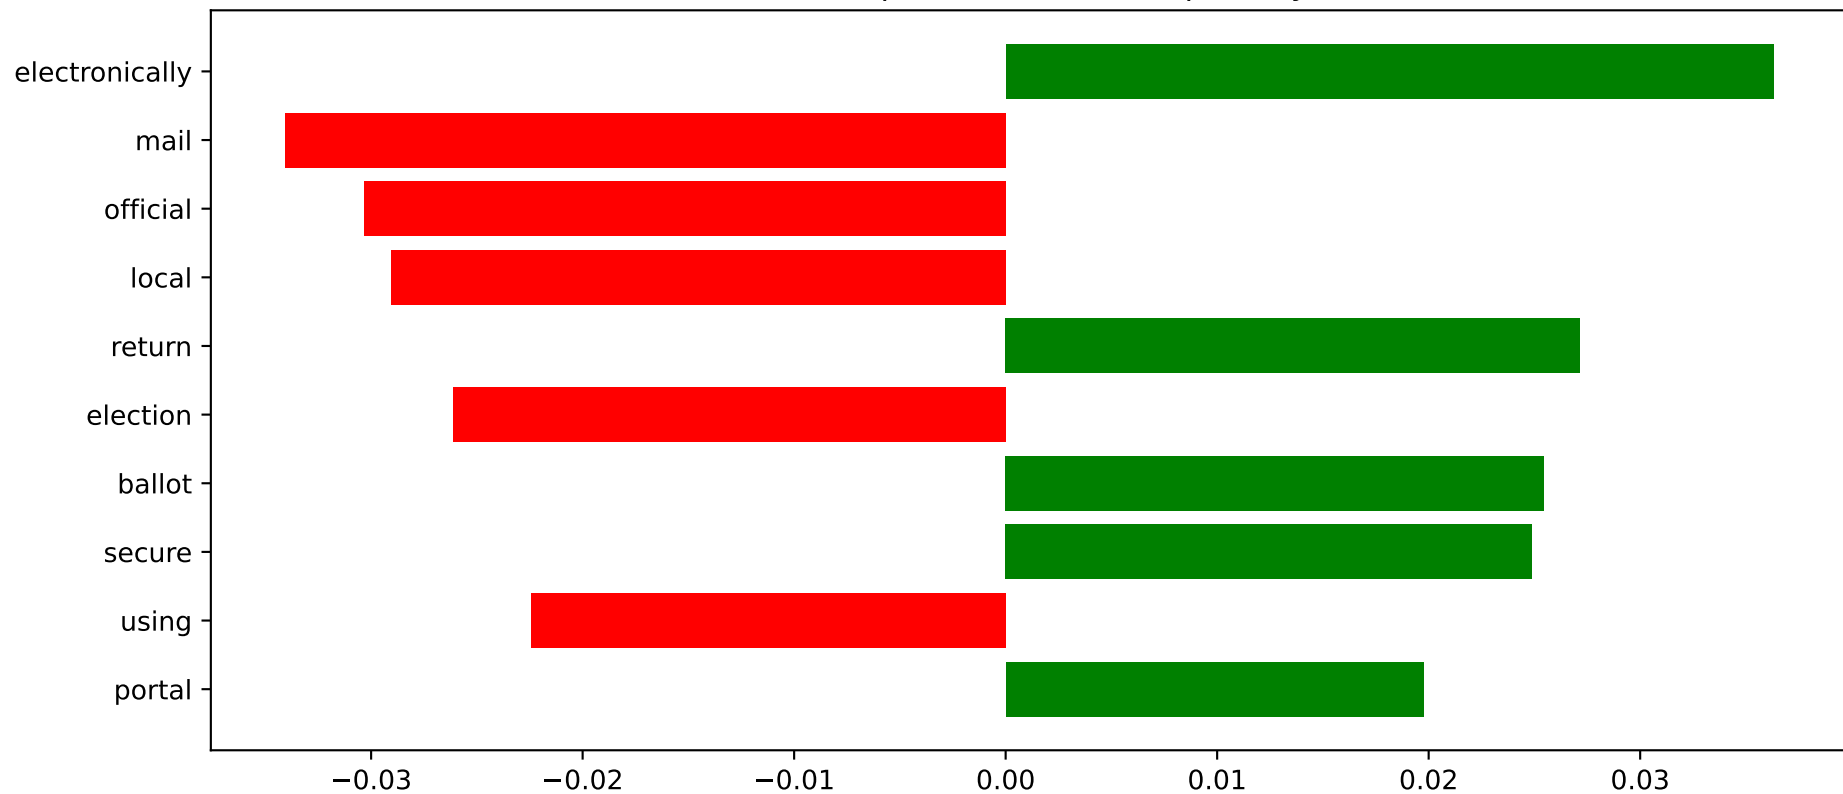

State: LA | True: secondary | Predicted: secondary | Correct: True

Local explanation for class secondary

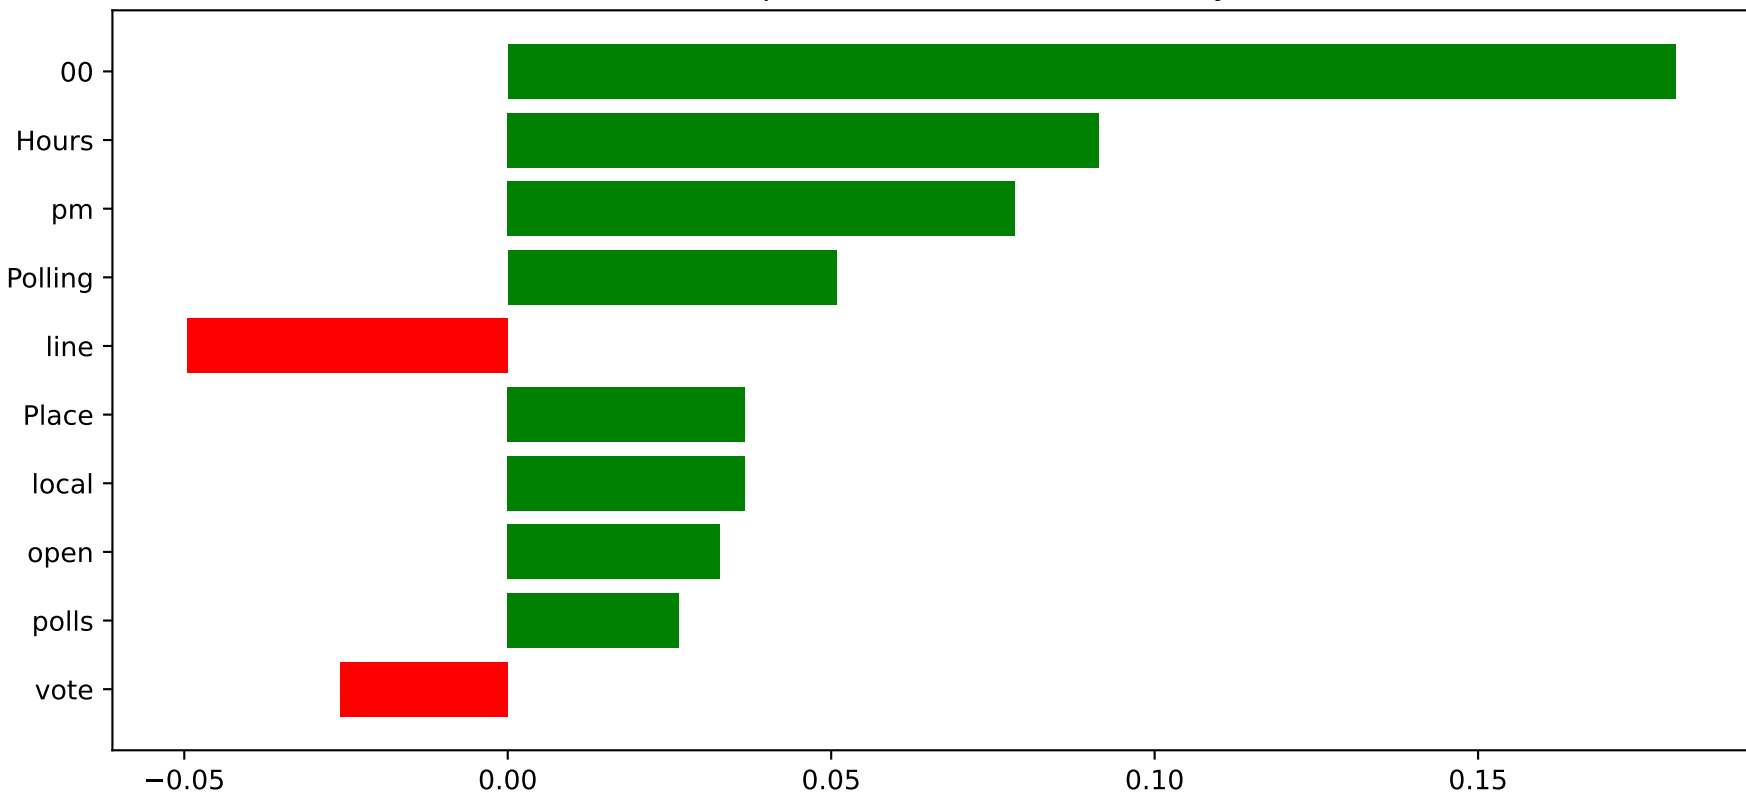

State: MA | True: primary | Predicted: primary | Correct: True

Local explanation for class primary

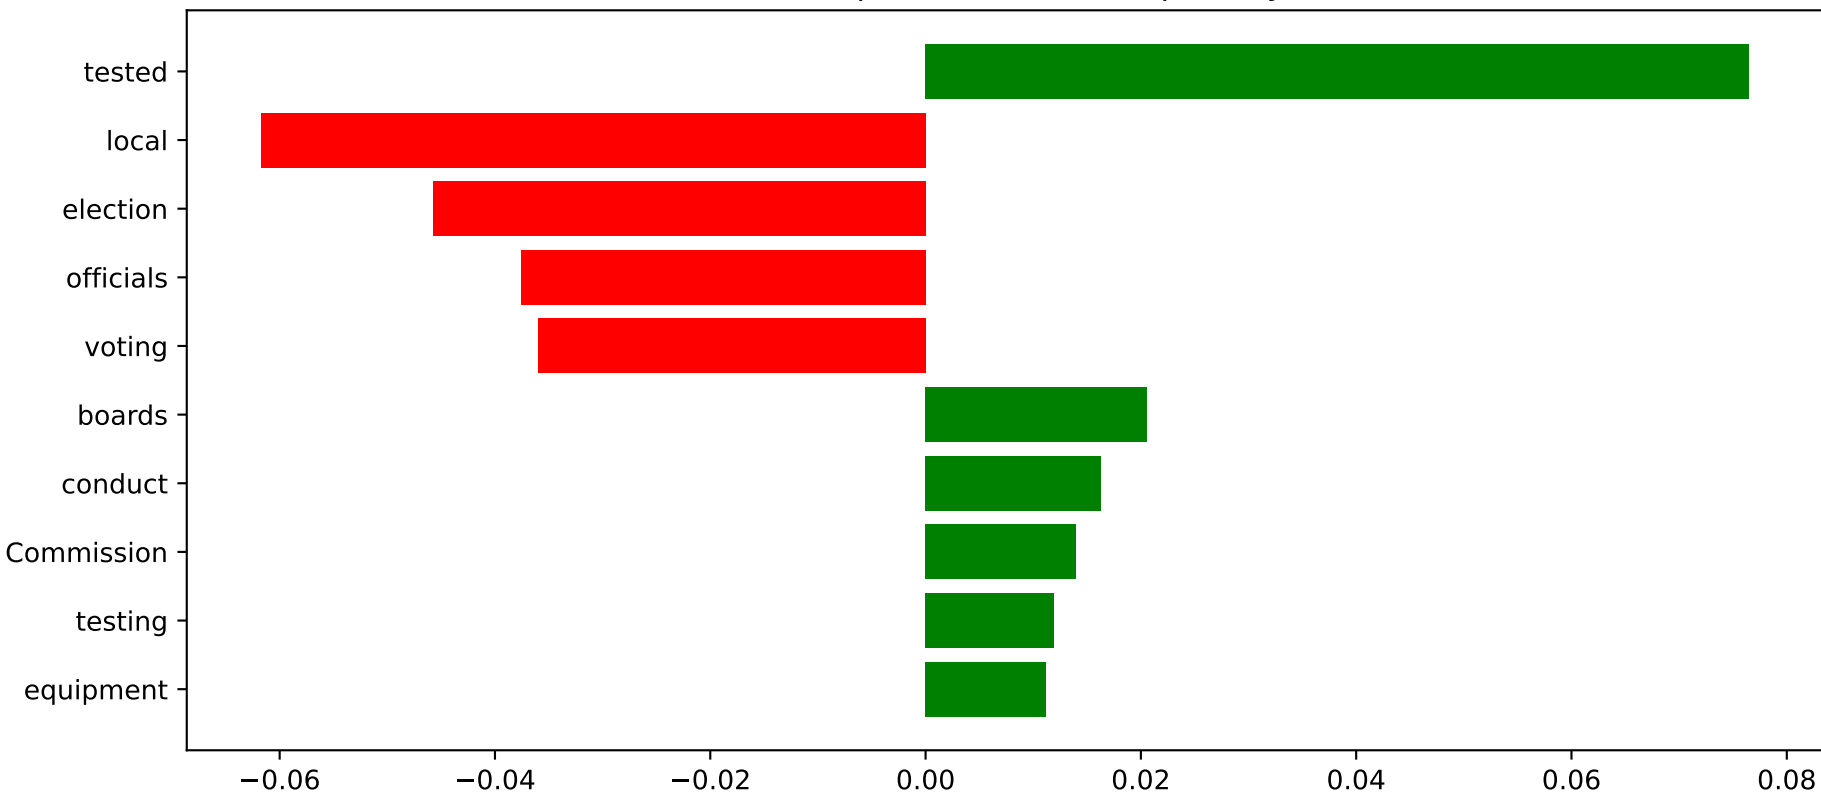

State: MA | True: secondary | Predicted: secondary | Correct: True

Local explanation for class secondary

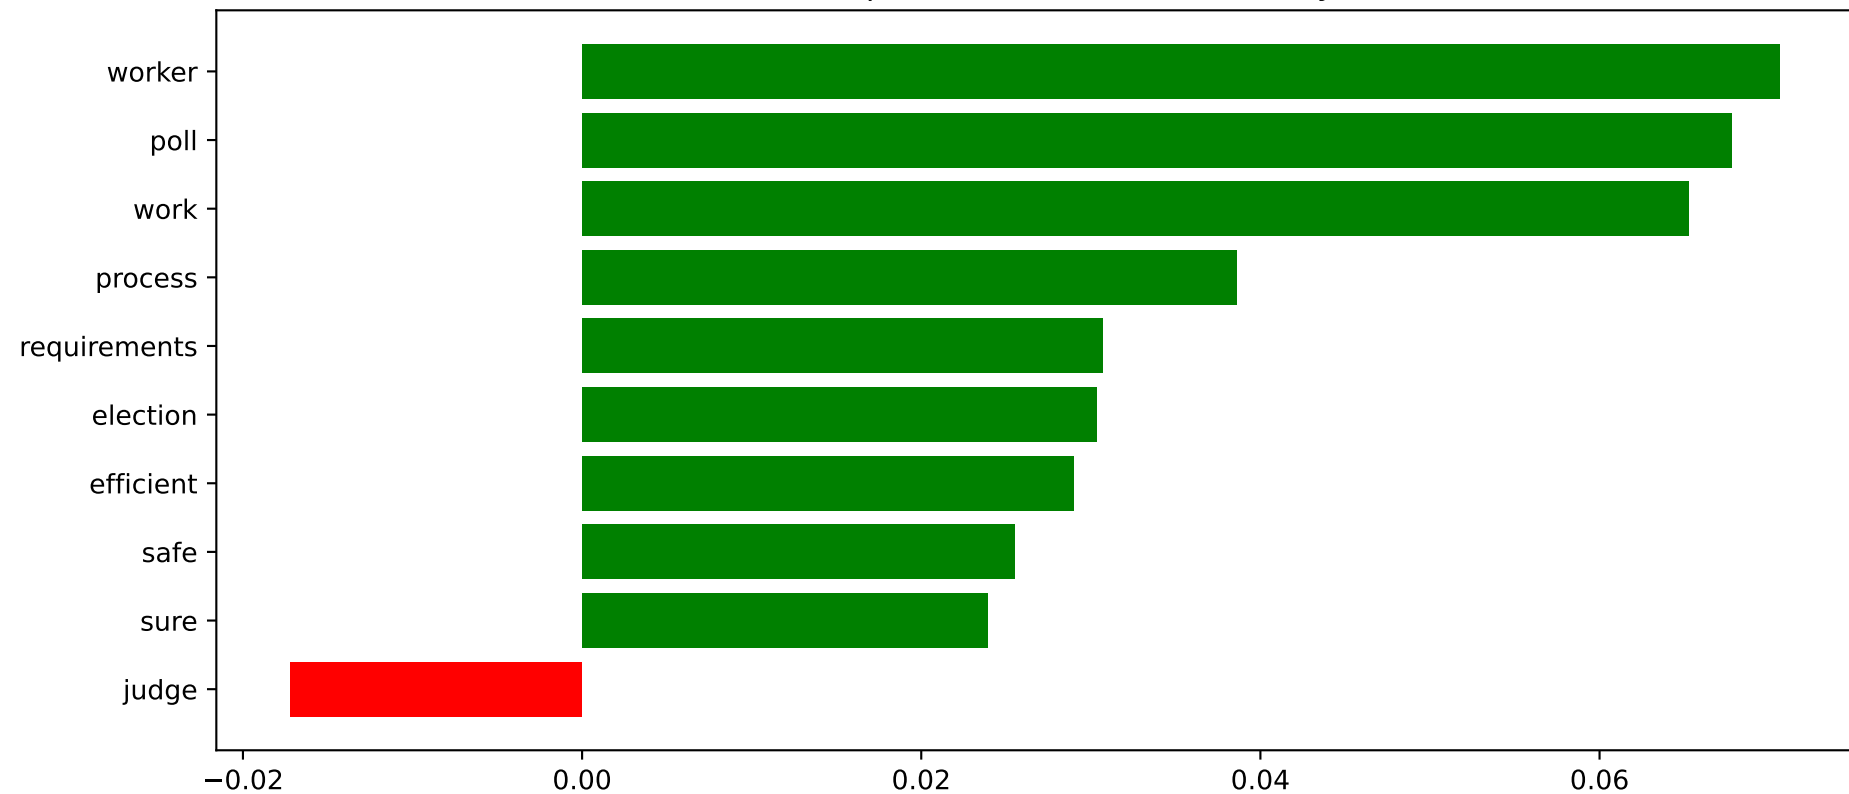

State: MD | True: primary | Predicted: primary | Correct: True

Local explanation for class primary

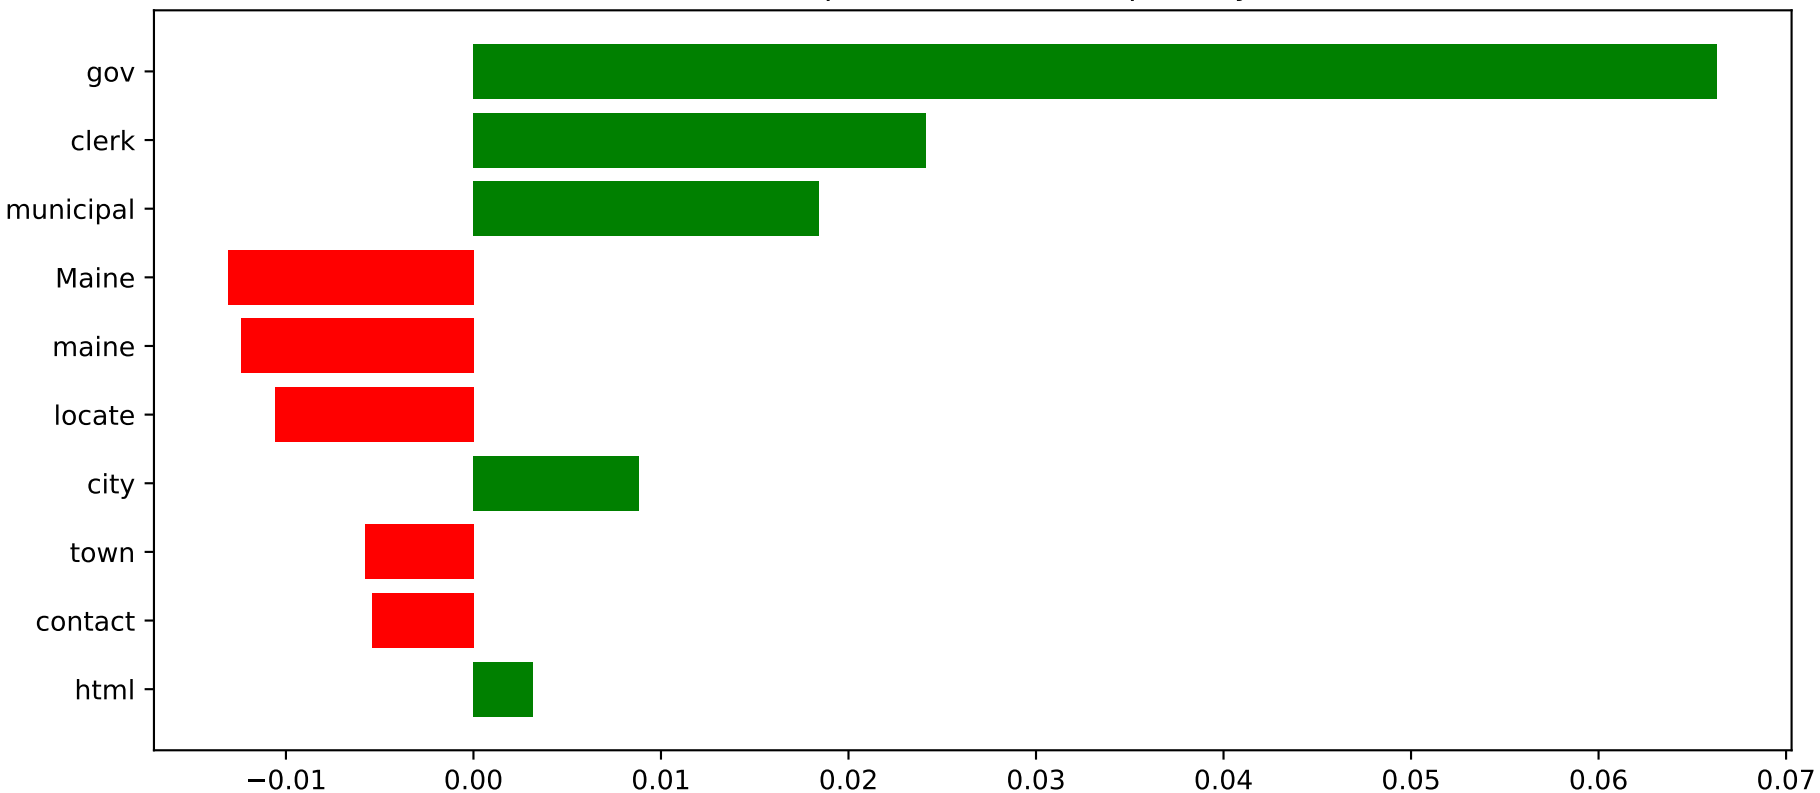

State: MD | True: secondary | Predicted: secondary | Correct: True

Local explanation for class secondary

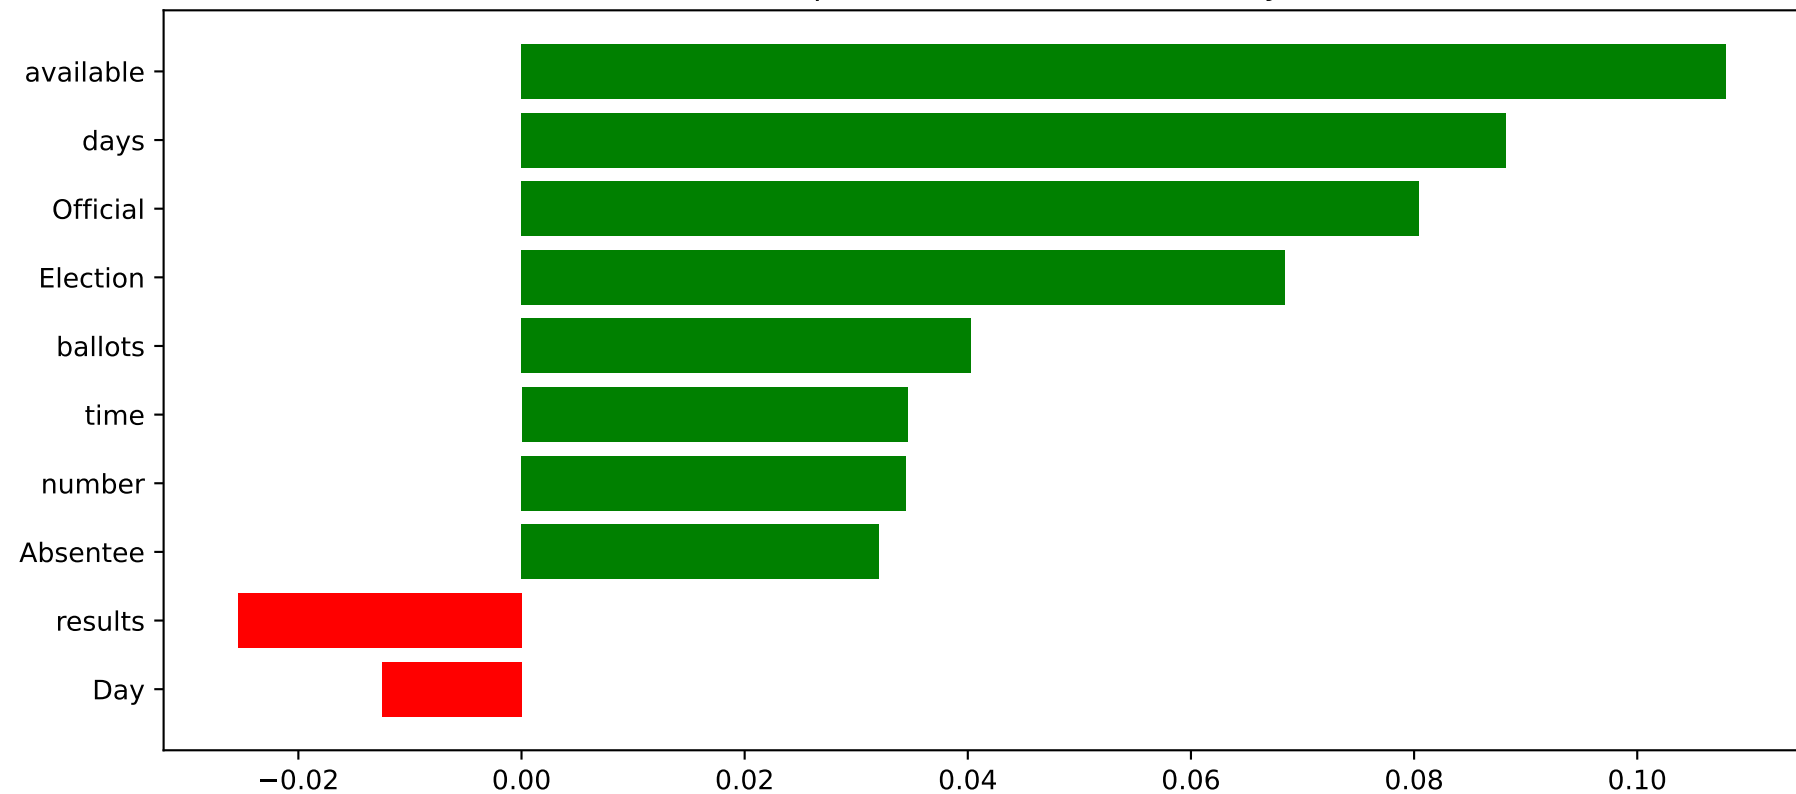

State: ME | True: primary | Predicted: primary | Correct: True

Local explanation for class primary

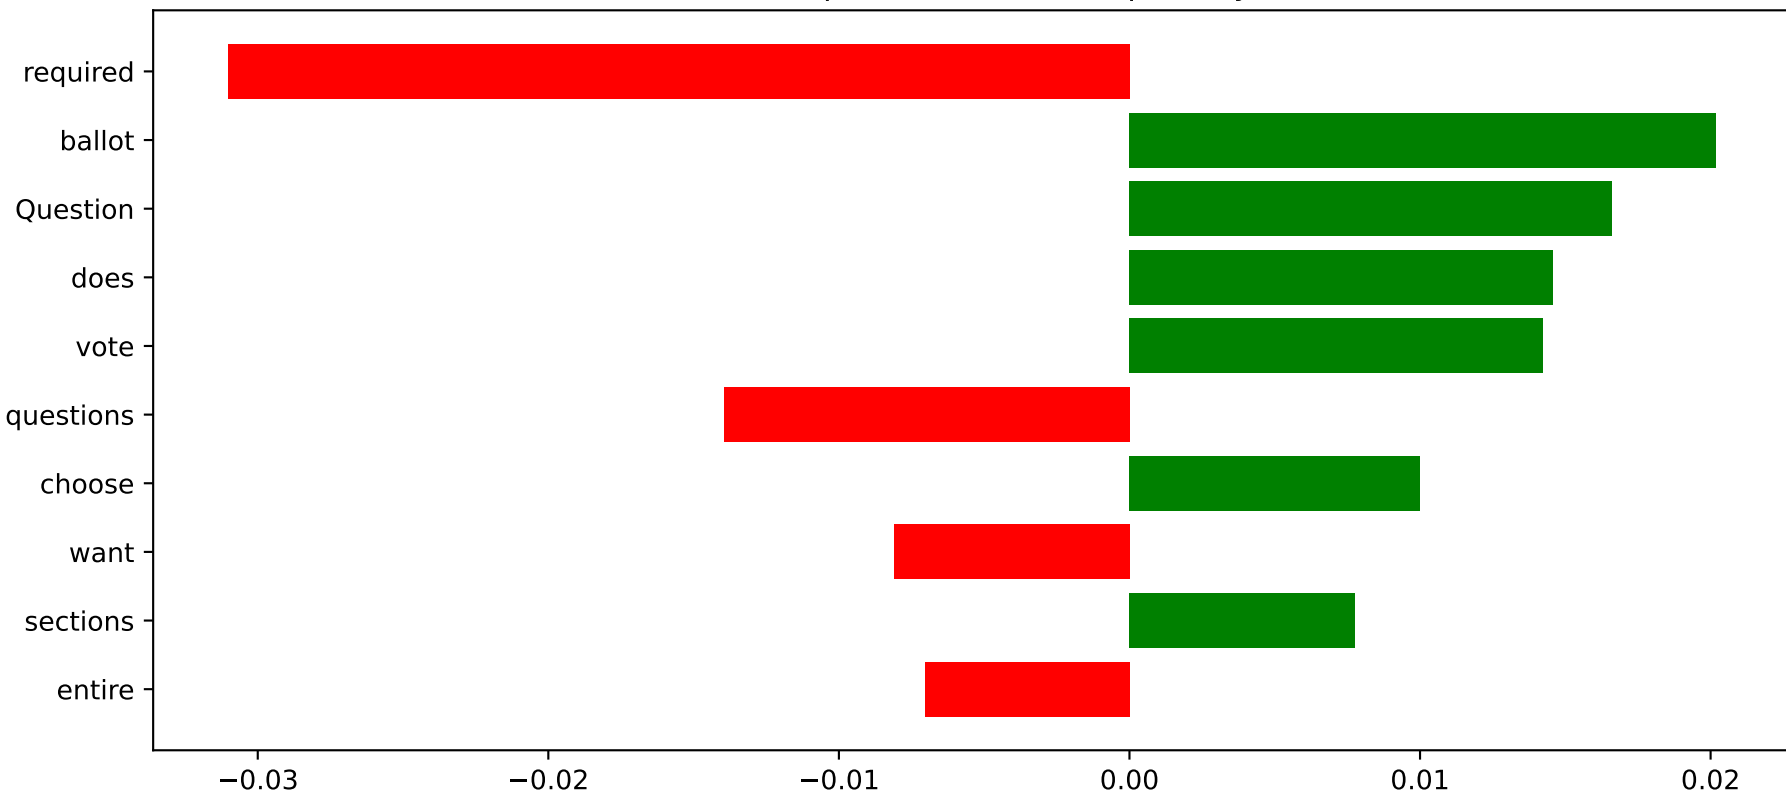

State: ME | True: secondary | Predicted: secondary | Correct: True

Local explanation for class secondary

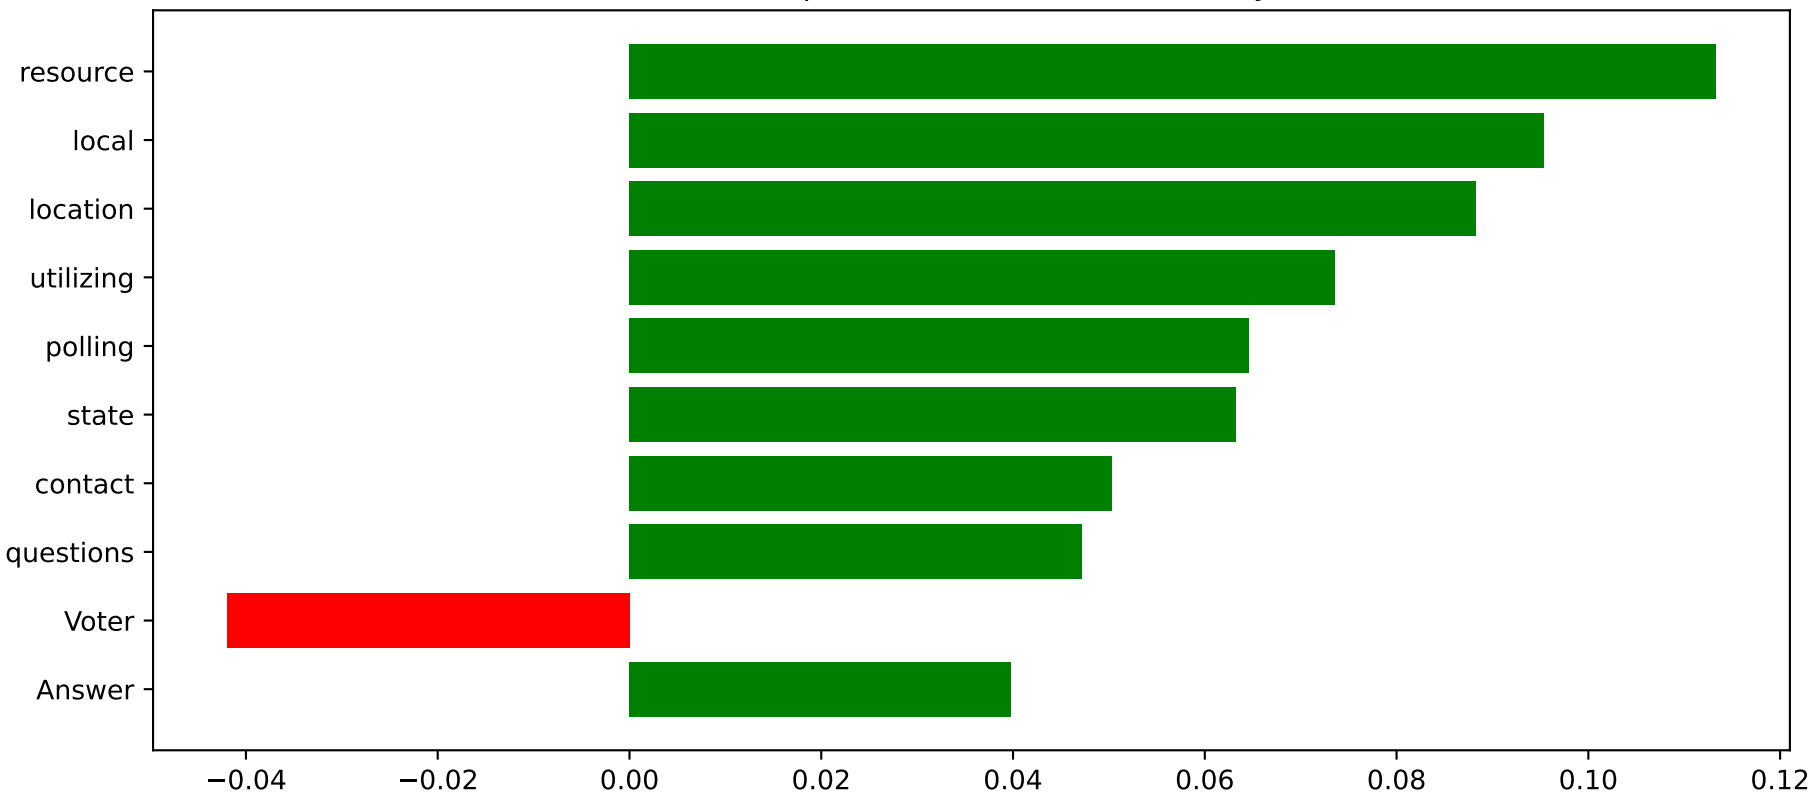

State: MI | True: primary | Predicted: primary | Correct: True

Local explanation for class primary

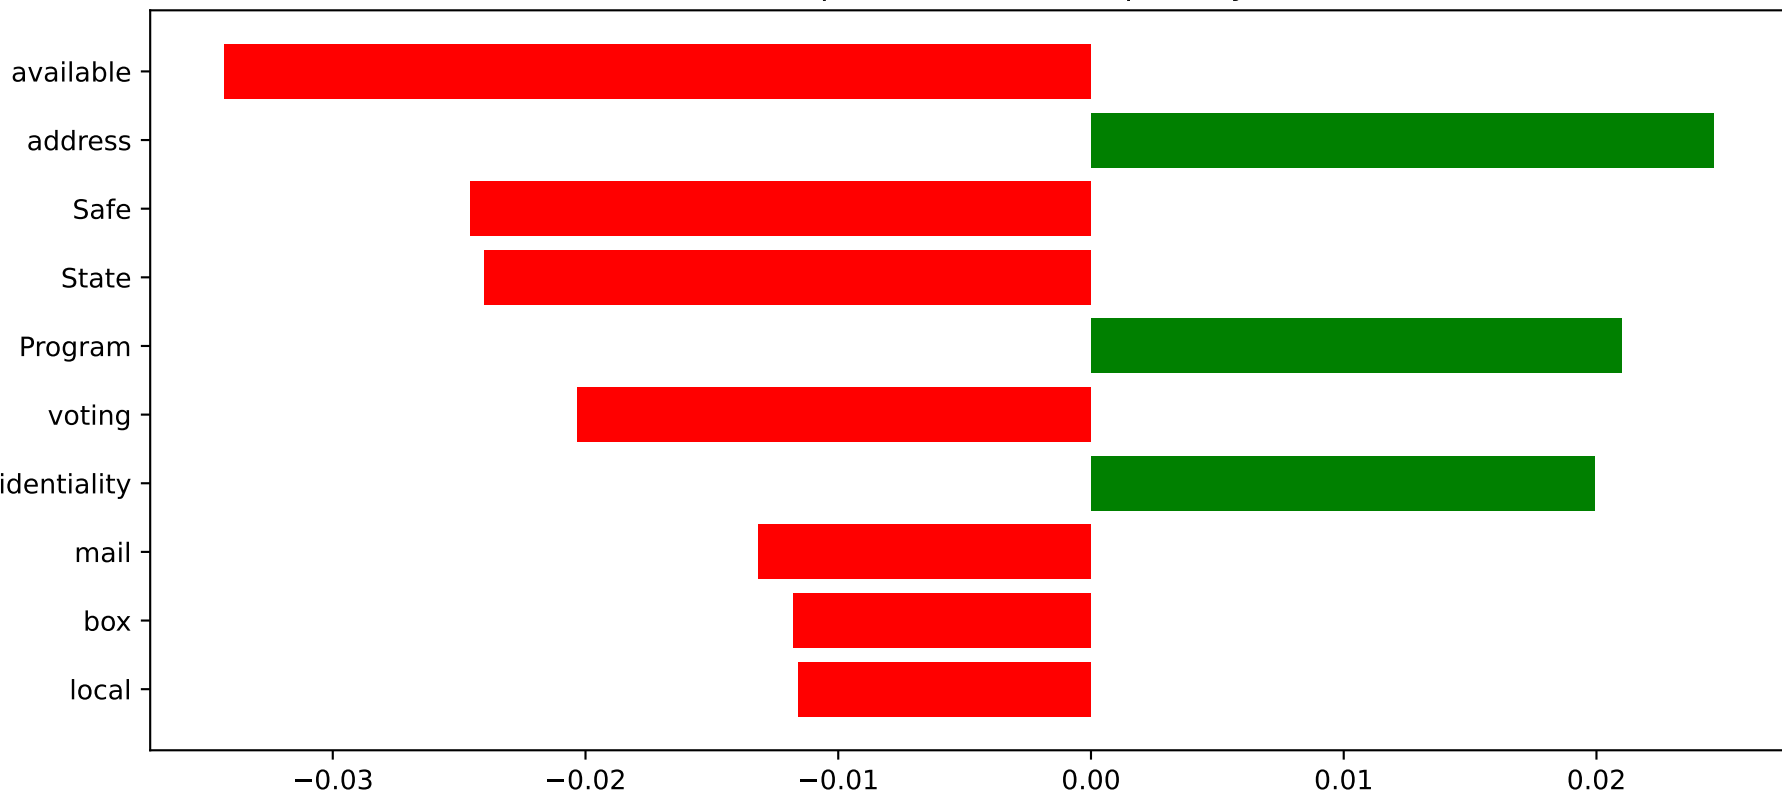

State: MI | True: secondary | Predicted: secondary | Correct: True

Local explanation for class secondary

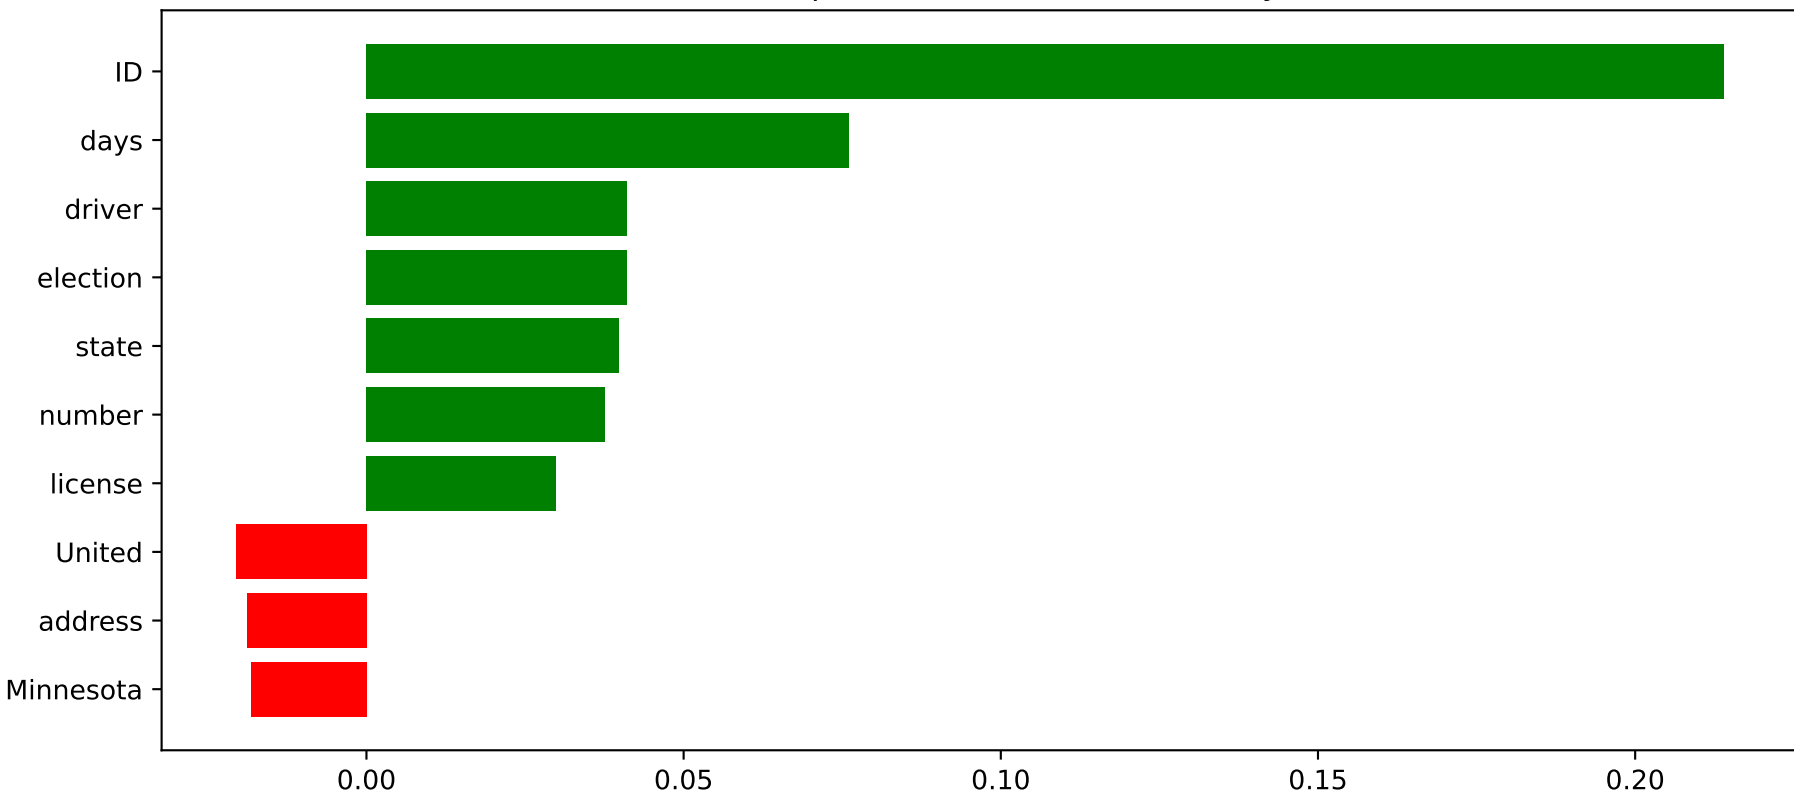

State: MN | True: primary | Predicted: primary | Correct: True

Local explanation for class primary

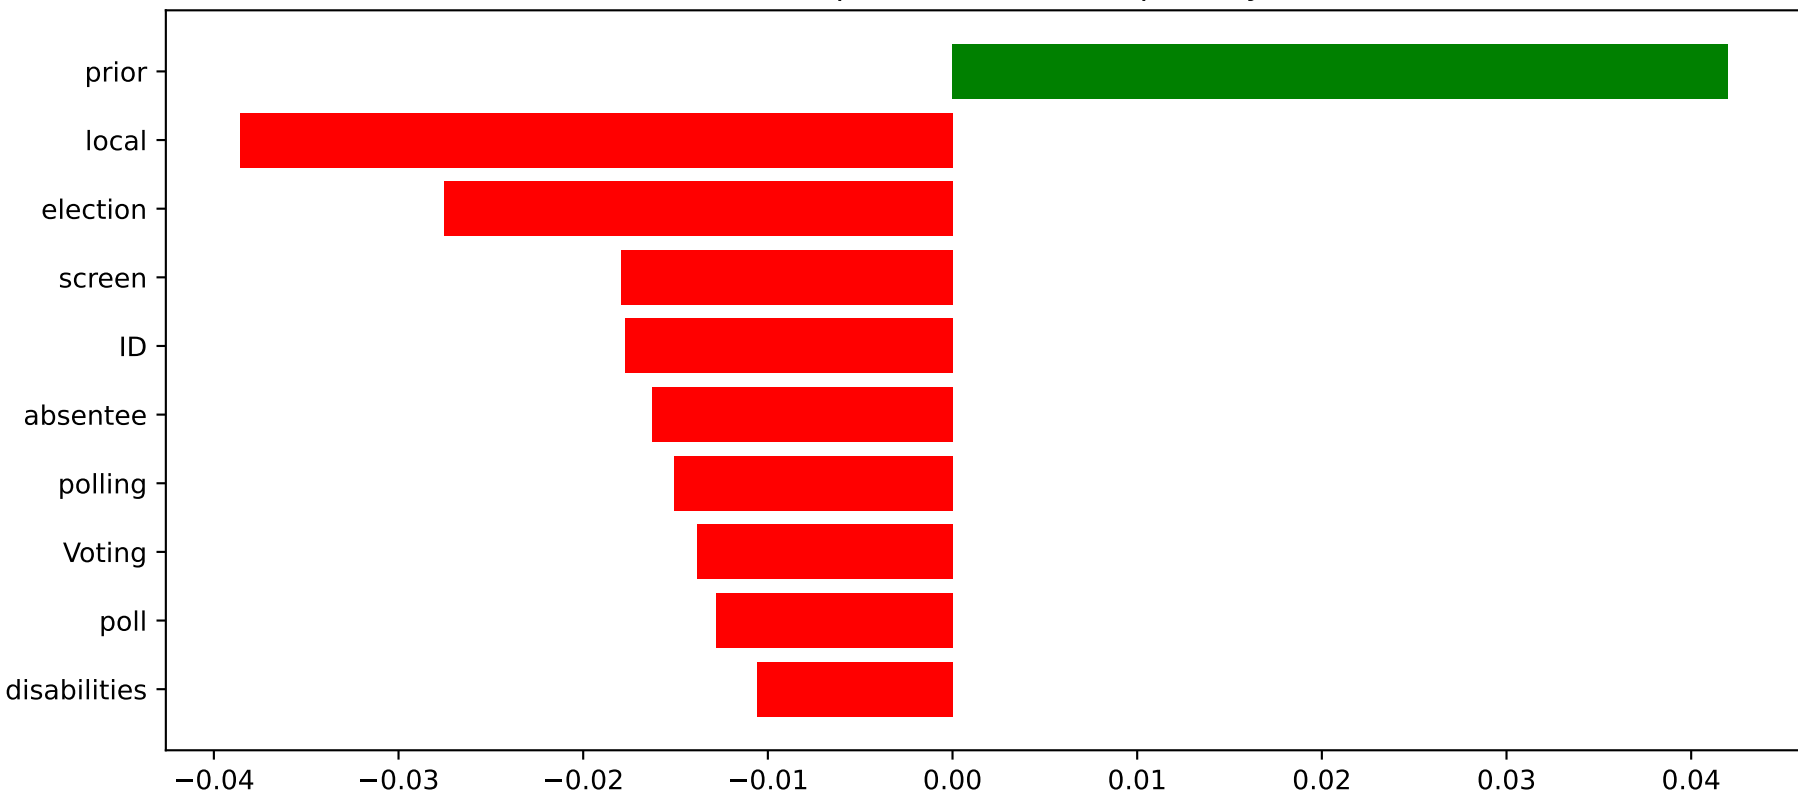

State: MN | True: secondary | Predicted: secondary | Correct: True

Local explanation for class secondary

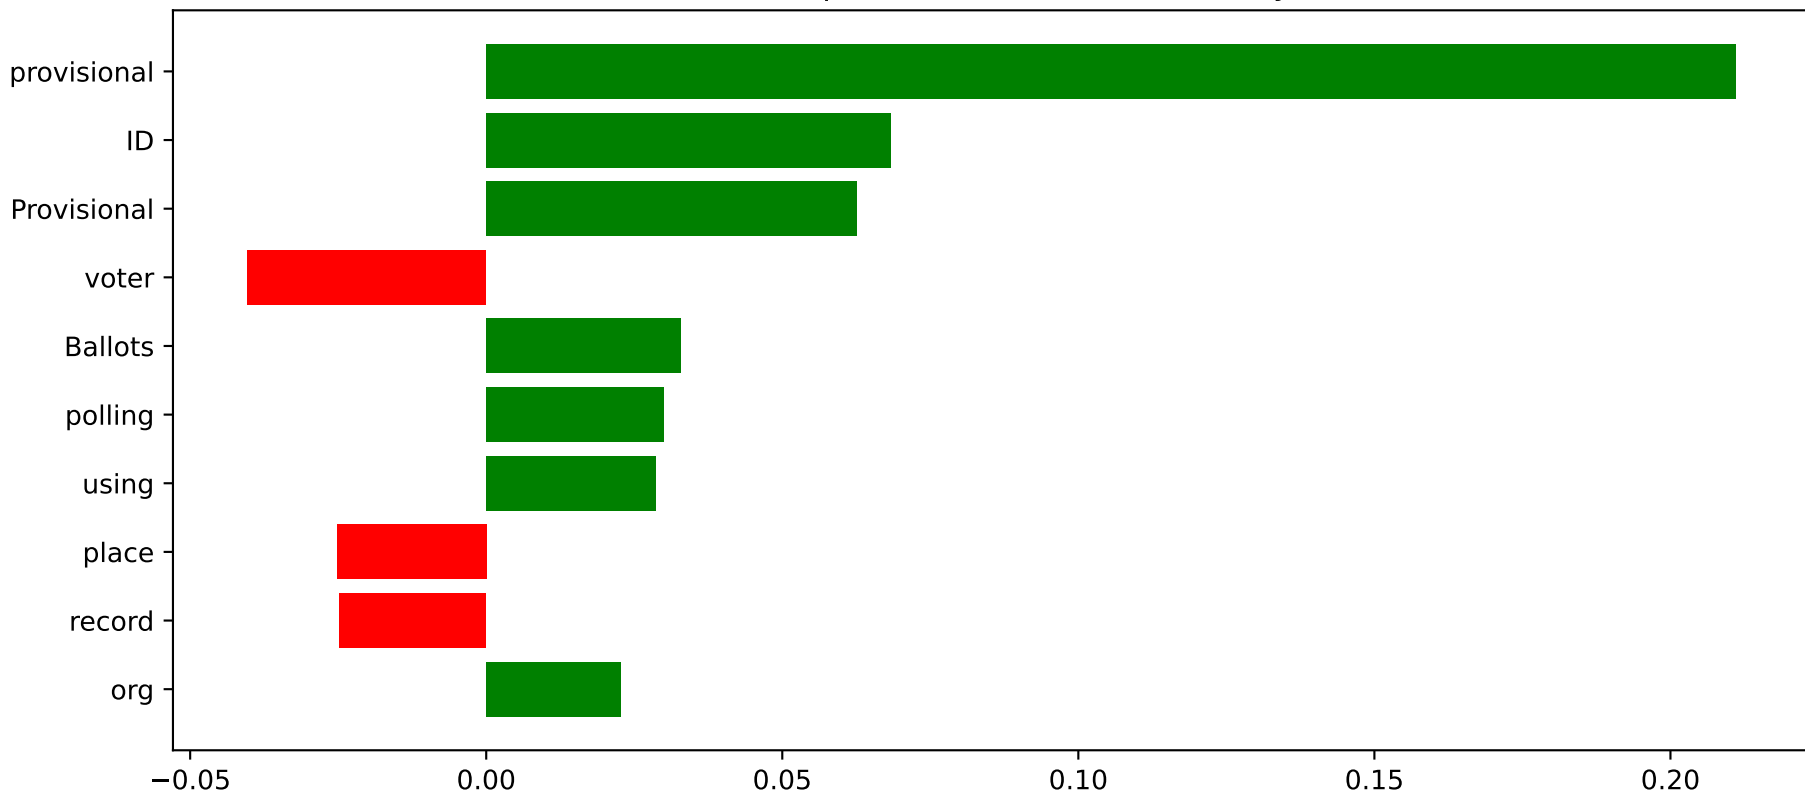

State: MO | True: primary | Predicted: primary | Correct: True

Local explanation for class primary

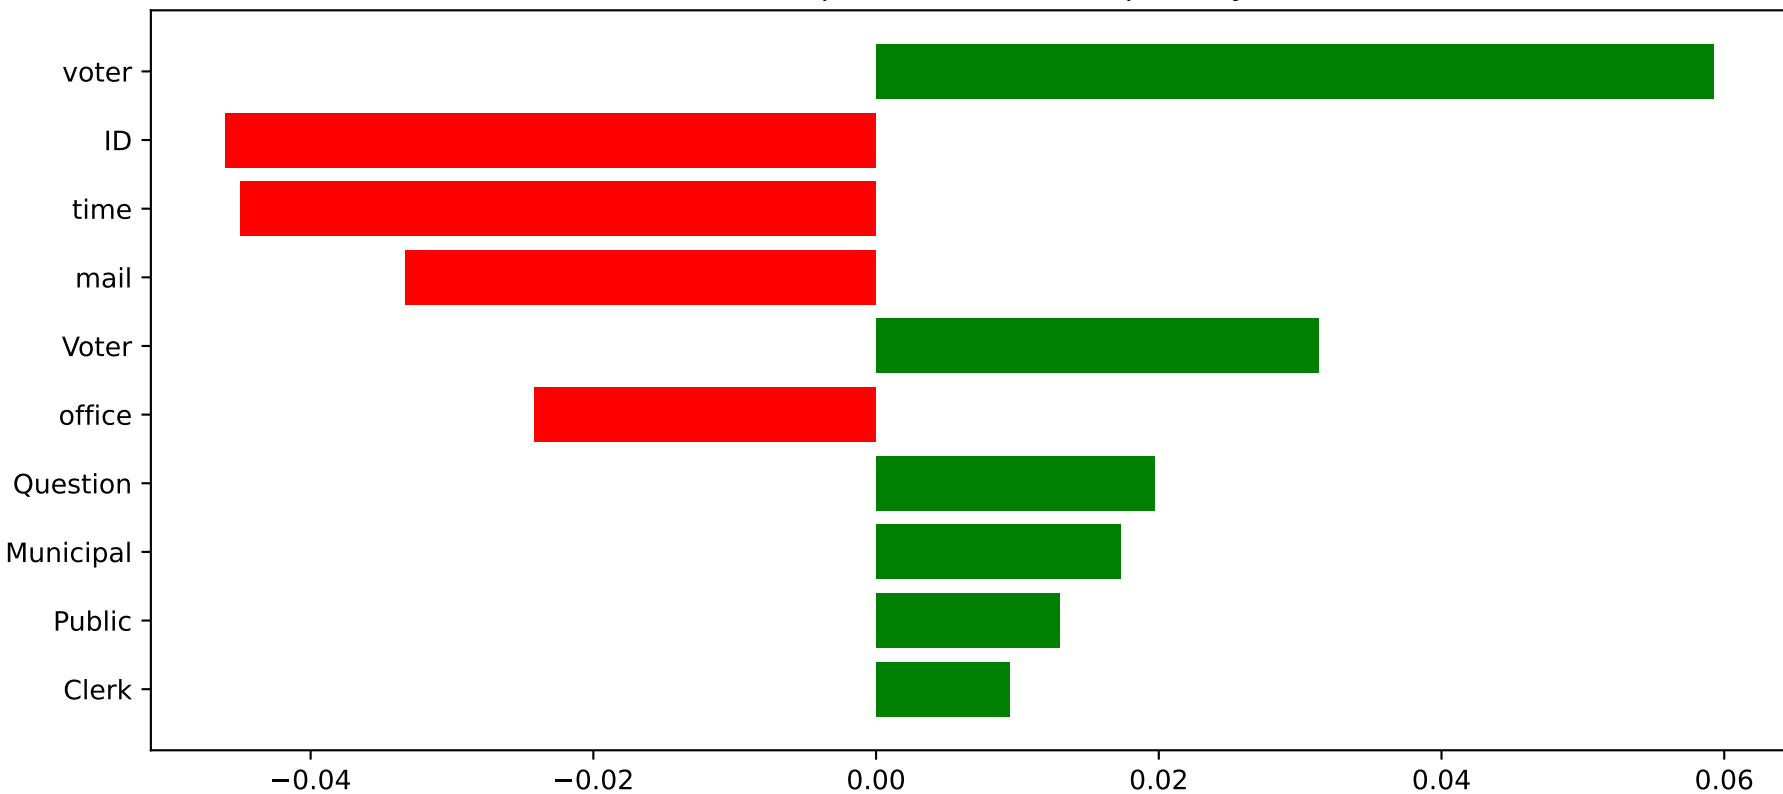

State: MO | True: secondary | Predicted: secondary | Correct: True

Local explanation for class secondary

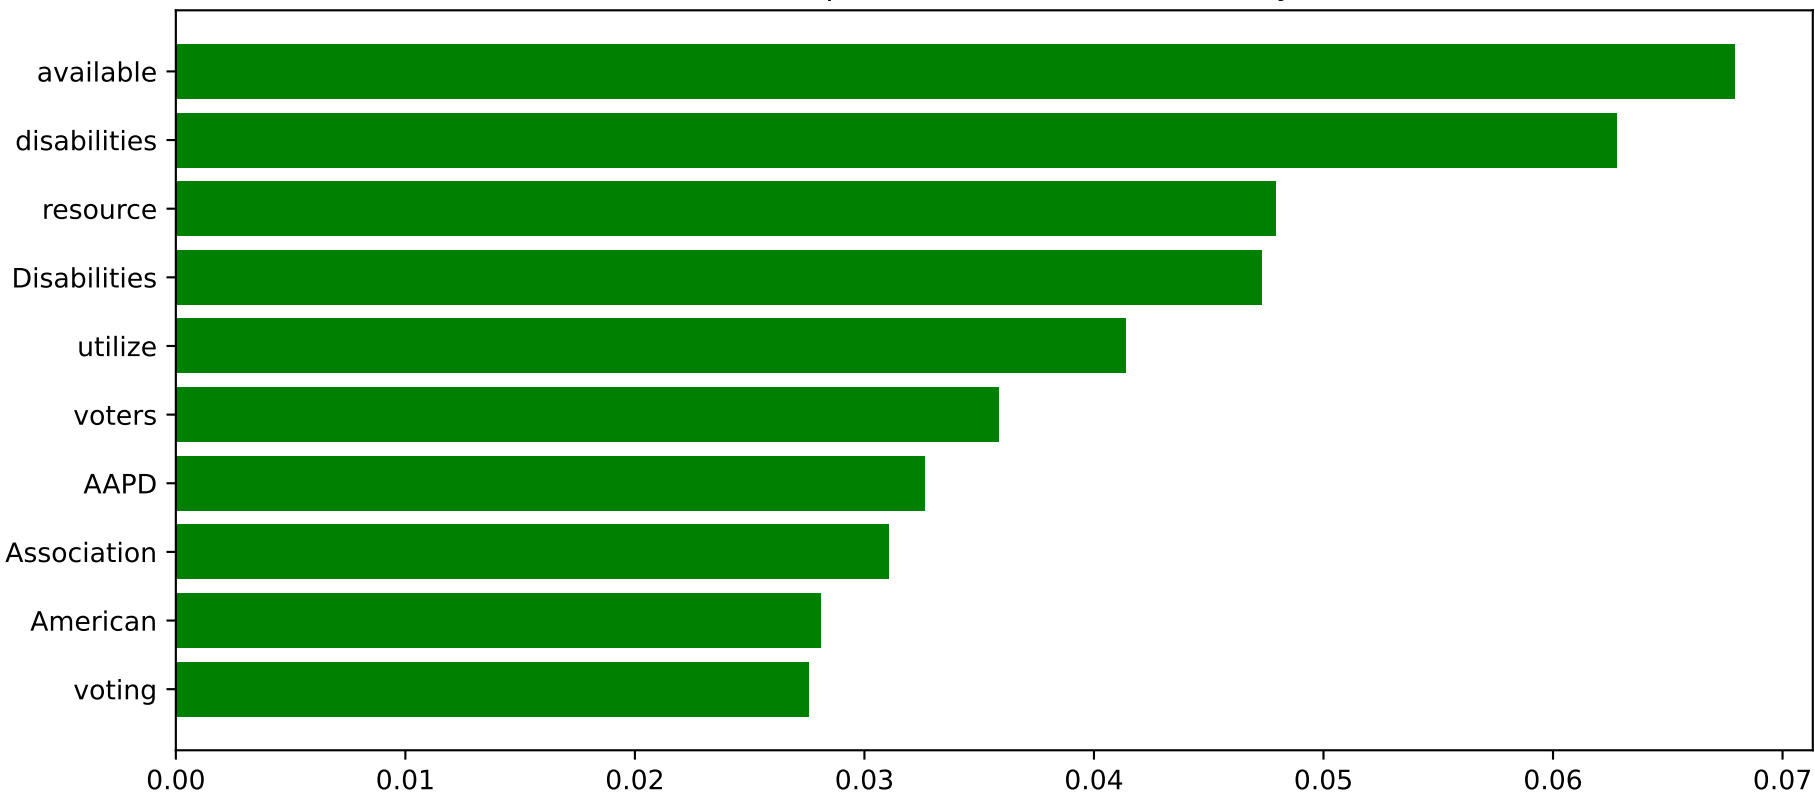

State: MS | True: primary | Predicted: primary | Correct: True

Local explanation for class primary

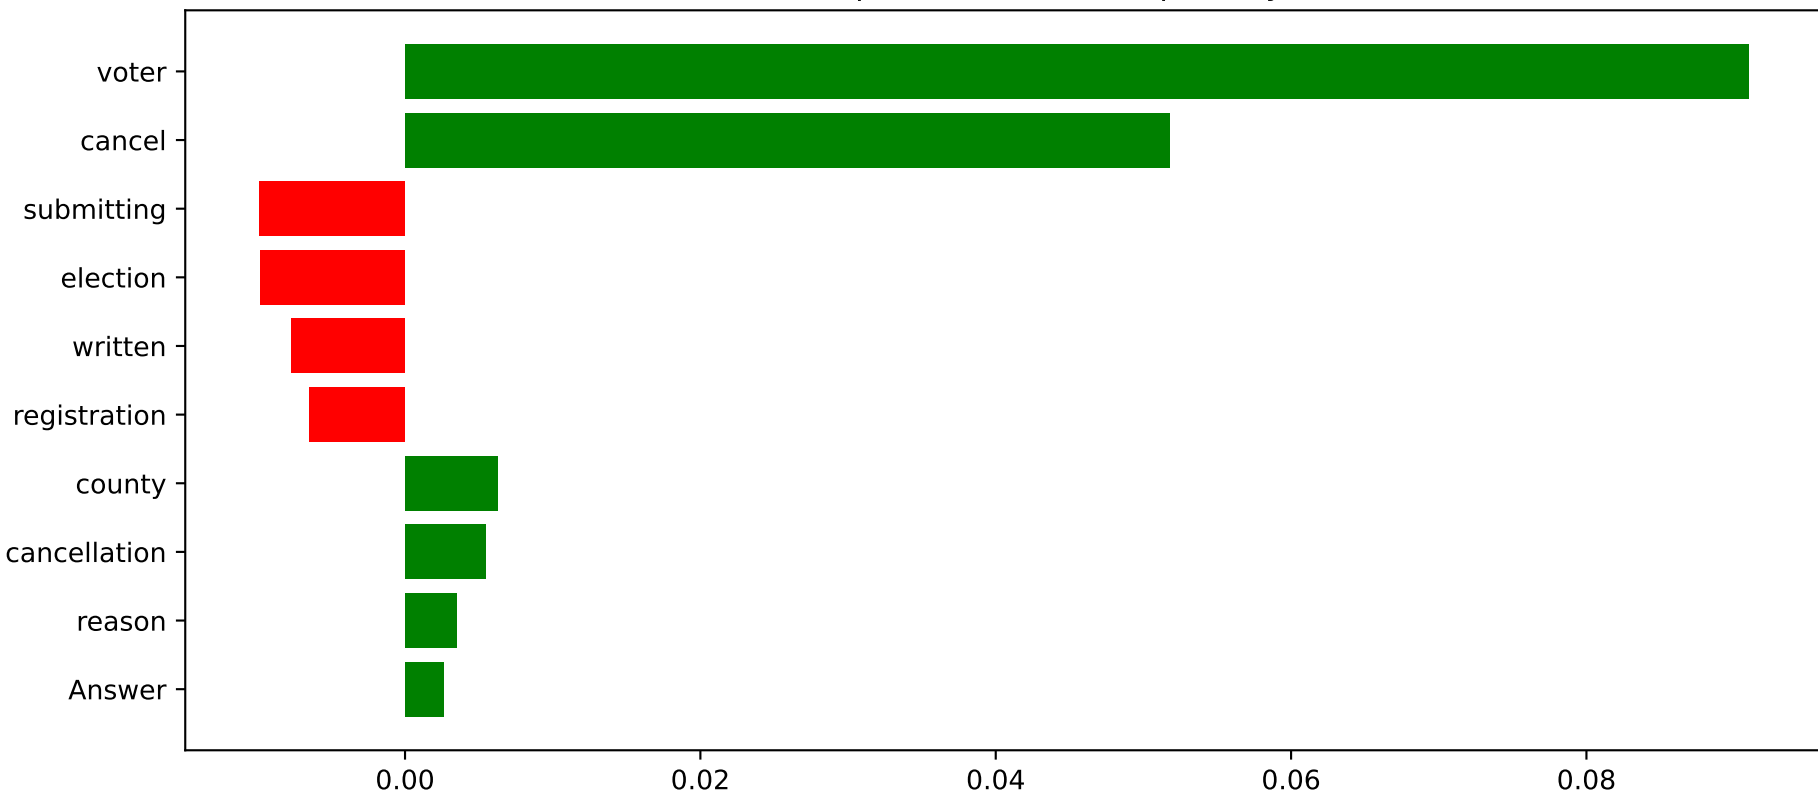

State: MS | True: secondary | Predicted: secondary | Correct: True

Local explanation for class secondary

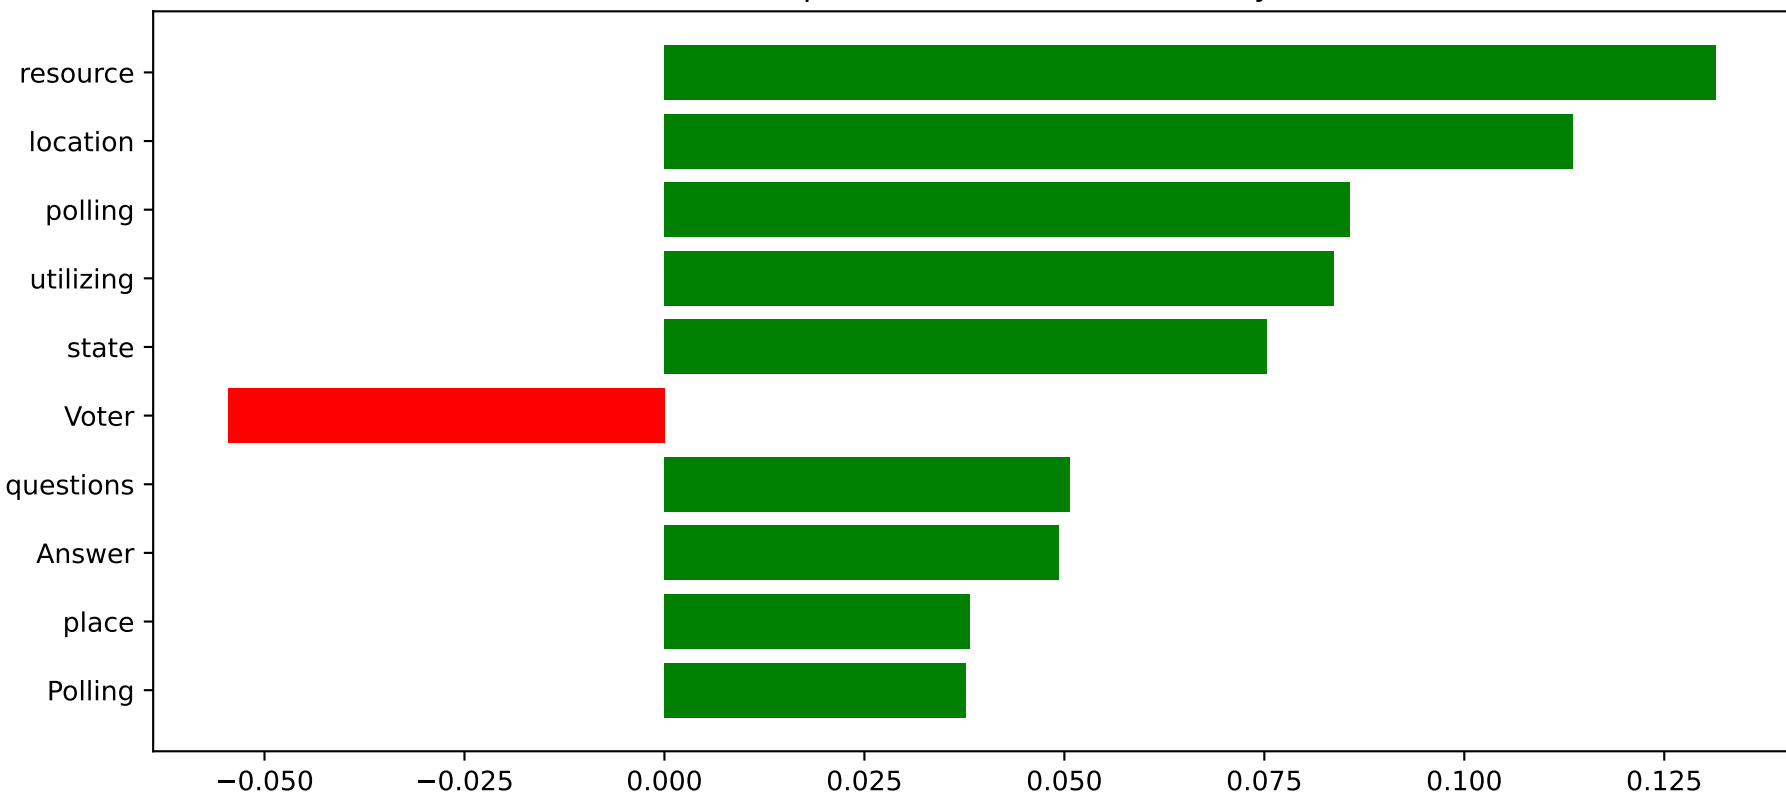

State: MT | True: primary | Predicted: primary | Correct: True

Local explanation for class primary

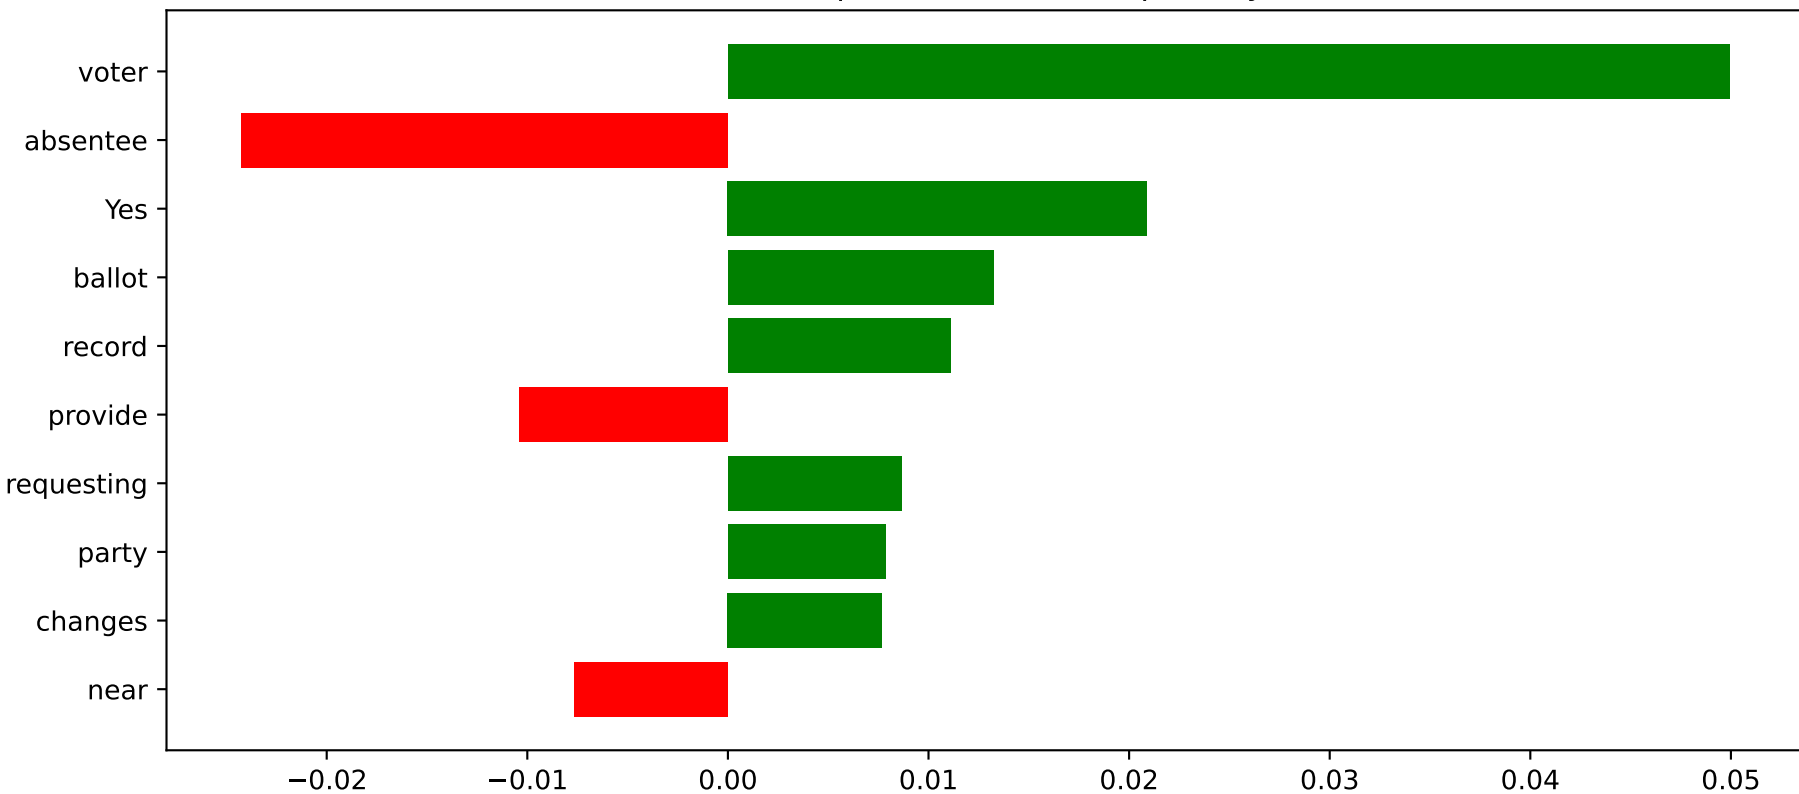

State: MT | True: secondary | Predicted: secondary | Correct: True

Local explanation for class secondary

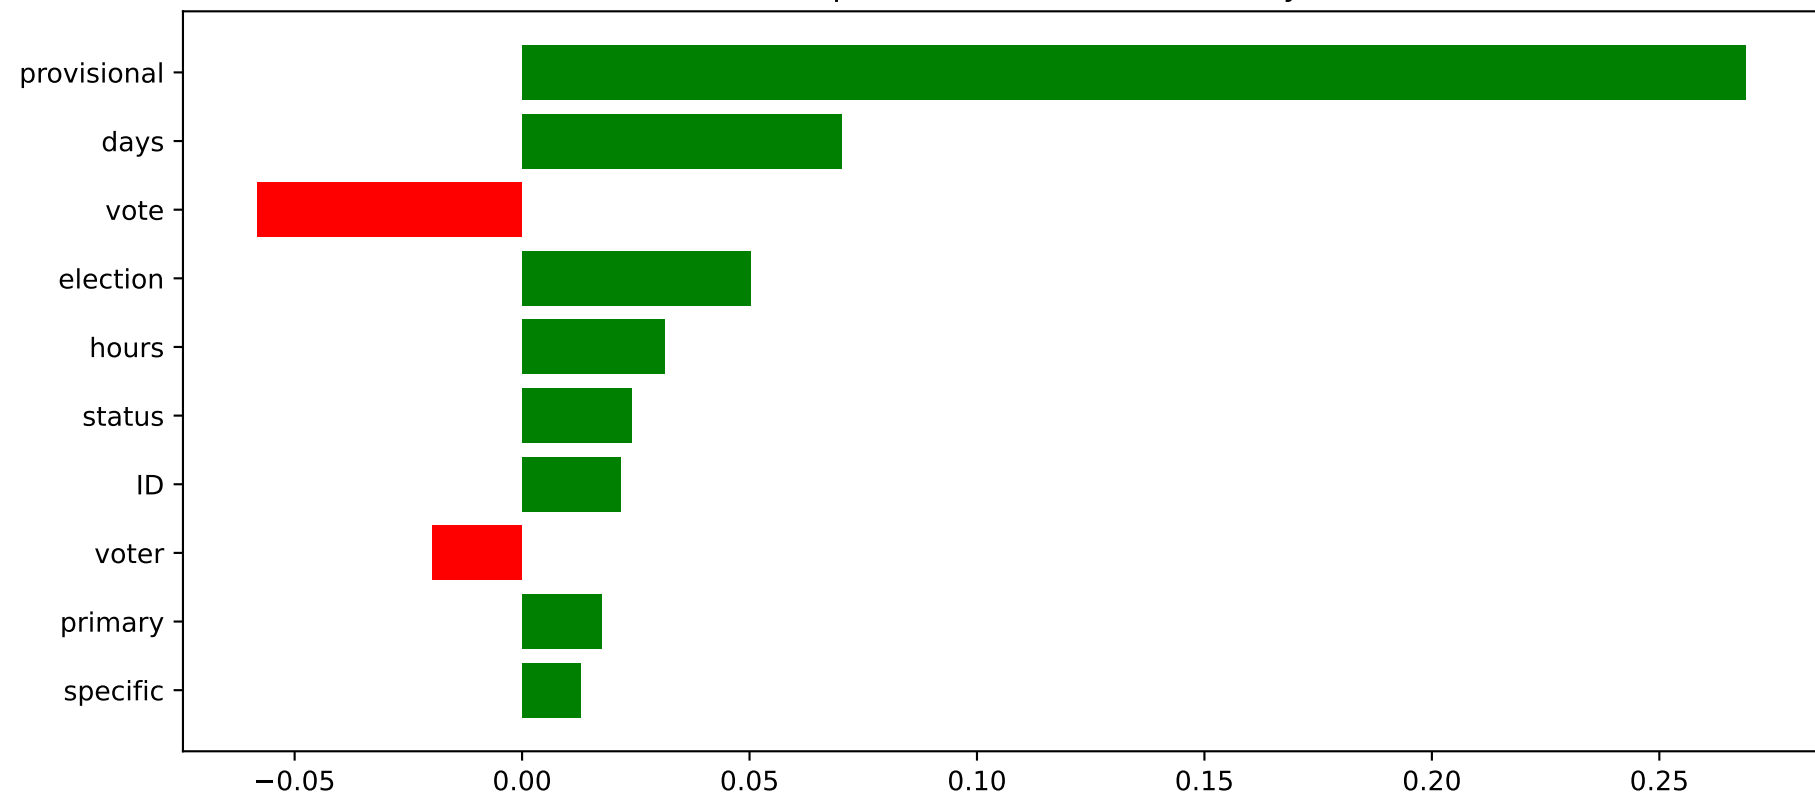

State: NC | True: primary | Predicted: primary | Correct: True

Local explanation for class primary

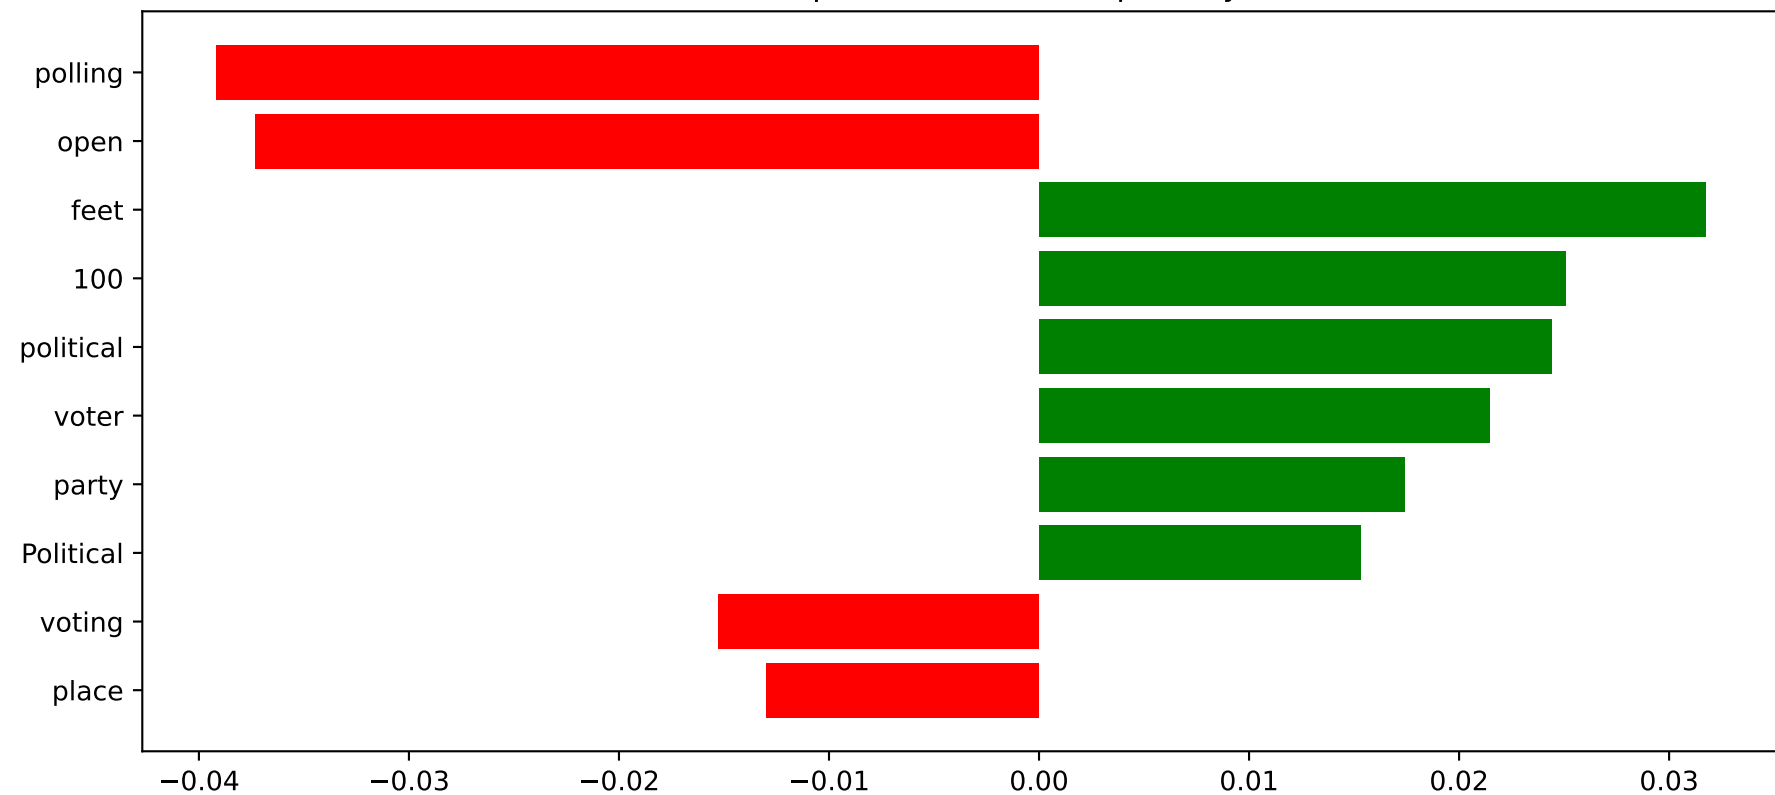

State: NC | True: secondary | Predicted: secondary | Correct: True

Local explanation for class secondary

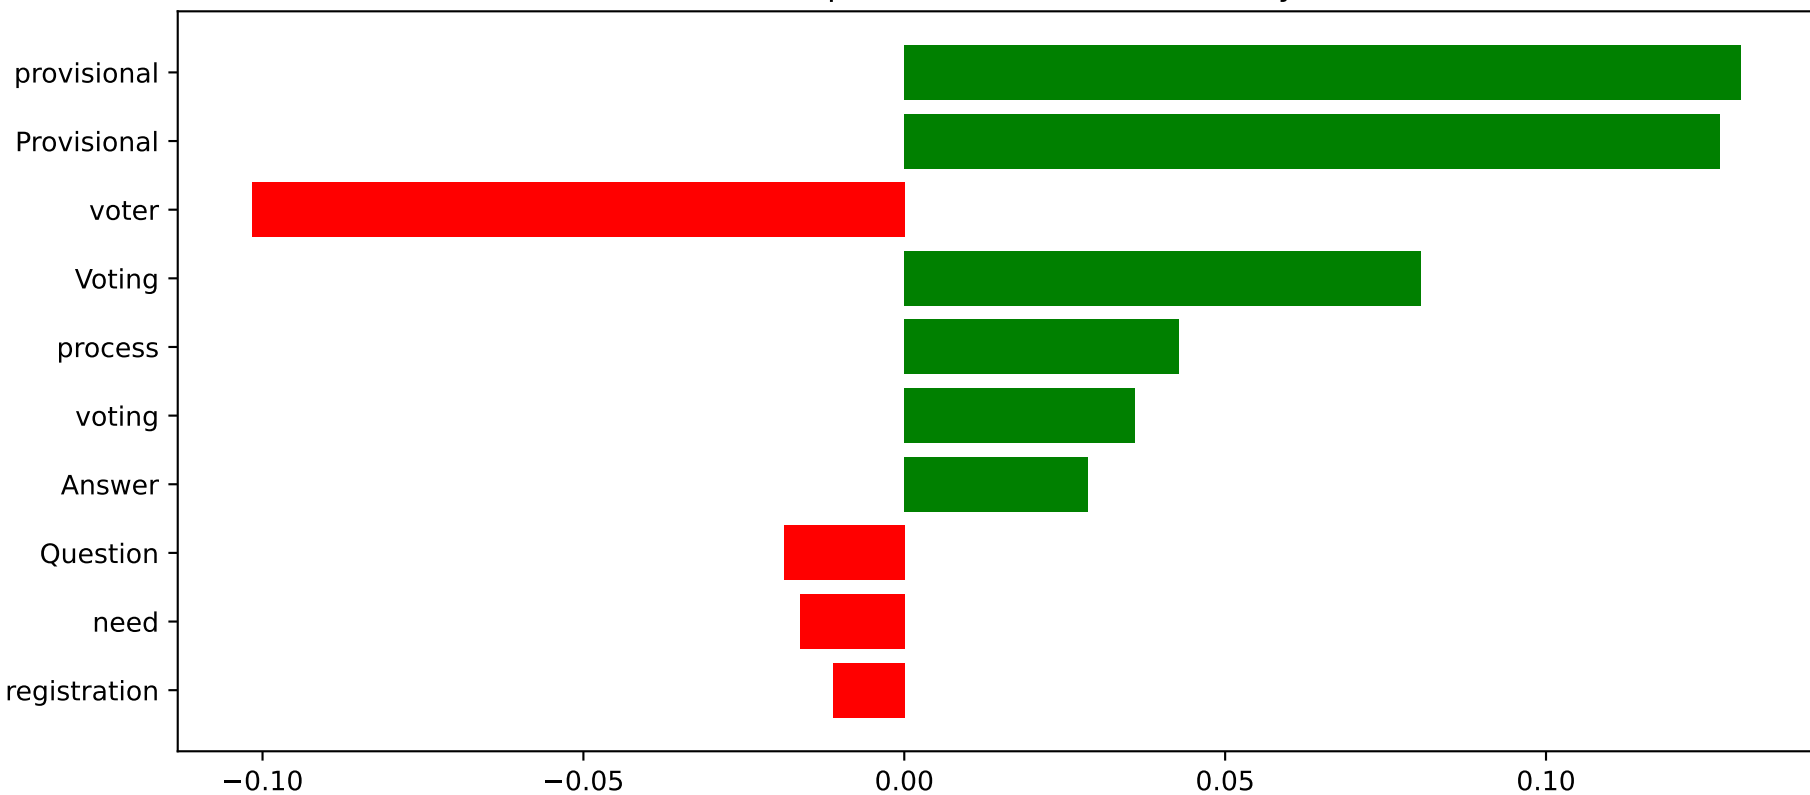

State: ND | True: primary | Predicted: primary | Correct: True

Local explanation for class primary

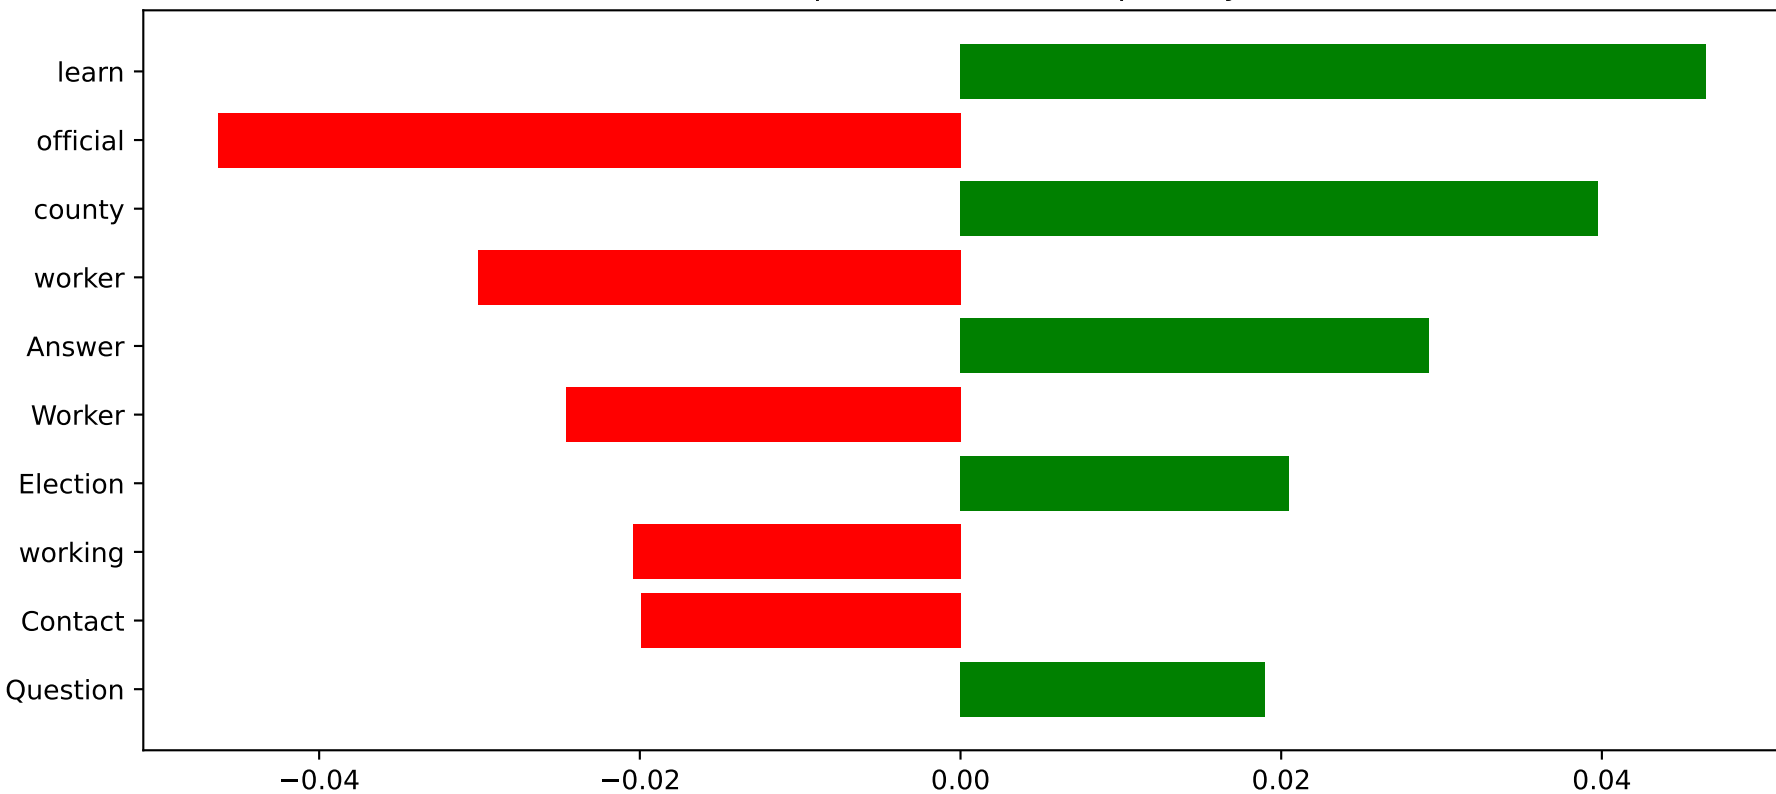

State: ND | True: secondary | Predicted: secondary | Correct: True

Local explanation for class secondary

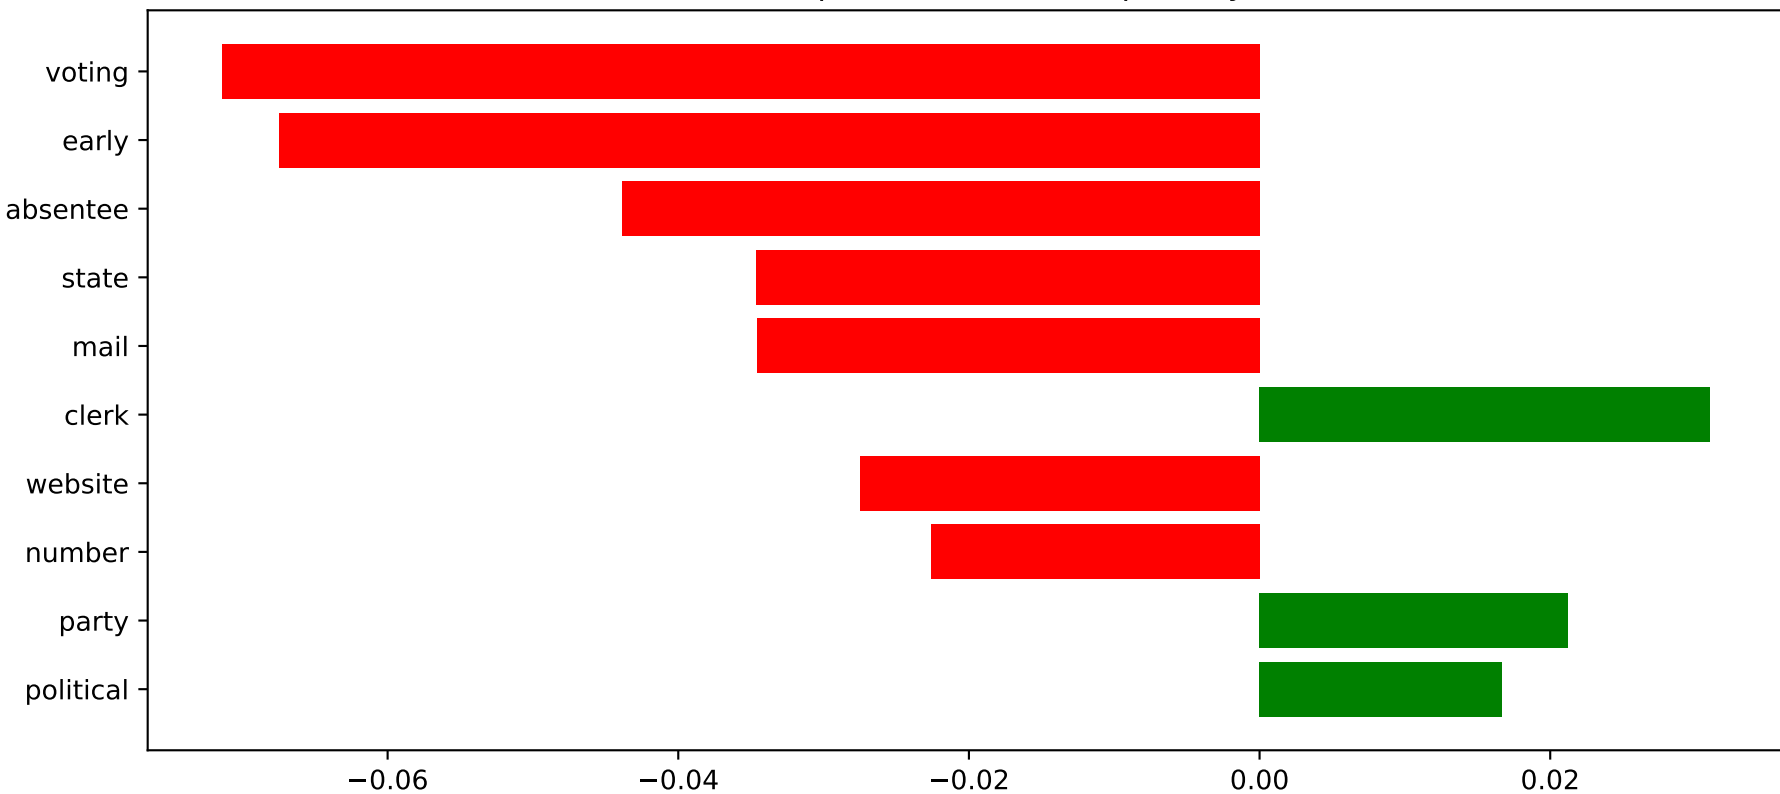

State: NE | True: primary | Predicted: primary | Correct: True

Local explanation for class primary

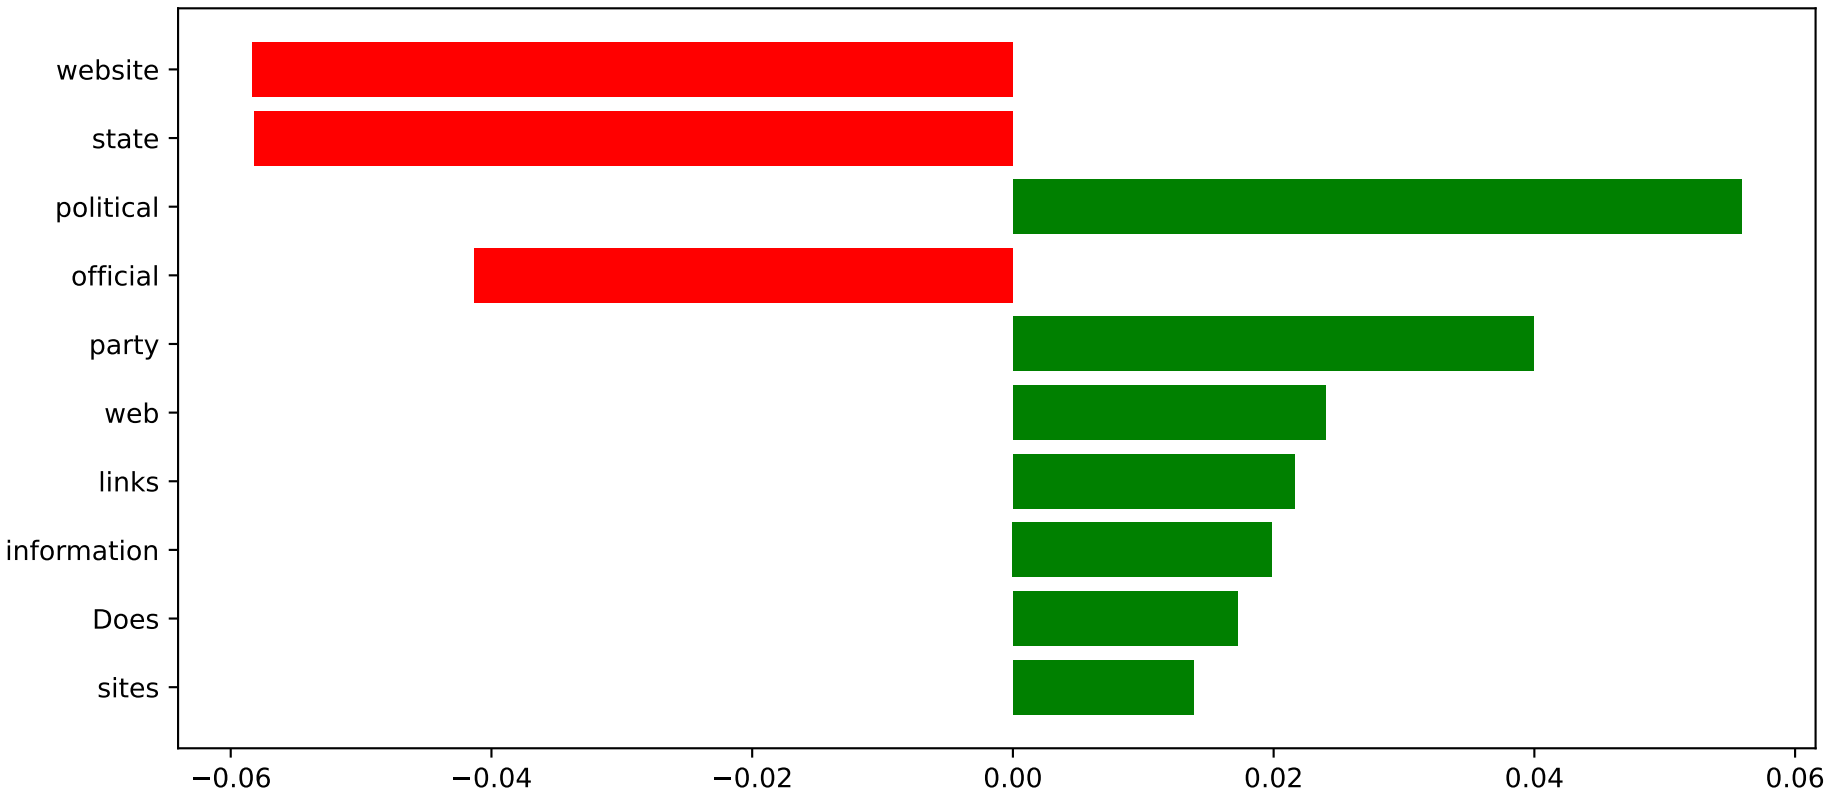

State: NE | True: secondary | Predicted: primary | Correct: False

Local explanation for class primary

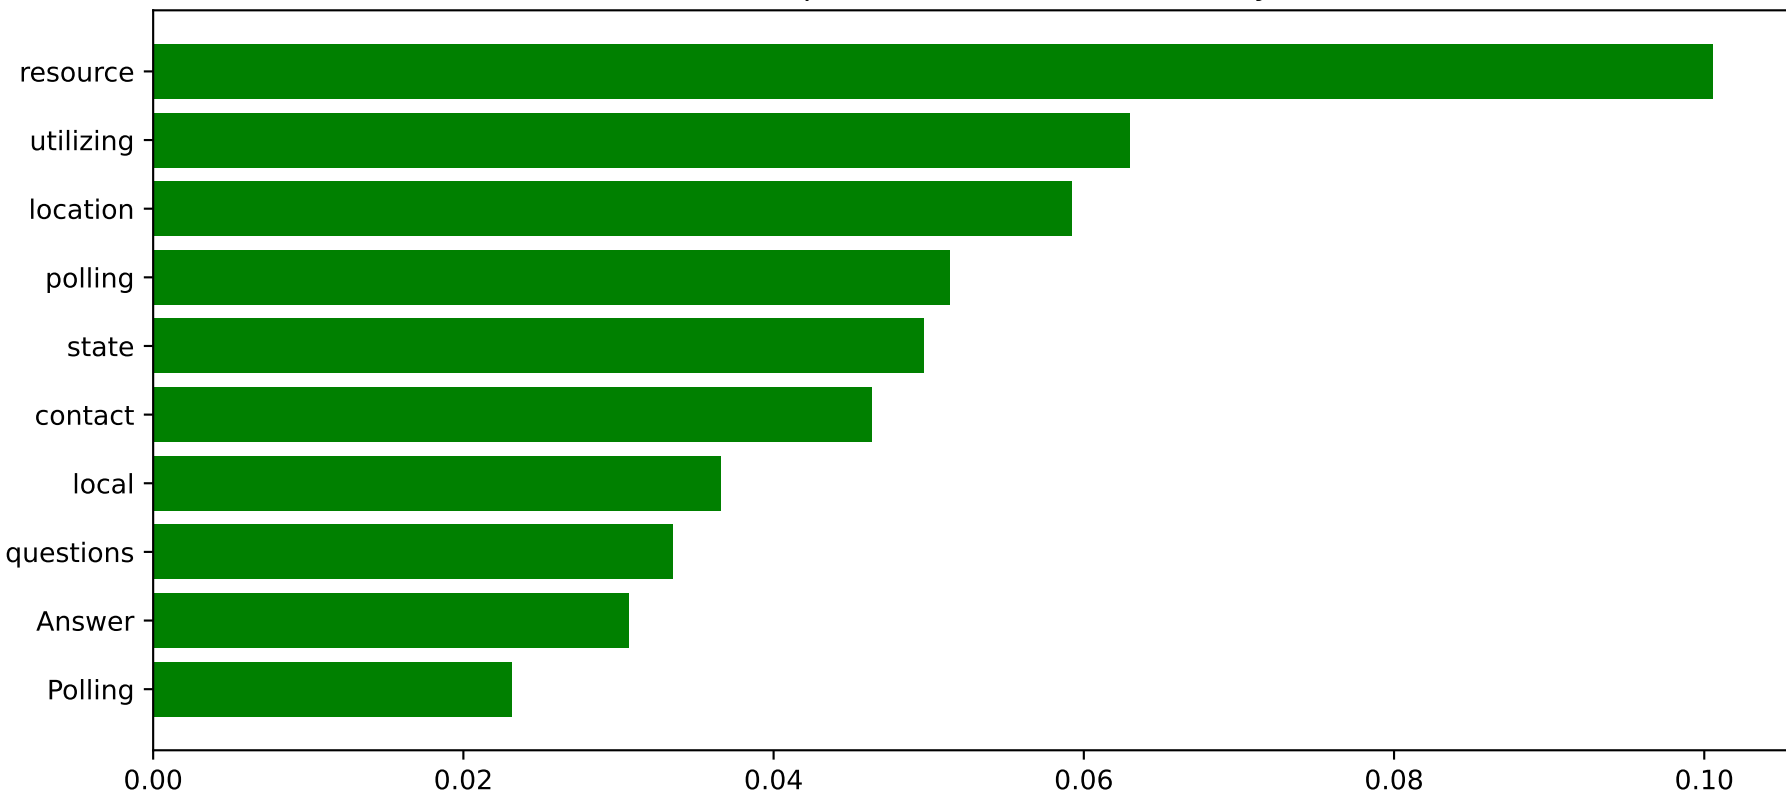

State: NH | True: primary | Predicted: primary | Correct: True

Local explanation for class primary

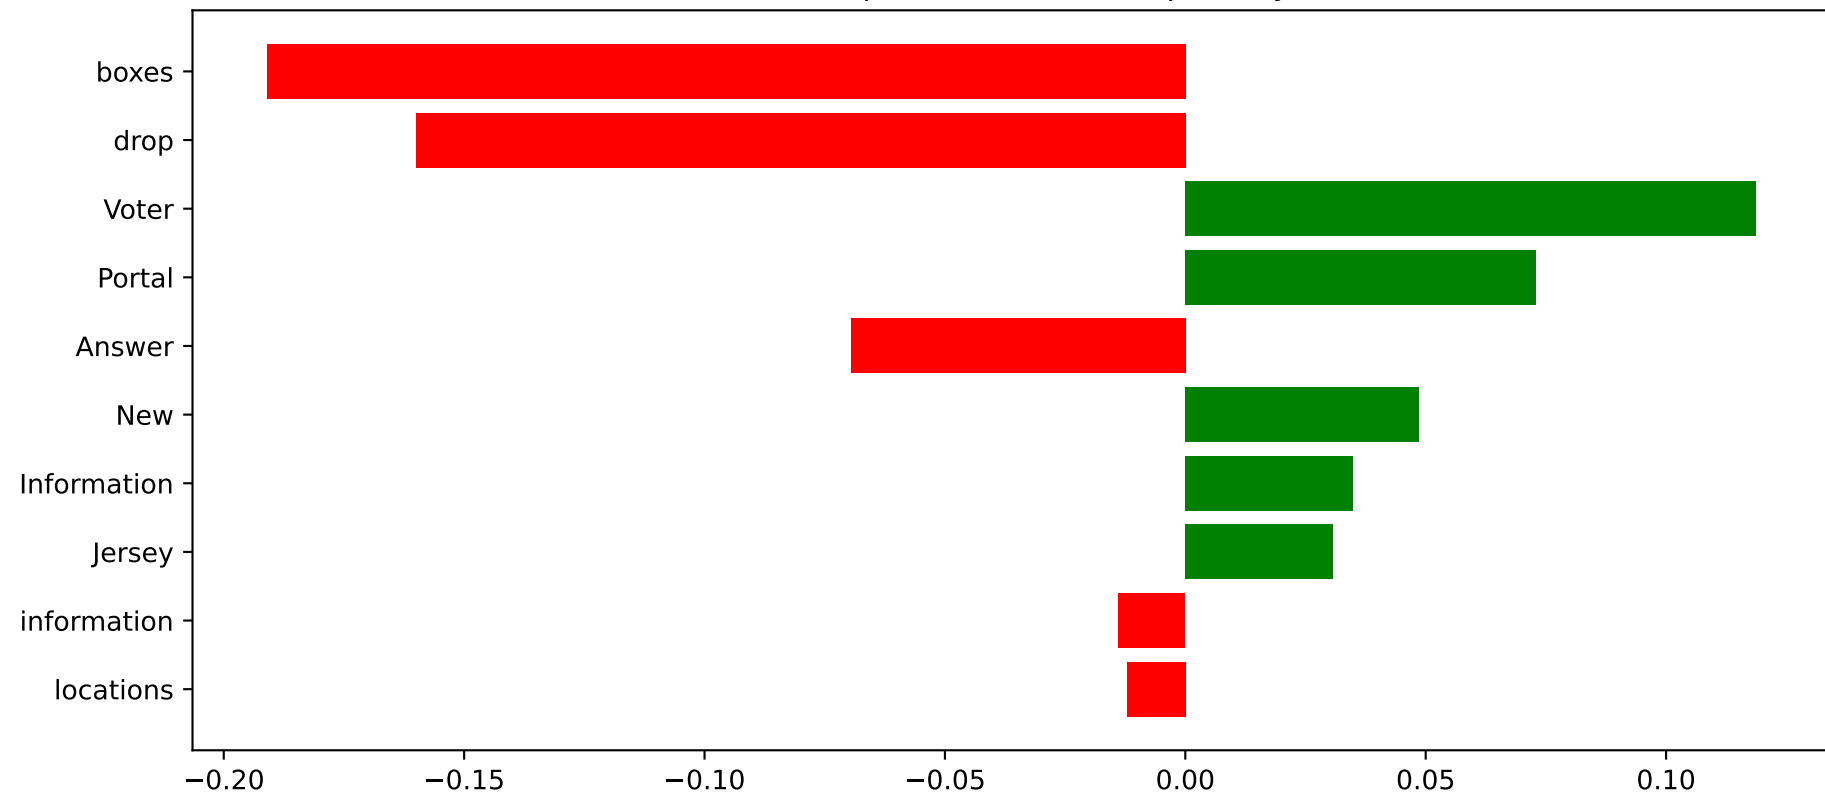

State: NH | True: secondary | Predicted: secondary | Correct: True
